Edwin R. Thiele Papers (Collection 89)

Scope and Content:

Edwin R. Thiele (1895-1986) was a missionary in China, editor, archaeologist, writer, and Old Testament professor. A native of Chicago, he graduated from Emmanuel Missionary College in 1918 with a B.A. degree in ancient languages. After two years of work as home missionary secretary for the East Michigan Conference, he left in 1920 for mission service in China. During his 12-year work in China, he was an editor and manager for the Signs of the Times Publishing House in Shanghai.

After returning to the U.S., Thiele received an M.A. degree in archaeology from the University of Chicago in 1937. He then joined the religion faculty of Emmanuel Missionary College, while continuing his doctoral work at the University of Chicago. He obtained a Ph.D. degree in biblical archaeology in 1943. His doctoral dissertation, later published as *The Mysterious Numbers of the Hebrew Kings*, is widely regarded as the definitive work on the chronology of Hebrew kings. After retiring from teaching in 1965, he moved to California where he continued to write. He died in St. Helena, California in 1986.
