Is Andrews Academy a SAFE School?

I am sure that this question has come to the mind of many individuals over the past few days. In light of what’s happened in CT, I feel this question is very appropriate and needed. I can tell you as a father and school administrator, this is an extremely important question. Here are a few specifics that I am proud to share with you:

- All doors are locked leading into the school building each day.
- Regular “lock-down”, fire, and weather related emergencies procedures occur.
- Students are instructed on how to handle specific emergency instances.
- All instances of reported bullying are dealt with immediately.
- AA and AU Security meet regularly to review procedures.
- A thorough examination of operations will be closely evaluated by AU Campus Safety.
- AA and AU partnership with “AU Alert”
- Students are reminded of safety procedures.

Please know that we are interested in your feedback. If you see anything that concerns you regarding the safety of our students, please contact the school immediately.

TEXTBOOKS

Textbooks for second semester will go on sale on January 7th and will be sold for the first week. If you are enrolled in Government, Earth Science, Health, or World History and will not be in class second semester we need to buy back your books for the students in the respective second semester classes. Take them with you to the final for that class and they will be collected by the teacher. A credit for them will be given when second semester book charges are posted.
The faculty, staff, and administration would like to thank the SA for a superb evening and the AA students for their appropriate dress and participation. There were over 200 students in attendance.
SIGN-UP FOR BIBLE CAMP

Be sure to sign-up for Bible Camp. The cost is $100.00 & the payment must accompany the permission form. Numbers are limited to 75. It is first come first serve. You can pick-up applications and also turn them in at the Front Office.

In an effort to continue the safety of our students, we are joining the AU Alert system. The purpose of this system is to ensure multiple means of emergency communication to our parents and/or students. During emergencies, this system will send text messages, emails and voice calls to registered recipients. These emergencies may include severe weather alerts, winter weather class cancellations, hostile threats, utility failure, major road closings or fire, among others.

To help us in the set up of this system, we would like to encourage all parents to make sure we have the correct cell phone number, work number, & home number for them & their student here in the office. We will be sending you a form the first week of January. Please make any corrections necessary & send it back in the envelope enclosed by January 18, 2013. Thank You!

Morning Devotions
by: Mrs. "O"

You will never walk alone
This week Mrs. Sanchez had her Spanish class Fiesta. The delicious aroma was enticing to all. YUM!
SEND ZACH BACK campaign
Students raised over $600 to “send Zack back to India! Hurray! This was a student led campaign to raise funds for the school SOW safari mission trip. Zach was the “poster child” for the campaign. Thank you Troy Furst and Daniel Rishaug for leading in this campaign.
