Dear Center for,

Please join us for a special service of rededication, as we bring you a live broadcast from the Valley of Elah, the site of David's historic defeat of Goliath. David declared, "The Battle is the Lord's," and, even though he was slinging the stone, he knew it was God who gave the victory. We are excited to share with you some exciting announcements as we bring you live coverage from the very valley where God gave the victory, so many years ago!
As I am writing this, we are leaving for Israel, and what a thrill it will be -- either in person or watching on TV -- to see Julia Outkina join Danny Shelton as they throw the switch that will turn on the new satellite which covers the former Soviet Union with the Three Angels' Messages, twenty-four hours per day! This is a dream they both have shared since 1992. 3ABN Russia has produced programs for the internet and individual stations all over Russia, but now through the miracle of satellite, the truth of God's Word will be available for those with receivers to get the message directly -- and for cable networks all over the former USSR to add the programming to their lineup.

John Carter is planning to join us by remote broadcast and we look forward to his inspiring message of encouragement. We will also hear from Dr. Allen Lindsay; Lincoln Steed, editor of Liberty magazine; and others as they share what God is doing to spread the gospel around the world.

So, please invite your friends to watch 3ABN's special live broadcast from the Valley of Elah, and join with us as we rededicate ourselves to the great task of taking the gospel of Jesus Christ to the whole world! We will be coming to you live at 8:00 am CT on Sabbath, November 23, 2013. The program will repeat at 3:00 pm and 8:00 pm Central, as well. Urge your friends through social media to tune in and watch. We're hoping for this event to be the largest watched broadcast in the history of 3ABN!
Keep on with Jesus,

Jim Gilley
