Why does the Middle East affect me?

Prophecy made Simple
Remembering back to my Teen years understanding what all the beasts meant was mind boggling even though I grew up in the church. knowing what they are about is important, but only when we see Jesus in them. This series written by Seth Pierce is easy to understand for teens of all ages, even into senior adult. Read it and Get It! Then Share it so others can 'Get It!' Excellent for Teen Sabbath Shool,
Academies, small study groups, new Christians, Seekers.....

Awesome Book
OK, I know I'm an adult and this book was written for kids. That being said, I thought this was an AWESOME presentation of the material from Daniel. I love the way Seth Pierce took the book in chronological order and wrapped the stories in with the visions.

This was absolutely the most easy-to-understand explanation of the book of Daniel I've ever read!

Gave it to my 17-year-old son, he's read other books by Seth Pierce. He enjoyed this one too--I'm not sure he realized he was learning stuff.
