Hell And Mr. Fudge (DVD)
By: Edward William Fudge
Hell and Mr. fudge (DVD)

Based on a true story.
An eccentric stranger wants to hire Edward Fudge for a bizarre project: He wants Fudge to investigate Hell.

Edward Fudge is a small-town Bible-belt preacher. Son of a respected church leader known for his conservative religious views, Edward is confident that whatever the Bible really teaches is right. Trained in biblical languages and theology, he finds the project intriguing. He agrees to take it on, not knowing where it will lead. He dedicates a year of his life to a systematic study of Hell – and his life will never be the same again.

Today Edward Fudge is a well-respected author, lecturer, and theologian. The book that resulted from his research, The Fire That Consumes, is a compelling study on the subject of Hell and eternal torment. It stands as a testimony to a man who had the courage to search for truth and to pay the price for what he found.

Hell and Mr. Fudge was honored with the 2012 Platinum Award in the "Theatrical Feature Film - Christian" category at the Houston International Film Festival.
