## MORE ON *KATAPETASMA*

Roy Gane's article, "Re-Opening *Katapetasma* ('Veil') in Hebrews 6:19," from the Spring 2000 issue of *AUSS*, has evoked considerable discussion. Two responses are published in this issue. Norman Young agrees with Gane's basic exegesis, but further explores its implications. Richard Davidson offers a contrasting view to both Gane and Young. Neither author is ready yet to rest his case. Rebuttals from both are scheduled for the Spring 2002 issue of *AUSS*.
