Hello Scholars!

This message is concerning the importance and benefits of registering for Program Continuation (IDAS655).

1) Registering for this course will maintain your access to the James While Library;
2) Registering for this course will keep you listed as an active student in the University’s computer system which means that when you register for other courses in future semesters, you should not receive the notification that you are not eligible to enroll;
3) There are no costs, credits, or requirements associated with this course.

Instructions for self-registration as an off-campus student are available at https://www.andrews.edu/grad/idp/resources.html. Below are additional details you will need to complete the process. Please be careful to register for the specific course shown below. Please enter the CRN as shown below and this will select the correct course for you. Please do not search for the course; rather, use the CRN provided.

- Semester: **Spring 2020**
- Course Name: Program Continuation
- Acronym: IDAS 655-001
- CRN: **1311**

If you have already successfully self-registered for one or more of the Spring 2020 Semester courses listed below, then you **do not need** to register for the Program Continuation course described above. Being registered for any class each semester will also provide library and active status benefits.

- Online (English): Applied Statistical Methods IDAS613-998 (CRN: 1312)
- Online (English): Development Research Methods IDAS623-998 (CRN: 1313)
- Online (Spanish): Financial Analysis & Reporting ACCT625-998 (CRN: 1314)
- Online (Spanish): Organizational Behavior & Leadership BSAD515-998 (CRN: 1315)
- Togo “Online” (French): Financial Analysis & Reporting ACCT625-121 (CRN: 1316)
- Togo “Online” (French): Organizational Behavior & Leadership BSAD515-121 (CRN: 1317)

The deadline to register for the Program Continuation course is **06 January 2020**. Don’t wait, register today. If you have difficulties, please let us know so we can help solve them while there is still time.

Please also note that to be registered for this course, **you must have completed your admission process**. If you have Regular admission, you shouldn’t have any difficulties (unless it has been more than two semesters since you registered). If you have Provisional Admission, you will be blocked if it has been more than one year since you began the program. **Obtaining Regular Admission is highly important to ensure that you have access to all the resources that you require to complete your degree.**
Please let us know if you have any questions.

Kind regards,

Rodrick
