Hi,

It has been a fast few months since the major update to AdventistBookCenter.com. Thank you for the positive feedback regarding the design and usability of the site. There have been several challenges that we have wrestled with.

1. **Site refresh.** When you are on the home page, please take a second to refresh your browser (press F5) to ensure you are seeing the most up-to-date content. You need only to do this once and the problem will be corrected going forward.

2. **Shipping Charges.** We are still working to resolve the issues related to excessive shipping charges for orders outside of the United States. While we have not solved the problem with the high quote, the stores are able to adjust down the shipping amount before they charge your card—instead of having to charge your card for the full amount.
and then issue a refund.

3. **Tax on tax exempt products.** The stores are now able to remove tax from tax exempt items before they charge your card--instead of having to charge your card for the full amount and then issue a refund.

4. **Exchange Rates.** We hope to soon correct the problems related to the Canadian and United Kingdom Exchange rates.

Thank you for remaining a loyal customer while we continue to improve your web site.

You have till the end of the month to take advantage of **Chapel Music month**. Enjoy 15% off all regular price Chapel Music CDs and DVDs. ~**Steve**
