Aggressive and/or Careless Driving
With each semester, we experience excitement and anxiety which come naturally with school projects, jobs, family, finances and even the weather. We must take care to prevent these moods from affecting our driving.

Things like "careless/reckless/aggressive driving," and "road rage" are used to describe a person's behavior when driving unsafely. Driving is a privilege for citizens and guests of this country, granted to us in the form of a permit from our state government and the National Highway Traffic Safety Administration (NHTSA), better known as vehicle operator license. While we should drive safely and defensively, the reality is that more and more drivers are becoming aggressive drivers, even though this behavior could threaten the lives of other road users as well as their own.
The National Highway Traffic Safety Administration and Michigan State Police have accepted this definition of aggressive driving: when individuals commit a combination of moving traffic offenses so as to endanger other persons or property. It is estimated 66% of road fatalities are caused by aggressive driving behaviors.

The most common behaviors of aggressive drivers include exceeding the posted speed limit, following too closely (tailgating), failure to obey traffic control devices (stop signs, yield signs, traffic signals, railroad grade cross signals, etc.), red light running, erratic or unsafe lane changes and improperly signaling lane changes.

Aggressive driving by definition is a traffic offense, but can escalate into road rage, which is a criminal offense. Road rage is defined by the NHTSA as "an assault with a motor vehicle or other dangerous weapon by the operator or passenger(s) of one motor vehicle on the operator or passenger(s) of another motor vehicle or is caused by an incident that occurred on a roadway."

On aggressive driving, there are two separate statutes which are concepts of aggressive driving. They are "Careless Driving" and "Reckless Driving." The difference between careless and reckless driving is one of intent and/or the possible consequences of such an act.

Under Michigan Criminal Law, the definition for careless and reckless driving can be found at MCL 257.626b Careless Driving and MCL 257.626 Reckless Driving (note web links below).

Safety must our priority at all times, so drive carefully, and enjoy the roads at Andrews University. The safety and security of our campus depends on everyone's participation.

After a semester of writing, photographing, editing and designing, *Envision* magazine's winter/spring 2011 issue is finished and available. The magazine, created and designed exclusively by Andrews University students, features inspiring stories as well as various articles, poetry, photography and art work. This is the second issue of the magazine.

"This magazine is a showcase of Christian collegiate youth," says Debbie Michel, associate professor at the Department of Communication and *Envision* editor-in-chief. "There's so much talent in the community that needs to be seen. But on a spiritual level, the talent that the stories are encased in serves as an attractive vessel for the testimonies and the gospel."

Sponsored by the Department of Communication, the Christian collegiate lifestyle magazine was officially released on Thursday, Feb. 3. The current issue includes topics like paying for graduate school, decorating dorm rooms, surviving the winter blues and even recipes for preparing vegan meals.

Ideas for this issue of *Envision* began to take shape at the beginning of the school year. Students from Michel's Beginning Media Writing class came up with story ideas and served as writers and section editors throughout the fall semester. The class collaborated with students from Advanced Studio Photography, Educational Psychology and InDesign courses as well as student volunteers who offered to be models and stylists.

What makes *Envision* so unique is its direct focus on the student. "The magazine is designed for students and made by people just like them," says Glenn Roper, *Envision* managing editor. "The advice is real and it has topics that go far beyond what you may typically find in any magazine." Roper, a senior communication major, also worked on the first *Envision* issue released during the 2009–2010 school year.

The magazine also gives practical experience to a host of communication, photography and journalism majors looking for real-life opportunities in the field. Christine Lairson, a journalism and English major, served as an *Envision* section editor/writer. She says, "It truly is an extraordinary opportunity for students at Andrews to get practical experience and add a little something to their resumes."

Lairson is currently interning at *Glamour Magazine* in New York City and claims her experience with *Envision* is helping her realize her dream of becoming a magazine editor someday.

*Envision* is available for sale at the Andrews Bookstore, Gazebo, Apple Valley, Harding's and the local Adventist Book Center. The third issue, which is already in the early stages of production, is scheduled for release in the fall. The Andrews University Department of Communication plans to publish a new issue each semester. They are looking for writers, photographers, graphic designers, stylists, models and anyone who "wants a fun magazine production experience."

To become involved and/or learn more about *Envision*, visit [www.envisionmagazine.com](http://www.envisionmagazine.com) or e-mail Debbie Michel at dmichel@andrews.edu.

Contemporary Christian artist to perform

Published 10:35pm Monday, February 7, 2011

No other Christian artist at work today is better suited to sing about life’s journey than Sandi Patty.

Regarded as “The Voice” of contemporary Christian music, Patty will be in concert at the Howard Performing Arts Center on the campus of Andrews University at 8 p.m. Saturday, Feb. 19 as part of the “Howard Center Presents...” for the 2010-2011 season.

Three decades into her career, the Gospel Music Hall of Fame inductee with 39 Dove Awards, five Grammy Awards and an armload of platinum and gold albums is truly a music legend. Her diverse singing experiences include performing ballads, pop songs, hymns and distinctive renditions of traditional gospel music since she sang for the first time upfront at age two.

During the past quarter-century, she has performed everywhere, from the Billy Graham Crusades to the Indianapolis 500, Camp David to Disneyland, presidential inaugurations to the Fiesta Bowl. In addition to solo performances and recording, Patty continues to perform with big city orchestras.

“I am grateful for the many opportunities God has given in my life and for how he has allowed me to spread my wings,” said Patty. “Singing is my way to tell my story of hope, life and love.”

Her dynamic soprano voice and soaring range is on display in her most recent album, “Songs for the Journey,” and her chart-topping hits, including “Morning Like This,” “I’ve Just Seen Jesus” and “More than Wonderful.”

Tickets for Sandi Patty can be purchased by calling the Howard Performing Arts Center box office at (269) 471-3560 or (888) 467-6442. Tickets for reserved seating are $30, faculty and staff tickets are $25 and Andrews University student tickets are $10. Special rates apply for groups and Flex Series tickets.

Update on Ron Whitehead
On Thursday, Dec.16, Betty Whitehead shared the following update about her husband, Ron Whitehead following his surgery for a brain tumor.

Ron is now in his hospital room taking ice chips. After a 4 1/2 hour surgery, the doctor is hopeful that he got all the tumor, but will confirm tomorrow with an MRI. He stated that it appeared to be a typical benign adenoma. Though Ron looks great he says he feels like he was "hit by a truck, maybe a Peterbilt." He has minimal pain, and the anesthesia and sore throat from the ET tube haven't slowed his chatter down. We are so thankful, and God is so GOOD!! We appreciate so much your many kind e-mails, texts, phone calls and prayers.

Scrapbooking in Berrien Springs
Sunday, Feb. 27

Scrapbooking is a hobby that has been growing in popularity. And it’s no wonder! It’s something that you can do without hard and fast rules, can be done relatively inexpensively, and makes a great gift or keepsake for your family and friends. Scrapbooking is especially fun when you do it with others, creating a social network, much like the quilting bees of old.

Pioneer Memorial church sponsors Scrapbooking Together throughout the year and invites ladies from the community to our next meeting on Sunday, February 27 in the Commons from 1 to 5 p.m. We’ll be sharing techniques, special tools and ideas with each other. There is no charge and we provide child care, prizes and refreshments. Just bring your pictures, scrapbook and materials. Space is limited, so reservations must be made by calling Sue Rappette 471-6565 or Sherrie Davis 471-3134.
