

Verification of Untaxed Unemployment Benefits

Student: _____

ID: _____

In order to finalize your 2010-2011 financial aid award, we need to verify the amount of untaxed unemployment benefits received by all members of your household.

The 2009 IRS Tax forms allow \$2,400 of unemployment benefits for each recipient to be excluded from taxes. Thus, in the financial aid calculations, this “untaxed income” needs to be taken into consideration. **Please complete and return this form to our office at your earliest convenience so that we can complete the processing of your 2010–2011 award.**

- ▶ Number of persons receiving unemployment benefits in 2009: _____
- ▶ Total unemployment benefits received (Box 1 on form 1099-G): \$_____
- ▶ Taxable amount of unemployment (*as reported on your taxes*): \$_____
