

Andrews University Commencement Weekend

Howard Performing Arts Center
Berrien Springs, Michigan
August 5–7, 2022

Inclusion of a candidate's name in this commencement booklet may not be used as evidence of having completed the requirements for the degree for which he/she is listed. An official list of graduates will be posted on the Andrews University website.

SPECIAL MESSAGE TO GRADUATES

Dear Graduates,

The last few years have presented new challenges to you. Learning has been different; community has had to be formed in new ways; we have all had to discover new ways to do old things, and creative ways to do what is new. But you have succeeded! All of us at Andrews University are proud of you. I am proud of you.

We are particularly proud of your achievement in reaching this point of graduation. You have faced challenges with courage and determination. You have grown academically and personally. You have also shared with us your story, your lives. That has been a gift to us and we are the better for having had you as a student at Andrews University.

Thank you too for engaging with us as a community of faith. The journey of faith means constant learning as we deepen our understanding of the gospel. You have done that alongside us, and our hope is that as you graduate you do so with a deepened commitment to your God and to being an active part of a faith community.

I want to thank you too for being a class that has taken to heart the phrase, World Changers Made Here. I have seen the way you have made a difference already: to this campus community, to the local community and to the world. I know you are poised to continue with that same commitment. World Changers for a changing world.

I would leave with you two texts that as President I seek to live by daily:

“He has shown you, O mortal, what is good. And what does the LORD require of you? To act justly and to love mercy and to walk humbly with your God.” Micah 6:8

“Beloved, let us love one another, for love is of God; and everyone who loves is born of God and knows God. He who does not love does not know God, for God is love.”

I John 4:7,8

Blessings to each of you!

PRESIDENT'S CHARGE

Graduates of Andrews University, you now start a new chapter in your personal and professional life. I would ask you to approach this particular chapter with clarity of purpose and commitment to values and faith that represent Andrews University, your alma mater. As a University we claim, "World Changers Made Here." You are now poised to show the truth of that claim.

While at this University you have engaged with your faculty and staff who have chosen to be both Christians and exemplary professionals. They have invited you and your peers to consistently live out your faith with relevance and integrity. They have encouraged you to reach the highest goals academically and professionally. And, today, I ask you to embrace the opportunities and challenges that await you with passion and conviction. Carry with you the best of all that you have learned here and use your increased knowledge and skills to add meaningful quality and spiritual significance to this world.

You leave here with a degree but this is certainly not the end of your learning. Continue to seek honestly for the truth. Desire to keep learning more of God's kingdom. Search for opportunities where you can bring freshness, healing and creativity. Advance your profession with enthusiasm and integrity. Live with warmth, compassion and energy. With all this, always remember to be still and hear the gentle guiding whisper of God.

So I charge you, as graduates of Andrews University, to live by these values and ideals. And may the love of God, the grace of our Lord Jesus Christ and the fellowship of the Holy Spirit go with you always.

HONORARY DEGREE—AUGUST 2022

Surangel S. Whipps Jr.

Candidate for Honorary Degree **Doctor of Laws**

Surangel S. Whipps Jr. was inaugurated as the 10th president of the Republic of Palau in 2021. He has exemplified a commitment to the Palauan people throughout his life and has worked to put their needs first during his presidency.

Whipps was born in Baltimore, Maryland, the eldest of four children, to Rekemesik Surangel and Marilyn Whipps. At age 4, his family returned to Palau and it became his home. His early life was dedicated to his family's business, Surangel and Sons Company, which provides goods and services throughout the islands. He went on to become CEO and president, leading its expansion from a one-floor store with 50 employees to a diversified company that now employs over 600 people.

Surangel Jr. obtained a Bachelor of Science in business administration from Andrews University and an MBA from Anderson Graduate School of Management at the University of California, Los Angeles (UCLA).

Whipps has served on various community and non- and semi-governmental organizations, growing his broad knowledge and vision for the Palauan nation. His first position within the national government was as special assistant on economic matters and foreign policy to the late President Ngiratkel Etpison.

Beginning in 2009, he was appointed senator in the 8th and 9th Olbiil Era Kelulau (OEK, Palau National Congress). Throughout his two terms, Whipps advocated for policies that promoted and protected the best interests of his people, pushing for transparency and accountability in the delivery of government services. He is best known for spearheading a bill that became law to increase minimum wage throughout the country.

In 2021, Whipps won the presidential race with a vision of improving the quality of life and happiness of the Palauan people. His slogan, "A Kot a Rechad er Belau" (Palauan People First) originated with his father, Rekemesik Surangel Whipps, who inspired his advocacy for the conservation and transformation of Palau. One of Whipps' policy priorities as president is the development and promotion of human resources. His goal is to foster the Palauan economy, while also protecting the natural environment.

As a Seventh-day Adventist, Whipps has intentionally maintained the tenets passed on to him by his parents, prioritizing a Christ-centered home, time with his family, and the values of hard work and educational achievement. He is active in his local church as head elder and serves as a member of the Palau SDA School Board, the Executive Committee of the Guam Micronesia Mission and the Guam SDA Clinic. Whipps married Valerie Esang Remengesau in 1999 and they are proud parents to three daughters, Moded, Ultei and Ngederong, and a son, Surangel Arthur.

For his faithful Christian commitment and his innovative and ethical leadership of the Republic of Palau, Andrews University takes great pleasure in honoring Surangel S. Whipps Jr. with the degree Doctor of Laws, *honoris causa*.

Academic Regalia

Andrews University adheres to the academic costume code for universities in the United States, initially drafted in 1885 and revised in 1932. A committee on Acetonic Costumes and Ceremonies, appointed by the American Council on Education, has, on different occasions, reviewed the costume and made several significant changes.

The gown for the associate degree is gray in color and styled the same as a bachelor's degree gown. The gown for the bachelor's degree has pointed sleeves. It is designed to be worn closed. The gown for the master's degree has an oblong sleeve, open at the wrist. The gown is designed to be worn open or closed. The gown for the doctoral degree has bell-shaped sleeves. It is designed to be worn open or closed. These gowns are usually black, but the Andrews University doctoral gown is dark blue and trimmed in black velvet with the University seal on the left lapel near the top.

The length of the hood worn for the bachelor's degree, if one is used, is three feet; for the master's degree, three and one-half feet; and for the doctoral degree, four feet. The hoods are lined with the official color or colors of the college or university conferring the degree. The Andrews University hood is lined with dark blue and gold. Inasmuch as members of the Andrews University faculties hold degrees from a large number of colleges and universities, space does not permit identification of each.

The colors of the velvet borders associated with the different fields of learning for degrees and adopted by Andrews University are as follows:

Agriculture	Maize	Library Science	Lemon
Architecture	Blue Violet	Medicine	Kelly Green
Arts, Letters, Humanities	White	Music	Pink
Business	Drab	Nursing	Apricot
Dentistry	Lilac	Philosophy	Dark Blue
Economics	Copper	Physical Education	Sage Green
Education	Light Blue	Physical Therapy	Teal
Engineering	Orange	Public Health	Salmon Pink
Fine Arts	Brown	Science	Golden Yellow
Journalism	Crimson	Social Work	Citron
Law	Purple	Theology, Ministry	Scarlet

At Andrews University undergraduate candidates wear hoods. They also wear cords or medallions signifying that they are members of a National Honor Society and graduating with honors. The identifying colors are as follows:

Graduating with Honors	Gold, blue and white cord
Graduating with a Cumulative GPA of 3.50 or Better	White cord
Member of a Departmental National Honor Society	Red cord
Member of Phi Kappa Phi	Medallion on blue ribbon

The designation "J.N. Andrews Honors Scholar" signifies completion of the J. N. Andrews Honors Program's Scholars' Alternative General Education Studies curriculum, submission of a senior Honors Thesis, and achievement of a 3.5 overall GPA.

Summa Cum Laude, Magna Cum Laude or Cum Laude means an undergraduate student has the following minimum overall GPA earned on the A, B, C, D, F scale (A=4).

Summa Cum Laude	3.90–4.00
Magna Cum Laude	3.75–3.89
Cum Laude	3.50–3.74

Additional cords, medallions and stoles worn at Andrews University ceremonies are as follows:

Andrews University student missionary/task force workers	Silver cord
Military service	Red, white and blue cord
Undergraduate Leadership certificate and minor graduates	Randall Leadership Medallion
University-approved cultural stoles	See page 35 for a complete list
Senior Philanthropy Medallion for philanthropic contribution to the Class Gift	University seal medallion

The Society of Andrews Scholars Undergraduate Honors Program

Membership in the Society of Andrews Scholars requires a minimum grade point average of 3.33, completion of the J.N. Andrews Honors Program's Scholars' Alternative General Education Studies curriculum, and submission of a senior Honors Thesis. Those students who meet the previous criteria and attain an overall GPA of 3.5 earn the additional designation "J.N. Andrews Honors Scholar." The designation "J.N. Andrews Honors Scholar" reflects an undergraduate student's dedication to independent scholarship, interdisciplinary study, the integration of faith and learning, and abiding intellectual curiosity. Each scholar is expected to display the same pioneering spirit as John Nevins Andrews (1829–1883)—scholar, theologian, missionary and third president of the General Conference of Seventh-day Adventists—who provided the name for this university and the ethos invigorating its mission. A statue of Andrews and his family stands just outside Pioneer Memorial Church.

Undergraduate Leadership Certificate and Minor

Undergraduate Leadership helps students identify their unique strengths and hone their abilities to make a difference. The certificate is a concentrated curriculum that allows students to clarify their contribution to the community. The minor builds on the certificate by diving deeper into the mechanics of leadership. Students engage in a leadership practicum, receiving mentoring, accumulating a knowledge base, and designing a growth plan. With a change project and portfolio in hand, they enter the workforce with the confidence and skills to contribute to the "legacy of leadership" of J.N. Andrews.

The Randall Leadership Medallion is awarded to students who have completed the academic requirements and embody the characteristics represented by the symbols on the medallion.

The Lion and the Lamb—*Spiritual Leadership, Courage, Servanthood*

The Spyglass—*Intentionality, Vision, Leadership Capacities*

The Oak Tree—*Continual Growth of Character, Legacy*

Student Missionaries and Taskforce Workers

Andrews University is pleased its legacy instills the value of service in the current generation. These young people are not content with the status quo and believe change can occur through the courage and hard work of an individual. Many students are now planning a gap year of service as part of their college education. They are called "student missionaries" or "task force workers" but ultimately they are volunteers following a higher calling. Taking a year off, putting their academic program, social life, career plans and relationships all on hold is not an easy choice or one to be taken lightly. This is a path paved with character-building challenges.

We wish to thank them for their spirit of service and know that those moments have changed not only their own but the lives of those they served. (Volunteers are wearing silver cords.)

May the LORD bless you and keep you; The LORD make His face shine upon you, and be gracious to you; The LORD lift up His countenance upon you, and give you peace.

GRADUATION DECORUM

We request your cooperation in refraining from applause until all the names in a division are called.

This will insure that each candidate's name is heard, and by not applauding individual candidates we protect from embarrassment those for whom no one might be available to applaud.

The college deans will indicate when it is appropriate to applaud.

SUMMER GRADUATION LIVE STREAM & VIDEO

Family and friends who are not able to attend the main graduation services can watch live at andrews.edu/livestream.

Professionally produced video of each service will also be available on the Andrews University YouTube channel after the services: andrews.edu/go/youtube.

Class Gift 2022

The Senior Class of 2022 proudly presents our senior class gift to the Andrews University community via our partnership with Bird. Founded in 2017 by a former executive of Lyft and Uber, Bird is an electric scooter company that provides an on-demand, dockless electric scooter service. Riders can find and rent electric scooters with their smartphone app and drop off at almost any safe site near their destination. Riders utilize in-app maps to locate an electric scooter and reserve them for safe and environmentally-friendly transportation.

Partnering together with Bird, the Senior Class of 2022 endeavors to better connect students with the surrounding communities of Berrien Springs and Oronoko Township. Bridging the gap between traditional public infrastructure and private transportation, students will be able to zip to and from their destination, whether that be from class to class or downtown Berrien Springs. With this class gift, we hope to boldly embody our school motto, "World Changers Made Here."

Program Notes

The Processional

Regalia: A Grand Processional on DIADEMATA, by Kenneth Logan, professor of music, received its premiere presentations at the Andrews University spring 2001 commencements. University President Niels-Erik Andreassen commissioned *Regalia* in August 1999 for use in University commencements. Its title draws inspiration both from the traditional “regalia” garments of commencement services and from a hymn text associated with the hymn tune on which the composition is based. DIADEMATA is that grand melody graced by the regal words, “Crown Him with many crowns, The Lamb upon His throne; Hark! How the heavenly anthem drowns, All music but its own!...” (*Seventh-day Adventist Hymnal*, No. 223)

Thus, on this ceremonial occasion the organ processional evokes this surpassing context—the resplendent coronation of Jesus Christ—in which all earthly ceremony pales by comparison. In keeping with University tradition, *Regalia* provides distinct fanfares before the processions of graduates, faculty and president’s party. In the remaining sections the emphasis falls on transformations of the DIADEMATA melody.

STATEMENT OF MISSION

Andrews University, a distinctive Seventh-day Adventist Christian institution, transforms its students by educating them to seek knowledge and affirm faith in order to change the world.

Andrews University students will:

SEEK KNOWLEDGE as they

- Engage in intellectual discovery and inquiry
- Demonstrate the ability to think clearly and critically
- Communicate effectively
- Understand life, learning, and civic responsibility from a Christian point of view
- Demonstrate competence in their chosen disciplines and professions

AFFIRM FAITH as they

- Develop a personal relationship with Jesus Christ
- Deepen their faith commitment and practice
- Demonstrate personal and moral integrity
- Embrace a balanced lifestyle, including time for intellectual, social, spiritual, and physical development
- Apply understanding of cultural differences in diverse environments

CHANGE THE WORLD as they go forth to

- Engage in creative problem-solving and innovation
- Engage in generous service to meet human needs
- Apply collaborative leadership to foster growth and promote change
- Engage in activities consistent with the worldwide mission of the Seventh-day Adventist Church
