Center for Adventist Research,

The Desire of Ages is a proven source of inspiration and enlightenment to millions of readers all over the world. And with good reason, for it deals with a universal yearning—the desire for living life to its fullest with the knowledge that we are here for a reason. That we are loved.

“God would be pleased to see The Desire of Ages in every home. In this book is contained the light He has given upon His word. To our canvassers I would say, Go forth with your hearts softened and subdued by reading of the life of Christ. Drink deeply of
the water of salvation, that it may be in your heart as a living spring, flowing forth to refresh souls ready to perish.” (Letter 75, 1900).

Pacific Press® is pleased to partner with ASI in helping churches across the country place a copy of The Desire of Ages in “every home,” just as Ellen White envisioned. Tell the World About Jesus is a campaign focused on sharing the book that Elder Ted Wilson, General Conference president calls, “the finest biography on the life of Christ outside of the Bible. The Desire of Ages has strongly influenced my life,” Wilson says, “and is one of the easiest books to give to someone as we Tell the World about Jesus!

Elder Mark Finley shares, “For years, my wife, Teenie, and I have chosen a devotional book to read through aloud together. Currently, we are reading The Desire of Ages. It has made a remarkable difference in our lives. As we read, Jesus becomes more real to us. We are charmed by His love and amazed at His power. The Holy Spirit has impressed us anew that Jesus is truly our loving Savior and life-changing Lord.”

We pray you will choose to partner with us in this important endeavor
