Dear Center for,

From the very beginning I promised the Lord that I would not beg for money, borrow money, or do anything like a Praise-a-thon -- and I haven't. I told the Lord that I didn't know where the money would come from for this ministry to move forward, but that I could only develop the ministry as He provided the funds. That is still true today.

Jim Gilley tells me that he's sleeping much better these days as he has turned the financing of things here over to the Lord completely. He says he's tried before, but always seemed to hold on because he was concerned-and that kept him from getting any sleep at night. Jim says he now realizes the ministry must be led by "the Spirit," and "not by the flesh," meaning in our strength.

We praise the Lord that over the years the donations to 3ABN have been consistent, and that the Lord has helped us to grow from one television channel -- 3ABN English -- to 3ABN Latino, 3ABN Dare to Dream Network, 3ABN Proclaim, 3ABN Russia, and the children's channel we call SonBeam. That's six television channels and networks -- and two radio networks -- each reaching a different language, age group, or culture.

However, the cost of everything has gone up, as well. I heard on the radio today that the cost of peanut butter has gone up 30 percent! And the cost of television production equipment is certainly gone up, as well.
We thank the Lord that we’ve gotten 20 years of service out of equipment that was only supposed to last five to seven years. But now technology has changed so much that we must make expensive purchases.

Chances are that the computer, telephone, or any other electronic equipment you bought 20 years ago has long since been discarded. We can no longer buy parts for cameras or recorders manufactured back then, and today’s technology is all digital and tapeless. We have to make these changes in order to continue sending the gospel around the World.

Your faithfulness saw us through the long hot summer of 2012. As the Holy Spirit impresses you, please continue to support 3ABN's ministry. I know our Lord has blessed you in the words of Ephesians 3:20, which I quote to you often: "Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto Him be glory in the church by Christ Jesus throughout all ages, world without end. Amen."

Your brothers in Christ,

Danny and Jim
