A WORD FROM STUDENT FINANCIAL SERVICES: Your application was selected for review in a process called "Verification." In this process, we will be comparing information from your application with 2013 federal tax return transcripts, and/or with W2s or other financial documents. The U.S. Dept. of Education requires us to collect this information before awarding federal aid. If there are differences between your application information and your financial documents, corrections may need to be made to your FAFSA. Complete this form and submit it to the Office of Student Financial Services as soon as possible to ensure prompt processing. **Warning:** If you purposely give false or misleading information on this sheet, you may be fined, and/or be sentenced to jail by the federal government.

NOT SURE? To determine who is considered a **custodial parent** for purposes of this form, see below:

- > If your parents are both living and married to each other, include them both in the household listing.
- > If your parent is widowed or single, list this parent. If your widowed parent is remarried as of the day you completed the FAFSA, also include the person whom your parent married, i.e. your stepparent.
- > If your parents have divorced or separated, only include in the household listing the parent with whom you live the most. If you did not live with one parent more than the other, only include the parent who provides more financial support to you.
