The First ADRA Directors in China

“Offering rich vignettes from their two-year ADRA assignment in China, Bob and Treva incidentally reveal their amazing diplomacy when facing potentially sticky situations. Assuming day jobs as professors at a Chinese University in order to validate their residence in China, they leave the reader hungry for even more details about their ADRA projects. Their absorbing chronicle provides repeated reminders of God’s presence in unlikely circumstances.”

—Edna May Loveless, Retired Teacher

“An inspired account of God’s miraculous leading in the lives and ministry of committed missionaries, Bob and Treva’s
faithful openness to God introduces us to people whom God brought to the right place at the right time to experience their own divine encounter.”

—Dan Matthews, Speaker Emeritus, Faith For Today Television
