WELCOME
Thank you for your interest in the Master of Divinity program. Please read the following information regarding the forms contained in your application packet. Pay close attention to the detailed instruction on the next page about the required tests and additional requirements for international students located on the next page. If you have any further questions don’t hesitate to contact us.

FOR ALL APPLICANTS

Application and $40 Application Fee
The enclosed application must be completed entirely, printed in ink or typed, and signed before the admissions process can begin. A $40 application fee is required and should be submitted at the time of application. We accept cash, credit card, check or money order. International applicants must use a U.S. draft / money order or a U.S. bank check with the U.S. bank’s name and address printed on it. Make checks or money orders payable to Andrews University.

History and Statement of Purpose
Please follow the instructions carefully on the enclosed form.

Recommendation Forms
A total of three recommendations are required.

- One general recommendation should be completed on your behalf by an individual who knows your academic qualities well and is not a family member. Possible references are teachers, employers or chaplains/pastors.
- The second recommendation form included is for the Chairperson of your college religion department. If you have not obtained a religion or theology degree in the last five years, please include a second general recommendation form in place of this one.
- The third recommendation should be from your church board. Please have this signed by the senior pastor or, if you are the senior pastor, by the head elder.

The recommendations should be sent in by the evaluator to AU Graduate Admissions. Be sure your name is on each form.

Official Transcripts
Official transcripts are required from the registrar of each college/university you have attended. Be sure to ask about transcript costs. If the language of instruction at the school(s) is not English, the school(s) must provide transcripts in both the original language of instruction and in a literal English translation. To be considered official, transcripts (including translations) must be sent directly from your school(s) to the AU Graduate Admissions office or be received by AU Graduate Admissions in an unopened, school-sealed letterhead envelope. International transcripts are evaluated according to published guidelines for each country. Official and certified copies of examination reports and all secondary certificates (e.g., “O” and “A” levels) are also required if you have been educated outside of the U.S. Transcript request forms are provided for your convenience. NOTE: Transcripts received become the property of the university and may be released intra-campus for purposes of academic advisement, evaluation and administration as deemed necessary.

16PF Test Application Form
Follow the instructions on the enclosed form and return it promptly with your payment of $20 to cover the expenses of the test.

Spouse’s Statement
If you are married, or about to be, have your spouse or future spouse complete the enclosed form.

Financial Statement (U.S. Citizens and Legal Residents ONLY)
This form is provided to help you plan realistically for your school expenses. Study your anticipated expenses and resources carefully, and plan a budget which you can meet. Current financial information is included in this packet to aid you in your planning. International students must fill out the Estimated Budget Sheet in place of this form.

InMinistry Form (North American Citizens ONLY)
This form is for those who qualify and are applying for the InMinistry program. Please return it with your application.

Immunization Record
Although not required for acceptance to an Andrews University program, this form must be completed before registering for classes, and should be turned in as soon as possible. Students applying for off-campus programs do not need to submit this form. If you have any questions, please call the Student Health Nurse at 269.473.2222.

Residence Hall/Housing Applications
Applicants desiring on-campus housing may complete one of these forms. Residence Hall applications are for single students only. Non-Dormitory Housing applications are for those who are single and over 22 years old, married, or have families.
REQUIRED TESTS

Biblical Hebrew and Biblical Greek Prerequisites
Hebrew and Greek are required at the Intermediate proficiency level as demonstrated by a qualifying exam rather than a specific number of undergraduate credits. Students who pass the exam at the intermediate level are allowed to enroll in exegesis courses without further language study. Students who do not qualify are placed in appropriate levels of Hebrew or Greek courses according to their test scores (either Beginning or Intermediate level). Instruction sheets designed to help students prepare for the qualifying exams are available from the Old Testament and New Testament departments. You can find the sheets online at www.andrews.edu/SEM/. Students may also demonstrate proficiency in Intermediate Hebrew and Intermediate Greek by taking the respective courses at the Seminary and earning a minimum grade of C+. Please refer to the information found in the pocket for current review and examination dates.

Bible Knowledge Entrance Test
All entering students must take the Bible Knowledge test and pass with a score of 80%. This test will be administered to students early in the fall semester. As an alternative, a student can take the course GSEM525. If the test is failed, the student must take the course. Passing the course with a grade of at least C+ fulfills the test requirement. If students do not pass the course with a grade of at least C+ they must suspend participation in the MDiv program until they pass the test at its next scheduled administration. Full information on the test, including a list of items that must be mastered in order to pass it, is available through the Associate Dean’s office or online at www.andrews.edu/SEM/bket/. Please refer to the information found in the pocket for a current examination date.

FOR INTERNATIONAL APPLICANTS ONLY

Educational Summary Sheet
Any applicant who has ever been educated outside the U.S. must complete this form. Please follow the instructions on the form carefully, as failure to complete this form properly will slow the admission process. This form is enclosed.

Balanced Estimated Budget Sheet
All applicants attending on a student visa (F-1 or J-1) must complete this form. This completed form and all other financial requirements and documents requested as indicated on the budget sheet should result in financial acceptance to Andrews University. After academic acceptance AND financial acceptance is granted, the I-20 or 2019 form will be sent to you. This budget sheet is found in your application packet.

Copy of Diploma(s)
Please submit a certified copy of your original diploma(s) with your application. This is required for applicants whose final transcripts do not list both the name of the degree obtained and the date the degree was conferred. Since many countries outside the U.S. do not include this information on transcripts, most international students must send a copy of their diploma. Please provide copies in both the original language of instruction and in English.

Passport Identification Page
A photocopy of the pages in your passport that include your name and other biographical information is required before your 1-20 can be issued. Please send this with your application.

TOEFL/MELAB
If English is not your first language or you are not a four-year graduate of an accredited college/university in a country where English is the spoken language and medium of instruction, a minimum score of 550 on the paper-based TOEFL or 213 on the computer-based TOEFL or 80 on the iBT TOEFL or 80 on the Michigan English Language Assessment Battery (MELAB) is required prior to admission. Additional guidelines for demonstrating acceptable English proficiency are published in the international brochure and the Andrews University Bulletin. The TOEFL or MELAB must be taken within one year prior to application. Official TOEFL scores must be sent directly to AU Graduate Admissions from the Educational Testing Service (ETS). The Andrews University ETS code is 1030. Those who do not have passing scores are welcome to apply for English studies at the AU English Language Institute (ELI). TOEFL testing sites, dates and information are found at www.toefl.org, or you may email toefl@ets.org or call 609.771.7100. You can also write ETS at P.O. Box 6000, Princeton, NJ 08541-6000, U.S.A. International applicants may also check with the U.S. Embassy in their country for information regarding TOEFL.

END
Admission to Andrews University is granted to any student who meets the academic and character requirements of the University and who expresses willingness to cooperate with its policies. Because Andrews University is operated by the Seventh-day Adventist Church, the majority of its students are Seventh-day Adventists. However, no particular religious commitment is required for admission; any qualified student who will be comfortable within its religious, social, and cultural atmosphere may apply. The University does not discriminate on the grounds of race, sex, color, creed, national or ethnic origin, age, disability or other legally protected characteristics.

**PLEASE PRINT CLEARLY**—NOTE: There is an application fee of $40 (non-refundable).

INTERNATIONAL STUDENTS: Please attach a photocopy of the page in your passport that contains your biographical information to this application.

Preparation for leadership in ministry is a significant and serious decision. Many lives will be influenced by one who takes up this responsibility. Therefore, we are interested in becoming better acquainted with you so that we can properly evaluate your application to this ministerial training program.

Please help us by typing a reasonably full (but not wordy) account of yourself on a separate sheet in the following areas. Do not omit any question unless it does not apply to you. When finished, please sign the statement under item #8, attach your additional pages to this sheet and send it to the Andrews University Graduate Admissions Office with your application.

1 WORK HISTORY—Please list the places where you have worked, the positions you have held, and types of work you have done. Give beginning and ending dates. Are you an ordained minister? If so, give the date of your ordination.

2 FAMILY—Describe your immediate family: spouse’s interest and/or career, number and ages of children, if any. How do your spouse and other family members feel about your proposed work as a minister and their role in relationship to it? Have you ever been divorced? If so, how might that affect your ministry?

3 PERSONAL DEVELOPMENT—Reflect upon the events and relationships that have been significant to you and the impact of these on your development. Describe your personality and people relationships as you see yourself. Describe your health and your previous educational experience. Have you ever been convicted of a violation of the law? Explain.

4 RELIGIOUS EXPERIENCE—Have you accepted Christ as your Saviour? When? What led to that decision? Are you baptized? If so, when? Where is your church membership? Describe the degree of commitment that you have to the Seventh-day Adventist beliefs and lifestyle. Describe your devotional habits.

5 CALLING TO LEADERSHIP MINISTRY—Do you believe you have been called to the ministry? To what kind of ministry? What would you identify as the evidences that you have been called? How certain are you of your calling to ministry? Describe ways that you have been active in leadership in a local church or religious organization. Briefly describe any ministerial or evangelistic activities that you have carried out and the results that you saw from your efforts. What do you believe will be your strength in ministry and what might be your greatest challenge?

6 GOALS IN RELATIONSHIP TO THE MDIV PROGRAM—What are your impressions of the MDiv program at the Seminary and your expectations of it? Is your coming required or by choice? If required, by whom? What are your primary reasons for seeking a MDiv degree? What do you see yourself doing five years from now? What are your ultimate career goals? If you wish to take MDiv courses but are not planning to enter pastoral ministry, please explain.

7 ADDITIONAL REFERENCES—List names, phone numbers, and addresses of additional individuals who know you, or with whom you have worked.

8 SIGNATURE—I affirm that I have prepared the attached history and statement, and that it is true and accurate to the best of my understanding.

EVALUATION INFORMATION

The Sixteen Personality Factor Questionnaire (16PF) is a highly respected means of evaluating personality and is widely used in business and industry to select those applicants for employment who are best suited for particular occupations.

The Seminary has used the 16PF for many years to help assess how well suited students appear to be for the professional duties and responsibilities within ministry.

Some individuals who, in this way, have discovered that they were not well suited for pastoral ministry have found other satisfying avenues of ministry through the insights provided by their test results.

Completion and submission of the test is a required step in the application process, but the test results are not the sole basis for acceptance decisions.

PLEASE READ THESE INSTRUCTIONS CAREFULLY

There are three simple steps which you are asked to take in order to expedite the processing of your application.

1. Provide the information requested at the bottom of this form.

2. To cover the costs of testing, attach your payment of $20.00 (U.S. Funds) to this sheet and return it to the Andrews University Graduate Admissions Office. Make your check payable to Andrews University. NOTE: You may include this amount with your $40 application fee.

3. When you receive the personality evaluation, follow the directions carefully and return the completed test as instructed.

Your application for admission to the Seminary will only be processed to completion after your test responses have been received.

ABOUT THE PROCEDURE

After your application and testing fee have been received, a message will be sent to your email address with directions about how to take the test on the internet. Clear directions will be provided to assist you to complete the computerized test. When your completed test has been processed, a brief summary of your test results will be mailed to you.

INTRODUCTION

The InMinistry option is a unique opportunity for North American applicants to begin working on their Master of Divinity degree while remaining off-campus and in some ministry context. As such it differs in several respects from the normal on-campus delivery of theological education.

The InMinistry MDiv alternative allows seminarians to take coursework two years prior to their actual arrival on campus generating twelve academic credits per year through extension intensives and internet courses. Distinguishing features of the pre-campus InMinistry program include annual thematic course progression, post-class application and portfolio development, an emphasis on cohort collegially, and participation in an intentional mentoring relationship. At the end of these two years, students arrive on the campus of Andrews University, for approximately eighteen months, and finish the remaining coursework for the Master of Divinity.

QUALIFICATIONS

Students desiring entrance into the InMinistry program must meet the usual Master of Divinity requirements as found in the Andrews University Bulletin. Though not required for InMinistry students, the following criteria are encouraged in order to stay within the eighteen months on campus:

- Be a graduate of an Adventist College/University with an earned BA in theology
- Be able to pass the usual requirements for biblical languages, bible knowledge and church policy
- Be committed to the personal discipline necessary for off-campus theological education
- Be determined to remain in a mentoring relationship during pre-campus portion
- Be resolved to excel in spiritual, personal, and professional growth
- Be willing to incorporate InMinistry theological learning in one's local ministry context

APPLICATION PROCESS AND FURTHER INFORMATION

Application for the InMinistry option follows the same process as that for the traditional on-campus program. Students admitted into the Master of Divinity program and the InMinistry option must attend the respective orientation session on the campus of Andrews University. InMinistry Orientation includes introduction to the concepts of the program, cohort bonding, and the first two classes Spiritual Formation and Doctrine of Salvation. Please refer to the information found in the pocket for appropriate dates.

**IMPORTANT INFORMATION ABOUT HOUSING, DEPOSIT PAYMENT, AND DEPOSIT REFUND—PLEASE READ CAREFULLY**

All single undergraduates under 22 years of age should plan on living in the residence hall, unless living full-time with parents in the community. Forms for community housing are available from the Student Services at 269.471.6686, and must be completed in person before financial registration can be completed.

Your residence hall application and a $150.00 (U.S. funds) room deposit must be received before your room can be assigned. Once housing is assigned, the deposit is forfeited if you fail to move in for the semester specified or do not cancel before the session’s deadline. Upon proper check-out, your deposit will be transferred back to your account. Before moving into the residence hall, you must be financially cleared to attend Andrew University. Please do this in Registration Central before the August 15 deadline.

The housing request indicates your willingness to accept all residence hall regulations. Read carefully and answer each question; write more if needed.

**NOTE:** This application can also be completed electronically in Registration Central once you have been accepted to Andrews University.

### IMPORTANT INFORMATION

**Advance Deposit:** Applicants attending the main campus from outside the United States (except Canada and Mexico) must make an advance deposit of $2,000. This deposit must be paid in cash. No university scholarships may be applied to pay the deposit.

**Deposit Allocation:** This deposit is not available to cover registration expenses; the deposit earns interest during the time the student is enrolled. The deposit plus interest is refunded when the student’s enrollment is terminated; alternatively, it can be used as partial payment for the final semester of registration. International students do not get a discount on their deposit when the deposit is used to pay tuition costs. International student deposits that have not been refunded within four years after the student reaches non-current status shall be transferred from the student’s international student deposit account to a quasi endowment account.

**Resource Verification:** Bank documentation as well as other forms of financial documentation are required to prove ability to support one’s educational expenses. This documentation must be sent to the university directly from the bank. Sponsors in the USA will be required to send a bank statement. In addition, the applicant must demonstrate adequate financial support for the duration of the program for which (s)he is applying. Documents may be faxed to the Int’l Coordinator at 269.471.6099.

**I-20 Form:** Once the deposit and resource verification are received and accepted, the university authorizes the International Student Services Office to issue the I-20 Form for the purpose of securing a United States student visa.

**FINANCIAL RESPONSIBILITY:** The following statement must be signed prior to acceptance.

I understand that all basic charges for each semester of attendance at Andrews University are payable in full at the time of registration for that semester. I will be responsible for and do hereby agree to pay promptly all charges. I understand that the terms are cash at the time of registration or at such other times as approved by the University, and that if any charges remain unpaid thirty (30) days after I cease to be a student at the University, a carrying charge of one percent (1%) per month will be added to all unpaid balances on my account. The University holds a security interest in the nature of lien against my transcript and other documents of record until the account is cleared. I further agree to pay reasonable costs of collection including attorney's fees.
