Dear Center for,

When the dream came in 1984 to build a television station to proclaim the three angels' messages of Revelation 14 around the world, it was a task Danny Shelton knew he could not accomplish using human strength. But just like David said, as he took the fight to Goliath in the Valley of Elah, "The battle is the Lord's." Truly, it was not "with sword and shield" that David went to battle, but with the assurance that God was with him.

On Sabbath, November 23, at 4:00 p.m. Israel Time (8 a.m. U.S. Central Time), a modern day David named Danny Shelton will launch an assault with his 3ABN team against the forces of evil from that same valley, where our largest satellite provider beams our message around the world by satellite and fiber optic cable. Please do not miss this program, which will be shown at the following times:

- **3ABN**: 8:00 a.m., 3:00 p.m., and 8:00 p.m. Central.
- **3ABN Proclaim**: 11:00 a.m., 5:00 p.m., and 10:00 p.m. Central.

The Great Controversy Battle between Christ and Satan will soon reach its climax, and King Jesus will be victorious! We've chosen November 23, the anniversary date of our first network broadcast, as a *special time of commitment* to pull out all the stops and join with our Lord in proclaiming His last-day message to the world!

Although David defeated the giant, **it took all the forces to put the Philistines to flight-and God's people all took part in the victory.** In the same way, we must all enter the battle together. There is a place for all of us to join with the Lord in the victory!
How amazing it is that our satellite provider, RRsat, is located in the Valley of Elah with 102 satellite dishes pointed to the sky! At our recent 3ABN Homecoming Camp Meeting we made a faith commitment to send 3ABN Russia through RRsat to a satellite that covers 200 million people who live in the former Soviet Union. The cost is $25,000 per month, and we do not have that money in our budget. Nor do we have the money for the new India satellite, but we've made these commitments nonetheless with God's assurance that He is standing with us!

Counting other steps we are taking by faith, we are increasing our overall budget by nearly 20 percent, and we're praying that you will increase your monthly gift by 20 percent. In other words, if you normally give $10 per month, would you increase that to $12? Or if you give $100, would you increase your gift to $120? Of course, if you're thinking about a special, one-time, large gift, this would be a great time to do it!

Clicking the Donate button below tells us that you are also standing with us in this faith endeavor! Thank you for your prayerful commitment between now and November 23. Join us in praying for a great victory for our Lord!

Keep on with Jesus,

Jim Gilley, Danny Shelton, and the entire 3ABN Team
