Cardinal Hockey Team Ranked First in Division
Cardinal Hockey Team Ranked First in Division

The Andrews University Cardinal Hockey Team is representing the school well this season. The Cardinals are first-place in the B Silver Division at the Ice Box Skating Rink in South Bend, Ind. The team plays in a men's recreation league against six other teams and currently holds a winning 7-4 record.

"This is the eighth year I've been involved with the Cardinals in a men's recreation league," says John Banks, team coach/sponsor and professor of physical therapy. "We've always done well. Every year, we've been one of the top three teams in divisions we've been placed in. There has been a steady improvement with many individuals as players and the team as a balanced, cohesive group."

This year, the Cardinals have played and beaten opponents such as Goshen College and University of Notre Dame faculty, winning some games by as many as 10 goals. The team currently leads the league in most goals for (59) and least goals against (30) and is the only team having won two shutout games.

The Cardinal hockey team is comprised of community members, University students and faculty. The roster includes: Ryan Agrey, Gordon Atkins, Kyle Cothran, Mal Feeley, Gary Johnson, Jeff Martins, Mike Martins, JC Neu, Andrew Pagels, Ruben Rios, Rob Ryan, Jared Stack, Nate Stafford (captain), Braden Teller, Daniel Tryon (alt. captain), and Paul Vivier.

The Cardinal's 26-game season will end in early April. The next game is scheduled for Wednesday, Jan. 5, at 10 p.m. at the Ice Box Skating Rink in South Bend, Ind. Students, faculty and community members are invited to attend free-of-charge.

Open House at the Department of Behavioral Sciences

The Department of Behavioral Sciences has successfully moved to the lower level of Burman Hall where it will remain during the Spring Semester, with a move schedule to Bulter Hall in the summer of 2011. Because of the hard work of MANY people, including Dick Scott, Custodial, Plant Service, heating & cooling guys, Jeff Trubey and Patty Hinman working with locks and keys, Ron Newman and the ITS staff, and the staff who have been in Burman Hall who are sharing their space with us and we are sure many others, the move has gone very well.

We want to invite administrators, faculty, staff and students to stop by and see our new location during an Open House on January 13 from 10:30 a.m. to 12:30 p.m. There will be snacks and drinks.

Motorist Preparedness and More
If you are ever stranded on the road whether there is snow or not, there could less of an impact if you are equipped with an emergency kit. You can build your own inexpensive emergency kit and place it in your vehicle trunk for use in case of an emergency.

This kit should contain bottled water, energy bars, a flashlight, First Aid kit, jumper cables and a small shovel. The following website can provide you with more suggested items for your emergency kit: http://www.dmv.org/how-to-guides/emergency-kit.php.

Preparedness also extends beyond the vehicle. How do we prepare for a lack of water; shelter, food, communication with others, power, and caring for others? The following is a program called dolthing. This program breaks down the issues and the job of preparedness into manageable achievable methods of being prepared. The program focuses on one area of emergency each month. I plan to check out this program and hope you will too.

I also just finished reading an article written by the Michigan State Police, entitled "December 8, 2010—Give the Gift of Preparedness this Holiday." Perhaps, you forgot to give yourself a gift or there may be someone you forgot on your list this year. This article may give you the gift ideas you were searching for.

The safety and security of our campus depends on everyone's participation.

Pierre, a graduate student at Andrews University's Seventh-day Adventist Theological Seminary, is still adjusting to his new-found fame as part of the six-member a capella vocal group Committed, which beat out Jerry Lawson & Talk of the Town, Street Corner Symphony and the Backbeats for $100,000 and a Sony Music recording contract Monday in the finals of the NBC series 'The Sing-Off.' Update on Ron Whitehead

On Thursday, Dec. 16, Betty Whitehead shared the following update about her husband, Ron Whitehead following his surgery for a brain tumor.

Ron is now in his hospital room taking ice chips. After a 4 1/2 hour surgery, the doctor is hopeful that he got all the tumor, but will confirm tomorrow with an MRI. He stated that it appeared to be a typical benign adenoma. Though Ron looks great he says he feels like he was "hit by a truck, maybe a Peterbilt." He has minimal pain, and the anesthesia and sore throat from the ET tube haven’t slowed his chatter down. We are so thankful, and God is so GOOD!! We appreciate so much your many kind e-mails, texts, phone calls and prayers.
