

Quick Reference Guide: Zoom – Panopto Link into LearningHub

□ How do I post my Zoom cloud recording in LearningHub

How to:

1. Log into LearningHub
2. Click on the Panopto link - left side, near LearningHub icon
3. Click on Login
4. Click on MyFolder

5. Click on Meeting Recordings

6. Put your cursor over the video – the video options will show

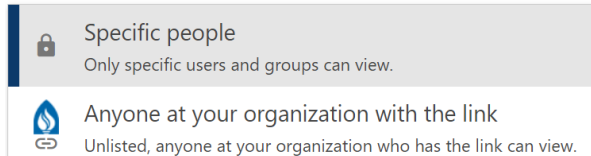

10:04 AM • Recording Start: 04/05/2020 @ 10:04 AM • Duratic

7. Select Share
8. Change the folder access

Who has access:

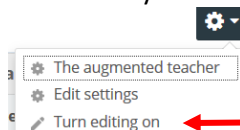

This session inherits permissions from its folder: [Zoom Recordings](#)

9. Click Save changes
10. Click on the link
11. Copy the link to the video
12. Go to the course in LearningHub
13. Make sure your edit settings are on

Link | Embed

<https://andrews.hosted.panopto.com/Panopto/Pages>
