**Subject:** Registration for Library Access - Summer Semester 2018

Estimados estudiantes,

Este mensaje contiene la importancia y los beneficios de registrarse al curso de *Continuación del programa [IDAS655] (Program Continuation)*

- 1) Registrarse a este curso mantendrá su acceso a la biblioteca electrónica;
- 2) Registrarse a este curso lo mantendrá listado como alumno activo en el sistema de la Universidad, lo que significa que cuando usted se registre para otros cursos en el futuro, usted no recibirá la notificación de que usted no es elegible para inscribirse;
- 3) No hay costos, créditos o requerimientos asociados con este curso.

Instrucciones para como auto-registrarse como un estudiante a distancia están disponibles en <https://www.andrews.edu/grad/idp/resources.html>. Más abajo se encuentran detalles adicionales que ustedes necesitaran para completar el proceso de registro. Por favor prestar atención y solo registrarse para los cursos que necesitan y piensan tomar. Por favor ingresar el código CRN indicado ya que este asegurara que usted sea registrado a la clase correcta. **Por favor use el código CRN proveído, no busque el código en el sistema.**

**Semestre: Summer 2018 (Verano 2018)**

Nombre del curso: Program Continuation (Continuación del programa)

Acrónimo: IDAS 655-031

**CRN: 900**

La fecha límite para inscribirse a este curso es 14 de mayo de 2018. No espere, regístrese hoy mismo. Si tiene dificultades, por favor háganoslo saber para que podamos ayudar a solucionarlos mientras que todavía hay tiempo.

Por favor también tomar en cuenta que para poder registrarse a estos cursos usted debe haber completado el proceso de admisión al programa. Si usted tiene admisión regular, no debería tener ningún problema. Si usted tiene admisión provisional, usted no podrá registrarse si ya ha pasado más de un año desde que empezó el programa y no ha completado el proceso de admisión. Obtener admisión regular es muy importante para asegurar que usted pueda tener acceso a todos los recursos disponibles para terminar su maestría.

Si ya se ha registrado para **uno o más** de los cursos enumerados abajo, entonces no necesita inscribirse en el curso de continuación del programa descrito anteriormente. Estar registrado para cualquier clase de cada semestre también proporcionará los beneficios de estado activo y biblioteca.

**Subject:** Registration for Library Access - Summer Semester 2018

Hello Scholars!

This message is concerning the importance and benefits of registering for *Program Continuation (IDAS655)*.

- 1) Registering for this course will maintain your access to the James While Library;
- 2) Registering for this course will keep you listed as an active student in the University's computer system which means that when you register for other courses in future semesters, you should not receive the notification that you are not eligible to enroll;
- 3) There are no costs, credits, or requirements associated with this course.

Instructions for self-registration as an off-campus student are available at <https://www.andrews.edu/grad/idp/resources.html>. Below are additional details you will need to complete the process. Please be careful to register for the specific course shown below. Please enter the CRN as shown below and this will select the correct course for you. Please do not search for the course; rather, use the CRN provided.

Semester: **Summer 2018**

Course Name: Program Continuation

Acronym: IDAS 655-031

CRN: **900**

The deadline to register for this course is **14 May 2018**. Don't wait, register today. If you have difficulties, please let us know so we can help solve them while there is still time.

Please also note that to be registered for this course, you must have completed your admission process. If you have Regular admission, you shouldn't have any difficulties (unless it has been more than two semesters since you registered). If you have Provisional Admission, you will be blocked if it has been more than one year since you began the

program. Obtaining Regular Admission is highly important to ensure that you have access to all the resources that you require to complete your degree.

If you have already successfully self-registered for one or more of the Summer 2018 Semester courses listed below, then you do not need to register for the Program Continuation course described above. Being registered for *any class each semester* will also provide library and active status benefits.
