SECTION 2-TAX INFORMATION

Your application requires IRS tax data. We recommend that you use the IRS Data Retrieval Tool (IRS DRT) on the FAFSA to link directly to the IRS database. To address security concerns, the tax return information you transfer from the IRS will no longer be displayed on www.studentaid.gov or the IRS DRT web page. Instead you will see "Transferred from the IRS" in the appropriate fields on www.studentaid.gov. If you and/or your custodial parent(s) or spouse filed a tax return but were not presented with the option to link directly to the IRS database, you must provide a signed copy of the 2018 income tax return (Form 1040) for you and your custodial parent(s) or spouse. You may also try to download a free Tax Return Transcript online at http://www.irs.gov/individuals/get-transcript or call 1-800-908-9946 and request a copy to be mailed. You may also need to submit copies of all W-2s and/or 1099 forms for 2018.

Foreign, US territory, or commonwealth residents: Please submit a copy of your 2018 tax transcript. If no taxes were filed, we can accept a Wage & Tax Statement or its equivalent from each employer indicating total income earned and taxes paid during January – December 2018.
