Dear 3ABN Partner,

Thank you for thirty years of support of Three Angels Broadcasting Network. I had absolutely no money when the dream came to build a station to reach the world with the undiluted Three Angels Message. The proof to me that this came from Our Lord is that the Holy Spirit inspired you, who also caught the dream, and the Spirit encouraged you to support the use of Television and later Radio, to reach the world with God's Present Truth, you responded and the funds came, just in time!

Jim Gilley and I are sending you a complete end of the year report on the activities of 3ABN for the year 2014 and some of the plans for the future. But I wanted to write this short note to you just from me to say thanks for your prayers and financial support these Thirty years!

The miracles that we saw in the beginning were encouraging and faith building. Doors were opened miraculously! But even greater are the miracles I see today with this ministry! The expansion of Latino, Dare
to Dream, Proclaim, Kids Network, Russia, Australia and the ever expanding 3ABN Radio are each a miracle story!

We need another miracle right now. The expansions and technical upgrades you will read about in the year-end report were very expensive. While the Lord continues to bless our finances, because of these expansions, we are really stretched at this time.

We need a great November and December in order to end the year in the black. A few years ago we told you we needed $3 million by the end of the year and you responded to the need. With all our new and necessary projects going on, we once again are facing some huge financial needs. We are praying that you will respond to the nearly $3,000,000 once again needed by the end of the year to end us in the black.

Individuals all around the world, just like you, know people personally who have come to the Lord as a result of the ministry of 3ABN.

For your gift of $100 or more I will send you our new CD project entitled "Hallelujah, We're Home at Last!" being pressed right now as well as the popular CD, "Pillars Hymns".

Be sure to watch our 30th anniversary specials Thursday night, November 13 at 8:00 PM, Friday, November 14 at 7:00 PM, Saturday, November 15 at 11:00 AM and Saturday afternoon at 2:00 PM.

Again, thank you for thirty years of encouraging support. Let's wrap up our mission and truly be able to sing "Hallelujah, We're Home at Last!"
