Smell Like Jesus

Your Fragrance

The sense of smell has been identified as one of, if not, the most powerful of our five senses. I might agree! As I think about smells, my mind goes back to my childhood and some of the specific distinct smells I remember. Take for instance the scent of Pine Sol. This scent will be forever etched into my brain bringing back memories of “walking into my grandma’s house.” Did you know that everyone has his or her own personal odor? Newborn babies, studies have shown, can identify their mothers by scent. What other smells do you recall strongly? I remember the smell of my best friend’s house. Their home had the scent of lavender filling their home. My sister-in-law’s house smells like candy because she cleans with peppermint oil! Mmmm!

How about you? Does your sense of smell bring back “memories” to your mind? How do you smell?

This past week my best friend (my wife) read this prayer to me:

“Dear Jesus,

Help us to spread your fragrance everywhere we go. Flood our souls with your spirit and life. Penetrate and possess our whole being so utterly that all our lives may only be a radiance of yours. Shine through us and be so in us that everyone we meet may feel your presence in us. Let them look up and see no longer us, but only Jesus. Stay with us and then we shall begin to shine as you shine. Let us thus praise you in the way you love best, by shining on those around us...” (Finding God at Harvard: Spiritual Journeys of Thinking Christians, Kullberg (Ed.), 1996, p.318)

My challenge and one I extend to you is to smell like Jesus! May all who meet us know our Lord through us.

Andrea Moskalova Jakobsons has accepted Andrews Academy's invitation to join its faculty as a religion instructor. Mrs. Jakobsons, who is well known in this community for her work with youth (among other things), brings a fresh vision for "digging deeper in the Word" and she will bring new energy and professionalism to our team. Her ability to connect with young people, and provide them with leadership training, will be especially valuable as our students develop their understanding of the Bible and their Creator. Please join me in providing her with a warm welcome when she joins the faculty in August after she completes her M.Div. degree at the Seminary.
