Car Crash Claims Life of Esperanza Alvarez-Muniz, Assistant Dean of Women

Funeral Services

Funeral services for Esperanza Alvarez-Muniz, who was killed last Friday in a car crash, will be held this Sabbath, Oct. 22, at Pioneer Memorial Church. The funeral service will begin at 6 p.m. in the main sanctuary. A visitation will precede the service, starting at 5 p.m., in the PMC foyer. Allred Funeral Home in Berrien Springs is handling arrangements. The service will be streamed live at mms://livestream.andrews.edu/Esperanza starting at 6 p.m.

In lieu of flowers, the family is requesting contributions be made to a memorial fund in honor of Esperanza. Contributions can be made to Andrews University and sent to the attention of the Office of Development, Berrien Springs, MI, 49104-0660. Put “Esperanza Alvarez-Muniz” in the memo line.

Andrews University is mourning the loss of Esperanza Alvarez-Muniz, assistant dean of women for Lamson Hall and a beloved mentor, friend and colleague to those who knew her.

On Friday, Oct. 14 around 4:30 p.m., Esperanza was driving with her mother, Lidia Duran, to go pick grapes in the countryside. According to the police report, Esperanza was driving east when she failed to yield at the intersection of Dean’s Hill Road and M-140 in Berrien Center. A vehicle traveling south struck on the driver’s side of Esperanza’s car.

Esperanza died at the scene. She was 41-years-old. Her mother, Lidia, received non-life threatening injuries and was taken to a local hospital. The other driver, a 49-year-old Berrien Center resident, was not injured.

Esperanza’s husband, Paul, was in Maryland at the time of the accident. After he and Esperanza’s family were notified, the University immediately released the information to the campus community. Moments after the announcement was sent, Campus Ministry chaplains shared the sad news with the hundreds of students attending Fusion, a campus worship service. Within seconds, dozens of online tributes to Esperanza and messages of comfort and support to Paul and her family were posted to an online message board for Esperanza and flooded Facebook newsfeeds of those in the Andrews community.

Her Time at Andrews University

While a student at the Seventh-day Adventist Theological Seminary, Esperanza worked as a student dean at Lamson Hall. In 2007, she graduated with her Master of Divinity but there were no positions available locally, so she went to teach in New York City. In 2008, Esperanza married Paul, whom she met while they were both students in the Seminary. That same year, Esperanza received an invitation to return to Lamson Hall as assistant dean of women.

Jennifer Burrill, dean of women at Lamson Hall, describes Dean Muñiz, or “Espi” as she was affectionately called, as “A genuine, compassionate, resilient, strong and courageous woman of God. Her faith was palpable.”

Esperanza often went out of her way to do those little things to show she cared. A tribute posted by a Lamson Hall resident says, “I didn’t interact with Dean Muñiz on a regular basis, but she was someone who you could tell loved God very much, and loved taking care of His girls here in Lamson. Just last evening she was walking around [the] third floor writing messages on dry-erase boards hanging on some of the doors. I remember thinking, ‘She must care for us.’”

Grief Support and Pastoral Counseling

Grief support and pastoral counseling will be available in the Living Learning Center and Head Housekeeper’s office in Lamson Hall from 7-9 p.m., Saturday, Sunday and Monday, Oct. 15-17. All students, staff and faculty are encouraged to utilize these services if needed.

Additional support services are available 24 hours a day with counselors and campus chaplains. If you need to talk to someone, contact the Lamson Hall desk (471-3446) and ask for the dean on duty. The dean will connect you with the counseling/pastoral staff on duty.
A memorial has been set-up in the hallway leading from the main Lamson Hall lobby. Strips of paper are available to write a message on and create a paper memory chain. The chain is draped on a wooden cross sitting outside of Dean Muñiz's office. It will be given to her husband Paul as a keepsake.

United Way Campaign at 37% of Goal

Please read the following letter from our president, Niels-Erik Andreasen, concerning the United Way campaign. The program is now at $3,700 of a $10,000 goal, and is in need of more support.

Dear Colleagues:

We are in the midst of our annual support of United Way. The money we and other local institutions provide stays in the area and helps local agencies, schools and support systems meet needs involving families, single parents, children and others who have run into hard times. Some members of our own University family have over the years benefitted from United Way programs. For more information on United Way of Southwest Michigan, please visit http://www.uwsm.org/.

While your participation is completely voluntary, I do encourage you to participate again this year. Pledge forms were sent out three weeks ago and can be remitted to Dalry Payne in the Office of the President (0670). If you would like another form or have a question, feel free to contact Dalry, who has volunteered again this year to coordinate our United Way campaign.

Sincerely,

Niels-Erik Andreasen
President

Andrews Receives Rankings and Enrollment Rises

The rankings are out, and once again Andrews University has been named one of the "Best National Universities" for 2012, as reported in U.S. News & World Report’s "America’s Best Colleges 2012" issue. Andrews was also recently ranked on Forbes.com’s 2011’s "America’s Best Colleges."

Out of 280 institutions, only 101 private institutions are classified as national universities and Andrews is the only Seventh-day Adventist institution included in this classification.

Andrews University made a few other U.S. News & World Report college ranking lists, too: with a diversity index of .71, the University tied for 5th in Campus Ethnic Diversity. (The closer a school’s number is to 1.0, the more diverse it is.) And with 12% of our student body composed of international students, Andrews tied for 8th in Most International Students.

Forbes.com also ranked Andrews University #545 in “America’s Top Colleges,” a compilation of the 650 best educational institutions (out of more than 6,000) across the country. Forbes gives an overall rating and smaller subcategory ratings; Andrews University also made the lists "Best Private Colleges,” ”Best Research Universities” and "Best in the Midwest."

The University has also seen an increase in enrollment, with 3,547 undergraduate, graduate and post-doctoral students on campus this September, the second highest ever. Last year’s enrollment as of Census Day was 3,487. Total credit hours being taken this fall are at an all-time high. The 2011–2012 enrollment is almost evenly split between undergraduate and graduate students, with 1,844 undergraduate students and 1,618 graduate students including ministerial and professional degrees.

Logos Bible Software Releases Digital ASB

The Andrews Study Bible will soon be available as a digital product through a partnership between Andrews University and Logos Bible Software, the largest developer of software for the Christian market and a worldwide leader in multilingual electronic publishing.

"Getting the Andrews Study Bible from Logos Bible Software is an easy process," said Erno Gyeresi, associate director of Andrews University Press and managing editor of the Andrews Study Bible product line. "All you have to do is connect with Logos on the web (www.Logos.com/AndrewsStudyBible) from a desk-based computer or download an app for a mobile device, register as a customer, and purchase the product."

Gyeresi said that new Logos Bible Software customers would want to purchase the complete package of the Andrews Study Bible, along with the New King James Version of the Bible. The package retails for $39.95. Current Logos customers who may already have the New King James Version from Logos in their digital library will only need to buy the Andrews Study Bible Notes product, which includes all original content in the Andrews Study Bible. That retails for $29.95.

"At the beginning of the Andrews Study Bible project, we promised Adventist church leaders, who helped make it all happen, that we would produce a retail edition, an outreach edition and a digital edition," Andreasen said. "We're pleased to report that with the release of this digital edition we have delivered on all three promises."

The Fund for Andrews Phonathon 2011 is almost here!
The Office of Development is preparing to host the 2011 Phonathon during the fall semester. "We’re excited about the changes that are in store," says Jackie Spencer, annual giving coordinator and manager of the Fund for Andrews Phonathon. "The team at AIM and IT/Banner support have put in a lot of work into a new dialing program that will be implemented this year. We are anticipating a very good response from our alumni and friends this year.

The Fund for Andrews Phonathon is a calling campaign comprised of current students calling former students and friends. In addition to updating their contact information and describing exciting changes taking place on campus, students also invite friends and former students of AU to give their financial support.

Professor offers perspective on two prehistoric species

By Daily Star

Published 10:36pm Tuesday, October 11, 2011

Dr. Tom Goodwin, a professor of paleobiology at Andrews University, will present a talk, “Ice Age Giants of Southwest Michigan,” on Wednesday. This talk will briefly look at the mammoth and the mastodon, two large, elephant-like species which once populated Southwest Michigan. Goodwin, who has taught at Andrews University for 17 years, will show examples of fossils found locally.
The program is in keeping with the theme of The Heritage’s newest exhibit, “Ice Age Imperials,” focusing on the large mammals that roamed the Great Lakes region during the prehistoric era.
The Heritage has several fossils on loan from the Andrews University Natural History Museum, which is home to the Prillwitz Mammoth, the largest mammoth skeleton ever found in Michigan.

Goodwin has a doctorate in biology from the University of Kansas with a specialty in vertebrate paleontology. Most of his work has focused on Pleistocene (Ice Age) mammals from North America – especially fossil squirrels.

This program is part of The Heritage’s annual Public Program Series, which is free for students and members of The Heritage and $5 for others.
Attendees may view the “Ice Age Imperials” exhibit, which will be open for one half hour before and after the program.
The Heritage is located at 601 Main St., St. Joseph.

BERRIEN SPRINGS -- Online tributes continue to be received regarding the death of Esperanza Alvarez-Muniz, the assistant dean of women at Andrews University's Lamson Hall who died Friday in a traffic accident.

A statement by the university reported Alvarez-Muniz was driving with her mother, Lidia Duran, to pick grapes and was heading east on Dean's Hill Road about 4:30 p.m. when she failed to yield at Michigan 140 in Berrien Center. The vehicle was struck on the driver's side by a southbound auto.

The statement said Alvarez-Muniz was dead at the scene and Duran was transported to a local hospital for treatment of non-life-threatening injuries. The driver of the other auto, identified by Berrien County sheriff's deputies as Frank Simko, 49, of Berrien Center, escaped injury.

Alvarez-Muniz's husband, Paul, was in Maryland at the time of the accident, the university reported. After he and other family members were notified, word of the tragedy was released on campus, with campus ministry chaplains notifying hundreds of students attending a campus worship service known as Fusion. It was only a matter of seconds before online tributes began to appear on Facebook and other newsfeeds, as did messages of comfort and support for the family.

Jennifer Burrill, dean of women at Lamson Hall, described Alvarez-Muniz, known to many simply as "Espi," as a "genuine, compassionate, resilient, strong and courageous woman of God." Her faith, Burrill said, was "palpable."

"Just last evening (Thursday), she was walking around third floor writing messages on dry-erase boards hanging on some of the doors," Burrill recalled. "I remember thinking, 'She must care for us.'"

Grief support and pastoral counseling services were made available throughout the weekend and today. Should anyone still be in need of someone to talk to, the dean on duty at the Lamson Hall desk can be contacted at 269-471-3446 and will connect the caller with a member of the counseling/pastoral staff.

A memorial also has been set up in the hallway leading from the main lobby at Lamson Hall. Strips of paper are available for messages that will be strung on a memory chain to be draped on a wooden cross outside of Alvarez-Muniz's office. The chain will be presented to her husband as a keepsake.

A support and prayer service was conducted Sunday night at the Lamson Hall chapel. Funeral arrangements are pending.

Andrews Dean Dies In Car Accident

Joe Garber Reporting
A Friday afternoon car collision has taken the life of an Andrews University dean. 41 year old Esperanza Alvarez-Muniz was an assistant dean of women for Lamson Hall. On Friday afternoon, she was driving with her mom from picking grapes. Police say she failed to yield at the intersection of Dean's Hill Road and M-140 in Berrien Center. Her car was hit on the drivers side by a van. Alvarez-Muniz's husband Paul learned of the news out of town - he was in Maryland. Andrews University said students sent dozens of messages of comfort to Paul. Alvarez-Muniz graduated with a Master of Divinity from Andrews in 2007. Jennifer Burrill, Dean of Women at Lamson Hall, described Alvarez-Muniz as a genuine, compassionate, strong and courageous woman.
Crash takes life of Andrews University assistant dean for women

WSBT-TV Report

3:25 AM EDT, October 17, 2011

Esperanza Alvarez-Muniz, assistant dean of women for Andrews University’s Lamson Hall, died in a two-vehicle crash late Friday afternoon.

Alvarez-Muniz, 41, was driving her mother, Lidia Duran, to go pick grapes in the countryside when the accident happened, a university news release stated.

Berrien County police said Alvarez-Muniz was driving east on Deans Hill Road and failed to yield at the M-140 intersection. Her car collided with a southbound vehicle on M-140, driven by Frank Simko, 49, of Berrien Center.

Simko was not injured. Duran was taken to Lakeland Regional Medical Center, St. Joseph. No information was available on Duran’s condition.

Alvarez-Muniz had been assistant dean of women for Lamson Hall since 2008.

Andrews University mourning loss of assistant dean

By Daily Star

Published 7:51pm Sunday, October 16, 2011

One person is dead in a two-car accident at M-140 and Dean’s Hill Road in Berrien Center Friday.
The Berrien County Sheriff Department responded to a two-car personal injury accident that occurred at 4:25 p.m.
A small passenger vehicle traveling east on Dean’s Hill Road failed to yield at the intersection of Dean’s Hill Road and M-140, resulting in the southbound vehicle traveling on M-140 to collide with the eastbound vehicle.
The eastbound vehicle driver, Esperanza Alvarez-Muniz, 41, was pronounced deceased at the scene. The eastbound passenger, her mother, Lidia Duran, had incapacitating injuries and was transported to Lakeland Community Hospital emergency room in Niles.
The southbound driver was identified as 49-year-old Frank Simko of Berrien Center; he was not injured.
Berrien County Sheriff Accident Reconstruction, Eau Claire/Berrien Township Fire Department, Eau Claire Police Department, Medic 1 Ambulance and Southwestern Michigan Community Ambulance Service also responded to the scene.

College mourns Esperanza

Alvarez-Muniz, assistant dean of women for Lamson Hall and a beloved mentor, friend and colleague to those who knew her.
Esperanza, 41, was driving with her mother, Lidia Duran, Friday around 4:30 p.m., to go pick grapes in the countryside when the crash occurred.
Esperanza died at the scene. Her mother, Lidia, received non-life threatening injuries and was taken to a local hospital.
A memorial has been set-up in the hallway leading from the main Lamson Hall lobby. A gathering of support and prayer service is planned for 6 p.m. on Sunday in the Lamson Hall Chapel. All students, staff and faculty are welcome to attend.
Funeral arrangements are pending.

Robert Robinson, Former HR Director, Passes Away

Robert Robinson, 84, of Niles, Mich., passed away at West Woods of Niles on Thursday, October 13, 2011. Robinson was the director of the Andrews University Office of Human Resources for many years. He is survived by his wife, Martha Robinson, former employee of Accounts Receivable, currently in West Woods Nursing Home in Niles, Mich. He also has a daughter, Karolee Robinson, an Andrews alum, of La Grange, Ill., and son Stephen Robinson, also an Andrews alum, of Rosamond, Calif.

A visitation (no service) will be on Thursday, October 20 from 6-8 p.m. at the Brown Funeral Home, located at 521 East Main Street in Niles.

A Memorial to Esperanza Alvarez-Muniz

A memorial has been set-up in the hallway leading from the main Lamson Hall lobby. Strips of paper are available to write a message on and create a paper memory chain. The chain is draped on a wooden cross sitting outside of Dean Muniz's office. It will be given to her husband Paul as a keepsake.

Berrien Springs Camera Club: Monthly Meeting

Wednesday, Nov. 2
7 p.m., Berrien Springs Public Library

The monthly meeting of the Berrien Springs Camera Club will take place on Wednesday, Nov. 2 at 7 p.m. in the Berrien Springs Public Library at Cass (Old 31) and Union. The program this month is to give members an overview of two software programs most often used for editing digital images. Cheryl Thomas, the club president, will give a presentation on Adobe Photoshop, used by most professionals. Shelly Martinez, the club secretary, will demonstrate Adobe Photoshop Elements, a very popular and adequate editing program used by amateurs and some professionals. This will include the Elements Organizer, Camera Raw, the Elements Editor and more.

Thomas is a professional photographer, and Martinez has been an amateur photographer since 2008. Having been a computer software instructor for about 10 years, Martinez taught herself Photoshop Elements. Last year, she scored second in the club for totally points from the year's bimonthly competitions. Both photographers regularly earn the "honors" rating in the club's competitions, and they will share step-by-step how they prepare their images for printing and competition using these programs.

All are welcome to attend. Refreshments will be served.

Spring Tour to China

If you’ve ever wished to visit China and see some of the famous places you’ve read or heard about, now is the perfect time to go! There will be a planned tour to China from May 7–24, 2012. This opportunity allows you to go with an experienced tour guide, Xiaoming Xu, who has already spent 13 years as a tour guide for China International Travel Services in her native land.

The tour includes cities such as Beijing, Xian, Tibet, Kunming and Tunxi. Some of the highlights of the trip involve visiting historical landmarks such as the Great Wall and the Forbidden City, experiencing tea houses and palaces, and enjoying scenic gardens and countrysides.

Xiaoming will arrange for visas, and the tour fee takes into account the bus ride to the South Bend airport, all air travel, accommodations and meals for each day. For more information, please contact Xiaoming Xu at 269-471-3858 or xu.5253@hotmail.com.

Lose Your ID Card? Steps to Take

ATTN: Students on a meal plan or have an account for use at the Andrews Bookstore or ITS accounts associated with their ID Card:

If you lose your ID card, stop by the Office of Dining Services to have it put on "Lost" status. This ensures no one else is able to use your card to make purchases. You also need to report it as lost:
www.andrews.edu/go/myid

If you have a meal plan and have lost your ID card, the Office of Dining Services can provide a temporary meal ticket ($25 deducted from their meal plan +$2 fee). This allows you to still be able to charge meals to your account until you replace your card.

Questions? The Office of Dining Services is open from 9 a.m.-5:30 p.m. Monday-Thursday, and 9 a.m.-noon on Fridays. You can also call 269-471-3161.
