Dear Center for,

3ABN is happy to announce another special broadcast of its popular Anchors of Truth series. "One in the Messiah" will be broadcast live January 8-11 from Plantation, Florida, and will also include a special two-hour Night Light program.

"At last year’s ASI Convention, 3ABN president, Jim Gilley, and I spoke with pastors Alex Schlussler, Jeff Zeremsky, Sasha Bolotnikov, and Ralph Ringer," says C.A. Murray, 3ABN production manager. "We recognized their desire to highlight the common roots of the Christian and Jewish faith, and their strong wish to sensitize the Christian community on how to meet and socialize with the Jewish community in redemptive, nonjudgmental, and non-confrontational ways.

"We believe the Lord brought these things together," he continues, "and that the common thread that unites all these needs was the Messiah, Himself!"

Please pray for these outstanding programs, and please tell your friends! God is eager to pour out His blessings on you!
