Dear Center for,

Below you'll find this month's store highlights.

It's October, and here at 3ABN the colors of autumn are starting to appear. The colors often make me think of a statement by Ellen White that as Christians we should share truth-filled materials "like the leaves of autumn." Just as the wind carries the leaves to every place, so the Holy Spirit moves on people today to share truth. We hope these books and DVDs will be a blessing to you, and as the Lord gives you opportunity, you will pass them along to others.

Warm regards,

Greg Morikone, Call Center Manager

**Dare to Follow**

This is the companion booklet for the *Ultimate Purpose* series, airing on 3ABN, October 11-13, 2012. It is written for college-age young adults.

The goal of this book is simple: to provide you useful answers to your biggest questions about life and about God, answers that will help you make the most important decisions in your life -- about money, church, career, family, and relationships -- with sure footing and courage. Yes, we live in a frightening world that moves blindingly fast and often leaves us feeling confused and empty ... and without purpose. But this is also an exciting time of life. In fact, we think you have a life full of great expectations -- and, even better, it can be a life...
unmarred by the typical fears, hang-ups, and doubts that plague most people. That's worth a short read like this book, right?

So how will you make these critical decisions? What will be the source to light your pathway? This book gives you the opportunity to discover your light and your purpose by answering four critical questions: What is truth? How did we get here? Why is there evil? And where am I going? We've asked spiritually minded leaders -- Doug Batchelor, Ivor Myers, Jonathan Henderson, and David Steward -- who have faced these questions in their own lives to give you real, honest answers and to share their own journeys, providing advice that will help you find the deeper purpose of your life, the one that will satisfy your heart, mind, and soul beyond all others. When you learn that, you can take your life and place it where it belongs ... and then all you have to do is Dare to Follow your ultimate purpose!

**The Family of God Under Siege**

We are living during the time of God's final judgment of Planet Earth. As the rivers of our moral world, swollen and muddy from six thousand years of sin, rush wildly toward the precipice of eternal ruin, we too seem to be mesmerized by the tantalizing sound of the swirling waters and can't seem to resist. Fortunately, as most of the viewers of the beautiful Vernal Falls respected the protective barriers, so God has a people even now who recognize the true original beauty of the river and choose to relish in that beauty for all eternity.

This book is all about recognizing those protective barriers, to avoid the tempting pitfalls the devil has so cunningly placed to ensnare and drag us into the swirling dark rivers to hell and destruction.

95 pages, Paperback.
