Prophecies of Daniel for Teens

There's a lot of strange stuff going on in Daniel's book. First comes the giant statue made of different metals, which is smashed to smithereens by a gigantic rock. Then the four beasts: a lion with eagle's wings, a humpbacked bear, a leopard with four wings, and some kind of indescribable beast with ten horns and iron teeth. If animals aren't confusing enough, Daniel uses a lot of weird words. What is an "abomination of desolation"? What kind of language is "mene, mene, tekel, upharsin"?

Besides, Daniel wrote his book a long time ago, so does it really have anything to do with us today? Can
Daniel really tell us what to expect in the future? If you’ve ever asked these questions, the Prophecies of Daniel for Teens is a perfect book for you.

Prophecies of Revelation for Teens
Sometimes it’s easy to forget that the whole book of Revelation is about Jesus—not horns, bowls of wrath soup, angels, or beasts. All these images are selected by Jesus to let us know something about Himself. Even entities as hideous as the beasts reveal to us how God thinks about the oppressive powers of the world—and what happens to them in the end. Yet we can find ourselves sidetracked trying to match up dates and current events of every little detail of this book and miss the big picture: Jesus Christ.

Jesus is quite literally the beginning, the middle, and the end of Revelation—and world history. Author Seth Pierce says, “Wherever your studies take you from here my prayer is that you will always find an ever brighter picture of Jesus and how much He loves you.”
