Dear Center for,

I can't tell you how much we look forward to the second hour of our 3ABN Today Live program on Thursday nights. It's a wonderful chance to interact with you and take your questions and comments!

But let me tell you about our live program this week. We had originally planned to focus on our Lord and our God on a program we called, "Show Me the Father." However, we've decided to broaden the topic to include any biblical question you may have. Because of this, we're going to expand the question period to both hours, making this a very special Bible Answers program!

We want to make sure we can take as many questions as possible, so we invite you to e-mail them to us in advance. Just send your Bible question to us at live@3abn.org. We'll still take your questions during the program, of course, but we'll answer the ones you send us first.

If you'd like your name to be mentioned on air, please make sure you include it. Of course, if you don't want your name mentioned, please indicate this, as well.

We're anticipating a wonderful night of blessings as we study the Bible together!
Keep On Keeping On with Jesus!
