The end of a remarkable teaching career is soon upon us. Alan Anderson joined the Andrews Academy faculty as an industrial arts teacher in 1970 and, at the end of this school year, (June, 2013) he will complete 43 years of service. For each of those 43 years, as he influenced the lives of countless students. Mr. Anderson has always conducted himself with integrity, dignity, and graciousness. Mr. Anderson will continue to serve through the end of this school year and you can look forward to an occasion during Spring 2013 when we will celebrate Mr. Anderson’s many contributions to Andrews Academy.

Sow Safari, Andrews Academy’s biennial two-week mission trip, has been an important part of Andrews Academy’s mission since 1986. The name, SOW Safari, speaks to the reason for these trips: Service through construction on a church or school building, Outreach through Vacation Bible Schools, and Witness through evangelistic efforts. To date, several hundred people have been baptized through the evangelistic component of these trips, including some of the students themselves!

Two years ago, a group of AA students gave a good portion of their Christmas holiday to build a church and conduct Vacation Bible Schools in La Barra, Mexico. This Christmas holiday a group of students will be going to Falakata, India to construct several one-day churches and outreach with vacation Bible schools.

Please continue to pray for Andrews Academy, specifically keeping this SOW Safari mission trip in prayers as the details of this trip develops. Many students were looking forward to helping others to make a change in other people’s lives. Please be praying that when they reached out and help others for Jesus that their own lives experience a great change as well.

If you are being impressed to help with a financial contribution for this mission trip please contact the school with your gift (tax receipt provided). Several students are still needing to raise funds for this mission trip we encourage you to help these students raise their goal.
Pastor Glassford presented the chapels this week. He often has illustrations during his talk, such as this top grade crystal used for optics during World War I. Seeing things clearly is important. However clarity implies you know what to do with what you are seeing. “Whether you turn to the right or to the left your ears will hear a voice behind you saying, “This is the way; walk in it.” Isaiah 30:21

Thank you to the student song leaders for the daily blessing as you lead out in praise.
One of the things we want our students to learn during the Christmas season is the spirit of giving. The SA Children’s Christmas Party is designed for this purpose. Andrews Academy students signed up in groups of 2 - 4 to sponsor a child for the Christmas party. Various children from the community are invited for this evening. The children really enjoyed their evening with their newly made academy friends. Thank you Ben VanderWaal for being a wonderful “Santa Claus”. Everyone knew that the gifts were given by the students and that it was just someone acting out Santa. A lot of Christmas joy was experienced as Academy students gave to make Christmas a little more fun for our community children. As seen by not only the smiles of the invited children the Andrews Academy students also had a lot of fun in sharing Christmas joy. This evening is yet another example of genuine Christian school spirit that the Andrews Academy family enjoys.
