Dear Center for,

Danny and I talked today and decided to write you another letter together. We've been so thankful for our viewers' response to the letters we've collaborated on, and we're thrilled that the Holy Spirit has inspired so many of you to support this ministry. We're coming down to the end of the year, though, and we're running a little more behind budget than is usual.

Several special circumstances have affected this ministry's income. One of these has been the terrific drought in the Midwest. Some of our most faithful supporters are farmers who had smaller corn and wheat yields this year because of the lack of rain. One farmer told me this week that he'd made a special commitment to the Lord, but had lost his corn crop. However, he planted soybeans in July and the Lord gave him a good yield-in spite of the drought-and he was very happy to be able to give the Lord what he'd hoped to, after all! So we have faith to believe that December will be a strong month of support for God's television network as we continue to preach His Word around the world.

The great majority of our viewers and listeners are giving sacrificially, and we appreciate you so much. Some of you in higher tax brackets may use the tax deduction you receive to be even more generous to God's work than you could be otherwise. If you are in this group, you are aware that these deductions are in question with the tax changes coming after January 1, 2013. A special gift now to 3ABN may have very positive tax consequences.
that may not be there for long.

Someone contacted us recently to ask if he could give stock he'd purchased years ago, without selling it first. The answer was yes, and if you'd like to contribute stock without creating income, but still receive a deduction, please call us at 618-627-4651 and ask for Roy Hunt or Brian Hamilton.

As we come to the end of the year Danny and I will be squaring up with the Lord and making sure we have returned to Him a portion of the blessings He has given to us.

What about you?

Keep on with Jesus,

Jim Gilley                      Danny Shelton
