Almost Home

All around us today we see striking evidence that Jesus is coming soon. That's a reason to rejoice. But it's also a call for us to shake off our lethargy and get to work fulfilling the commission God has given us and preparing to meet Jesus when He returns. In Almost Home, Ted N.C. Wilson, our General Conference president, identifies the spiritual essentials for those who will live through the end times and witness
Jesus’ return.

"Each chapter will speak to your mind and heart. [He] speaks earnestly to each church member, appealing to all of us to saturate our minds with the word of God. He reminds us of Ellen White’s warning that 'none but those who have fortified the mind with the truths of the Bible will stand through the last great conflict.'"
