Photo of the Week: During a “I Am Creative” themed Fusion, an Andrews student stood off to the side of the Howard Center’s stage, painting a picture of God’s hands surrounding the earth. Meanwhile, Fusion’s praise service, special musics and worship took place center stage. The painting is now part of a makeshift memorial by the office of Esperanza Alvarez-Muniz, who was killed on Friday in a car crash. She was an assistant dean in Lamson Hall. (October 14, 2011. Car Crash Claims Life of Esperanza Alvarez-Muniz, Assistant Dean of Women

Andrews University is mourning the loss of Esperanza Alvarez-Muniz, assistant dean of women for Lamson Hall and a beloved mentor, friend and colleague to those who knew her.

On Friday, Oct. 14 around 4:30 p.m., Esperanza was driving with her mother, Lidia Duran, to go pick grapes in the countryside. According to the police report, Esperanza was driving east when she failed to yield at the intersection of Dean's Hill Road and M-140 in Berrien Center. A vehicle traveling south struck on the driver's side of Esperanza's car.

Esperanza died at the scene. She was 41-years-old. Her mother, Lidia, received non-life threatening injuries and was taken to a local hospital. The other driver, a 49-year-old Berrien Center resident, was not injured.

Esperanza’s husband, Paul, was in Maryland at the time of the accident. After he and Esperanza’s family were notified, the University immediately released the information to the campus community. Moments after the announcement was sent, Campus Ministry chaplains shared the sad news with the hundreds of students attending Fusion, a campus worship service. Within seconds, dozens of online tributes to Esperanza and messages of comfort and support to Paul and her family were posted to an online message board for Esperanza and flooded Facebook newsfeeds of those in the Andrews community.

Her Time at Andrews University

While a student at the Seventh-day Adventist Theological Seminary, Esperanza worked as a student dean at Lamson Hall. In 2007, she graduated with her Master of Divinity but there were no positions available locally, so she went to teach in New York City. In 2008, Esperanza married Paul, whom she met while they were both students in the Seminary. That same year, Esperanza received an invitation to return to Lamson Hall as assistant dean of women.

Jennifer Burrill, dean of women at Lamson Hall, describes Dean Muniz, or “Espi” as she was affectionately called, as “A genuine, compassionate, resilient, strong and courageous woman of God. Her faith was palpable.”

Esperanza often went out of her way to do those little things to show she cared. A tribute posted by a Lamson Hall resident says, “I didn't interact with Dean Muniz on a regular basis, but she was someone who you could tell loved God very much, and loved taking care of His girls here in Lamson. Just last evening she was walking around [the] third floor writing messages on dry-erase boards hanging on some of the doors. I remember thinking, 'She must care for us.'”

Grief Support and Pastoral Counseling

Grief support and pastoral counseling will be available in the Living Learning Center and Head Housekeeper’s office in Lamson Hall from 7-9 p.m., Saturday, Sunday and Monday, Oct. 15-17. All students, staff and faculty are encouraged to utilize these services if needed.

Additional support services are available 24 hours a day with counselors and campus chaplains. If you need to talk to someone, contact the Lamson Hall desk (471-3446) and ask for the dean on duty. The dean will connect you with the counseling/pastoral staff on duty.

A memorial has been set-up in the hallway leading from the main Lamson Hall lobby. Strips of paper are available to write a message on and create a paper memory chain. The chain is draped on a wooden cross sitting outside of Dean Muniz’s office. It will be given to her husband Paul as a keepsake. (See photos of memorial.)

Visitation and Funeral Services

Funeral arrangements are pending. Information will be shared with the campus community and posted on our website as soon as it is available.

Presentation on International Theological Libraries
Tuesday, Oct. 18
7 p.m., Seminary Weniger Auditorium

James White Library will present information about theological libraries on Tuesday, Oct. 18 at 7 p.m. in the Seminary Weniger Auditorium. The presentation is entitled “The Surprising International Theological Library: Challenges and Opportunities” and it will be led out by Nancy Vyhmeister.

Theological libraries are an integral part of preparation for ministry. How each library works is very different in every seminary or school of theology. These libraries contribute to the education of young people for Christian service. We need to look for the opportunities they provide, as well as the challenges that we so readily see.

All are invited to come and join the lecture.

Car Crash Claims Life of Esperanza Alvarez-Muniz, Assistant Dean of Women

Andrews University is mourning the loss of Esperanza Alvarez-Muniz, assistant dean of women for Lamson Hall and a beloved mentor, friend and colleague to those who knew her.

On Friday, Oct. 14 around 4:30 p.m., Esperanza was driving with her mother, Lidia Duran, to go pick grapes in the countryside. According to the police report, Esperanza was driving east when she failed to yield at the intersection of Dean's Hill Road and M-140 in Berrien Center. A vehicle traveling south struck on the driver's side of Esperanza's car.

Esperanza died at the scene. She was 41-years-old. Her mother, Lidia, received non-life threatening injuries and was taken to a local hospital. The other driver, a 49-year-old Berrien Center resident, was not injured.

Esperanza's husband, Paul, was in Maryland at the time of the accident. After he and Esperanza’s family were notified, the University immediately released the information to the campus community. Moments after the announcement was sent, Campus Ministry chaplains shared the sad news with the hundreds of students attending Fusion, a campus worship service. Within seconds, dozens of online tributes to Esperanza and messages of comfort and support to Paul and her family were posted to an online message board for Esperanza and flooded Facebook newsfeeds of those in the Andrews community.

**Her Time at Andrews University**

While a student at the Seventh-day Adventist Theological Seminary, Esperanza worked as a student dean at Lamson Hall. In 2007, she graduated with her Master of Divinity but there were no positions available locally, so she went to teach in New York City. In 2008, Esperanza married Paul, whom she met while they were both students in the Seminary. That same year, Esperanza received an invitation to return to Lamson Hall as assistant dean of women.

Jennifer Burrill, dean of women at Lamson Hall, describes Dean Muniz, or “Espi” as she was affectionately called, as “A genuine, compassionate, resilient, strong and courageous woman of God. Her faith was palpable.”

Esperanza often went out of her way to do those little things to show she cared. A tribute posted by a Lamson Hall resident says, “I didn’t interact with Dean Muniz on a regular basis, but she was someone who you could tell loved God very much, and loved taking care of His girls here in Lamson. Just last evening she was walking around [the] third floor writing messages on dry-erase boards hanging on some of the doors. I remember thinking, ‘She must care for us.’”

**Grief Support and Pastoral Counseling**

Grief support and pastoral counseling will be available in the Living Learning Center and Head Housekeeper's office in Lamson Hall from 7-9 p.m., Saturday, Sunday and Monday, Oct. 15-17. All students, staff and faculty are encouraged to utilize these services if needed.

Additional support services are available 24 hours a day with counselors and campus chaplains. If you need to talk to someone, contact the Lamson Hall desk (471-3446) and ask for the dean on duty. The dean will connect you with the counseling/pastoral staff on duty.

A memorial has been set-up in the hallway leading from the main Lamson Hall lobby. Strips of paper are available to write a message on and create a paper memory chain. The chain is draped on a wooden cross sitting outside of Dean Muniz’s office. It will be given to her husband Paul as a keepsake. (See photos of memorial.)

**Visitation and Funeral Services**

Funeral arrangements are pending. Information will be shared with the campus community and posted on our website as soon as it is available.

United Way Campaign at 37% of Goal

Please read the following letter from our president, Niels-Erik Andreasen, concerning the United Way campaign. The program is now at $3,700 of a $10,000 goal, and is in need of more support.

Dear Colleagues:

We are in the midst of our annual support of United Way. The money we and other local institutions provide stays in the area and helps local agencies, schools and support systems meet needs involving families, single parents, children and others who have run into hard times. Some members of our own University family have over the years benefitted from United Way programs. For more information on United Way of Southwest Michigan, please visit http://www.uwsm.org/.

While your participation is completely voluntary, I do encourage you to participate again this year. Pledge forms were sent out three weeks ago and can be remitted to Dalry Payne in the Office of the President (0670). If you would like another form or have a question, feel free to contact Dalry, who has volunteered again this year to coordinate our United Way campaign.

Sincerely,

Niels-Erik Andreasen
President

Andrews Receives Rankings and Enrollment Rises
The rankings are out, and once again Andrews University has been ranked on both U.S. News and World Report’s "Best Colleges 2012" and Forbes.com’s "America’s Top Colleges."

One of only 262 schools in the country considered National Universities, Andrews University is one of 98 private institutions so classified and the only Seventh-day Adventist school to make U.S. News and World Report’s "Best Colleges 2012" list.

Andrews University made a few other U.S. News & World Report college ranking lists, too: with a diversity index of .71, the University tied for 5th in Campus Ethnic Diversity. (The closer a school's number is to 1.0, the more diverse it is.) And with 12% of our student body composed of international students, Andrews tied for 8th in Most International Students.

Forbes.com also ranked Andrews University #545 in "America’s Top Colleges," a compilation of the 650 best educational institutions (out of more than 6,000) across the country. Forbes gives an overall rating and smaller subcategory ratings; Andrews University also made the lists "Best Private Colleges," "Best Research Universities" and "Best in the Midwest."

The University has also seen an increase in enrollment, with 3,547 undergraduate, graduate and post-doctoral students on campus this September, the second highest ever. Last year's enrollment as of Census Day was 3,487. Total credit hours being taken this fall are at an all-time high. The 2011–2012 enrollment is almost evenly split between undergraduate and graduate students, with 1,844 undergraduate students and 1,618 graduate students including ministerial and professional degrees.

Logos Bible Software Releases Digital ASB
The Andrews Study Bible will soon be available as a digital product through a partnership between Andrews University and Logos Bible Software, the largest developer of software for the Christian market and a worldwide leader in multilingual electronic publishing.

"Getting the Andrews Study Bible from Logos Bible Software is an easy process," said Erno Gyeresi, associate director of Andrews University Press and managing editor of the Andrews Study Bible product line. "All you have to do is connect with Logos on the web (www.Logos.com/AndrewsStudyBible) from a desk-based computer or download an app for a mobile device, register as a customer, and purchase the product."

Gyeresi said that new Logos Bible Software customers would want to purchase the complete package of the Andrews Study Bible, along with the New King James Version of the Bible. The package retails for $39.95. Current Logos customers who may already have the New King James Version from Logos in their digital library will only need to buy the Andrews Study Bible Notes product, which includes all original content in the Andrews Study Bible. That retails for $29.95.

"At the beginning of the Andrews Study Bible project, we promised Adventist church leaders, who helped make it all happen, that we would produce a retail edition, an outreach edition and a digital edition," Andreasen said. "We're pleased to report that with the release of this digital edition we have delivered on all three promises."

Repair to U.S. Flag Pole
The large U.S. flag was taken down during the recent severe windstorms, and in so doing, Campus Safety discovered some repairs needed to be done on the pole. Since the problems with the pole constituted safety issues, the flag will remain down until the pole is repaired. Repair service is in process. Thank you for your concern and understanding.

Herald Palladium: Lessons Learned from BP Spill
Three EPA chemists presented a lecture at the Chemistry amphitheater on Thursday, Sept. 29, at 4:30 p.m. The three chemists, Dennis Wesolowski, David Schroeder and Lawrence Zintek, were from the federal Environmental Protection Agency's Chicago regional office and were among the many government and private experts called into quick action after the spill in the Gulf of Mexico occurred April 20, 2010. They discussed the quick work they did with a dispersant 3 and cited the collaboration among many people in response to the environmental disaster.

Berrien Springs Camera Club: Monthly Meeting
Wednesday, Nov. 2
7 p.m., Berrien Springs Public Library

The monthly meeting of the Berrien Springs Camera Club will take place on Wednesday, Nov. 2 at 7 p.m. in the Berrien Springs Public Library at Cass (Old 31) and Union. The program this month is to give members an overview of two software programs most often used for editing digital images. Cheryl Thomas, the club president, will give a presentation on Adobe Photoshop, used by most professionals. Shelly Martinez, the club secretary, will demonstrate Adobe Photoshop Elements, a very popular and adequate editing program used by amateurs and some professionals. This will include the Elements Organizer, Camera Raw, the Elements Editor and more.

Thomas is a professional photographer, and Martinez has been an amateur photographer since 2008. Having been a computer software instructor for about 10 years, Martinez taught herself Photoshop Elements. Last year, she scored second in the club for totally points from the year's bimonthly competitions. Both photographers regularly earn the "honors" rating in the club's competitions, and they will share step-by-step how they prepare their images for printing and competition using these programs.

All are welcome to attend. Refreshments will be served.

Lose Your ID Card? Steps to Take

ATTN: Students on a meal plan or have an account for use at the Andrews Bookstore or ITS accounts associated with their ID Card:

If you lose your ID card, stop by the Office of Dining Services to have it put on "Lost" status. This ensures no one else is able to use your card to make purchases. You also need to report it as lost: www.andrews.edu/go/myid

If you have a meal plan and have lost your ID card, the Office of Dining Services can provide a temporary meal ticket ($25 deducted from their meal plan +$2 fee). This allows you to still be able to charge meals to your account until you replace your card.

Questions? The Office of Dining Services is open from 9 a.m.-5:30 p.m. Monday-Thursday, and 9 a.m.-noon on Fridays. You can also call 269-471-3161.
