Loma Linda Pre-Dent Interviews
Mon.-Wed., Oct. 24-26
Schedule an interview, Department of Chemistry & Biochemistry

Dr. Kasischke of Loma Linda University School of Dentistry will be on campus Monday–Wednesday, October 24–October 26. Please come by the Department of Chemistry & Biochemistry to schedule an interview if you would like to discuss your dental school options with Dr. Kasischke. You will also want to put 5:30 p.m., Tuesday night, in the biology amphitheater on your calendar so that you can come to the presentation Dr. Kasischke has planned for students interested in a career in dentistry.

Graduate Student Week of Spiritual Emphasis
Oct. 31–Nov 5
Seminary Chapel

The second annual Graduate Week of Spiritual Emphasis is planned for Oct. 31–Nov. 5, 2011. Patrick Graham, an Andrews University alum serving as a pastor in Maryland, will be the featured speaker and the theme for the week is "Be Changed, then Change Your World." Each evening, graduate students will gather in the Seminary Chapel from 6–7:30 p.m. and on Sabbath a service will be held at 11 a.m., also in the Seminary Chapel. All graduate students are invited and encouraged to attend.

The Graduate Student Spiritual Life Committee, comprised of graduate students, aims to infuse spirituality throughout the culture and student experience at Andrews University. The committee works closely with Christon Arthur, dean of the School of Graduate Studies & Research, to develop meaningful programming and build community among graduate students.

"Education is holistic in nature and should affect the intellectual, emotional, social, spiritual and physical attributes of the learner," says Arthur. "We are all broken people who are seeking wholeness. Some of our students are struggling with broken relationships, broken homes, broken promises and broken communities. This is a week when we can seek God and find community that can restore. Connecting with God and community results in restoration and wholeness. That's what we hope can begin to happen during that week."

Pastor Graham is the newly assigned under-shepherd of the Sharon Seventh-day Adventist Church in Baltimore, Md., and enjoys preaching with revelation and inspiration. He comes with an extensive background catering to eschatological teachings and is passionate about working with the persons of all ages and teaching the soon coming of the Lord Jesus Christ. Graham believes, "It is easier to be saved than lost."

Gonzalez/Flores Concert at HPAC
Saturday, Oct. 29
8 p.m., Howard Performing Arts Center

On Saturday, Oct. 29 at 8 p.m., Claudio Gonzalez and Carlos Flores will perform at the Howard Performing Arts Center. Combining the rich flavors of Latin music with classically trained musicians, Gonzalez and Flores will present a faculty recital of music that flows naturally from their roots.

Venezuelan-born Claudio Gonzalez is a violinist with a doctoral degree in orchestral conducting. He is the conductor of the Andrews University Symphony Orchestra. The pianist, Carlos Flores, is a native of Mexico City and he is the chair of the Andrews University Department of Music. Flores has a PhD in music theory with musicology and performance.

Tickets
$10 General Seating
$5 Flex Series

United Way Campaign at 43% of Goal

The program is now at $4,300 of a $10,000 goal, and is in need of more support.

Dear Colleagues:

We are in the midst of our annual support of United Way. The money we and other local institutions provide stays in the area and helps local agencies, schools and support systems meet needs involving families, single parents, children and others who have run into hard times. Some members of our own University family have over the years benefited from United Way programs. For more information on United Way of Southwest Michigan, please visit http://www.uwsm.org/.

While your participation is completely voluntary, I do encourage you to participate again this year. Pledge forms were sent out three weeks ago and can be remitted to Dalry Payne in the Office of the President (0670). If you would like another form or have a question, feel free to contact Dalry, who has volunteered again this year to coordinate our United Way campaign.

Sincerely,

Niels-Erik Andreasen
President

Wakefield Named Top Trainer to Watch

On Friday, Oct. 14, at the 26th annual Club Industry Show in Chicago, Dominique Wakefield, director of fitness and exercise studies at Andrews University, assistant chair of the Department of Nutrition & Wellness and assistant professor in that department, was named one of ten “Personal Trainers to Watch” by the American Council on Exercise (ACE) and Life Fitness. Read full story.
A Memorial to Esperanza Alvarez-Muniz

A memorial has been set-up in the hallway leading from the main Lamson Hall lobby. Strips of paper are available to write a message on and create a paper memory chain. The chain is draped on a wooden cross sitting outside of Dean Muniz's office. It will be given to her husband Paul as a keepsake.

Andrews Receives Rankings and Enrollment Rises

The rankings are out, and once again Andrews University has been named one of the "Best National Universities" for 2012, as reported in U.S. News & World Report's "America's Best Colleges 2012" issue. Andrews was also recently ranked on Forbes.com's 2011's "America's Best Colleges."

Out of 280 institutions, only 101 private institutions are classified in U.S. News & World Report as national universities and Andrews is the only Seventh-day Adventist institution included in this classification.

Andrews University made a few other U.S. News & World Report college ranking lists, too: with a diversity index of .71, the University tied for 5th in Campus Ethnic Diversity. (The closer a school's number is to 1.0, the more diverse it is.) And with 12% of our student body composed of international students, Andrews tied for 8th in Most International Students.

Forbes.com also ranked Andrews University #545 in "America's Top Colleges," a compilation of the 650 best educational institutions (out of more than 6,000) across the country. Forbes gives an overall rating and smaller subcategory ratings; Andrews University also made the lists "Best Private Colleges," "Best Research Universities" and "Best in the Midwest."

The University has also seen an increase in enrollment, with 3,547 undergraduate, graduate and post-doctoral students on campus this September, the second highest ever. Last year's enrollment as of Census Day was 3,487. Total credit hours being taken this fall are at an all-time high. The 2011–2012 enrollment is almost evenly split between undergraduate and graduate students, with 1,844 undergraduate students and 1,618 graduate students including ministerial and professional degrees.

Logos Bible Software Releases Digital ASB

The Andrews Study Bible will soon be available as a digital product through a partnership between Andrews
Wakefield Named Top Trainer to Watch

Date: October 25, 2011

On Friday, Oct. 14, 2011, at the 26th annual Club Industry Show in Chicago, Dominique Wakefield, director of fitness and exercise studies at Andrews University, assistant chair of the Department of Nutrition & Wellness and assistant professor in that department, was named one of ten “Personal Trainers to Watch” by the American Council on Exercise (ACE) and Life Fitness.

After a six-month nationwide competition, ACE and Life Fitness, the leading manufacturer of commercial fitness equipment, named ten finalists along with the one “Top Personal Trainer to Watch” from a pool of 300 nominees, taken from over 260,000 fitness professionals in the U.S. Wakefield, one of the finalists, was recognized for her “significant commitment to fitness and in helping their clients achieve a lasting lifestyle change,” said Chris Clawson, president of Life Fitness. A video of all the finalists is on YouTube: www.youtube.com/watch?v=C81jJlyw3VU.

Wakefield has initiated a number of fitness initiatives on campus since arriving in 2008, including the FitZone fitness lab, a Bachelor of Science in Health & Fitness, a Bachelor of Health Science in Wellness and a minor in Fitness Education; programs to certify students as personal trainers or group fitness instructors, the annual Fitness Expo, and has helped to encourage an atmosphere of fitness across campus. She is also instrumental in PMC’s Health and Wellness Ministries, and assisted with the organization of the first Let’s Move Day. She holds a leadership role in the faculty fitness initiative AhealthyU, is an ACE-certified personal trainer, and is assistant coach for the Lady Cardinals soccer team.

Wakefield was nominated for her dedication to physical fitness and motivating the Andrews campus to achieve their God-given goal. She says, “God has created us so wonderfully and He has created our bodies to be active and to move! Caring for the body is an essential part of our beliefs in the Seventh-day Adventist Church, but physical fitness has not received nearly as much focus and attention as have other parts of the health message. Our community is struggling with the same issues and diseases that the rest of America is dealing with and physical fitness will provide many solutions to these problems!”

**WSBT: Electronics recycling available**
Andrews University is teaming up with Green Earth Electronics Recycling to offer the community the chance to safely recycle electronics. [Read full story.]
Dr. Tom Goodwin, a professor of paleobiology at Andrews University, will present a talk, "Ice Age Giants of Southwest Michigan," on Wednesday. This talk will briefly look at the mammoth and the mastodon, two large, elephant-like species which once populated Southwest Michigan. Goodwin, who has taught at Andrews University for 17 years, will show examples of fossils found locally.

The program is in keeping with the theme of The Heritage's newest exhibit, "Ice Age Imperials," focusing on the large mammals that roamed the Great Lakes region during the prehistoric era.

The Heritage has several fossils on loan from the Andrews University Natural History Museum, which is home to the Prillwitz Mammoth, the largest mammoth skeleton ever found in Michigan.

Goodwin has a doctorate in biology from the University of Kansas with a specialty in vertebrate paleontology. Most of his work has focused on Pleistocene (Ice Age) mammals from North America – especially fossil squirrels.

This program is part of The Heritage's annual Public Program Series, which is free for students and members of The Heritage and $5 for others.

Attendees may view the "Ice Age Imperials" exhibit, which will be open for one half hour before and after the program.

The Heritage is located at 601 Main St., St. Joseph.

Call (269) 983-1191 or visit www.theheritagemcc.org for more information.
Assistant dean Alvarez-Muniz remembered at Andrews University

By LOU MUMFORD

South Bend Tribune Staff Writer

4:48 PM EDT, October 17, 2011

BERRIEN SPRINGS -- Online tributes continue to be received regarding the death of Esperanza Alvarez-Muniz, the assistant dean of women at Andrews University's Lamson Hall who died Friday in a traffic accident.

A statement by the university reported Alvarez-Muniz was driving with her mother, Lidia Duran, to pick grapes and was heading east on Dean's Hill Road about 4:30 p.m. when she failed to yield at Michigan 140 in Berrien Center. The vehicle was struck on the driver's side by a southbound auto.

The statement said Alvarez-Muniz was dead at the scene and Duran was transported to a local hospital for treatment of non-life-threatening injuries. The driver of the other auto, identified by Berrien County sheriff's deputies as Frank Simko, 49, of Berrien Center, escaped injury.

Alvarez-Muniz's husband, Paul, was in Maryland at the time of the accident, the university reported. After he and other family members were notified, word of the tragedy was released on campus, with campus ministry chaplains notifying hundreds of students attending a campus worship service known as Fusion. It was only a matter of seconds before online tributes began to appear on Facebook and other newsfeeds, as did messages of comfort and support for the family.

Jennifer Burrill, dean of women at Lamson Hall, described Alvarez-Muniz, known to many simply as "Espi," as a "genuine, compassionate, resilient, strong and courageous woman of God." Her faith, Burrill said, was "palpable."

"Just last evening (Thursday), she was walking around third floor writing messages on dry-erase boards hanging on some of the doors," Burrill recalled. "I remember thinking, 'She must care for us.'"

Grief support and pastoral counseling services were made available throughout the weekend and today. Should anyone still be in need of someone to talk to, the dean on duty at the Lamson Hall desk can be contacted at 269-471-3446 and will connect the caller with a member of the counseling/pastoral staff.

A memorial also has been set up in the hallway leading from the main lobby at Lamson Hall. Strips of paper are available for messages that will be strung on a memory chain to be draped on a wooden cross outside of Alvarez-Muniz's office. The chain will be presented to her husband as a keepsake.

A support and prayer service was conducted Sunday night at the Lamson Hall chapel. Funeral arrangements are pending.

Andrews Dean Dies In Car Accident

Joe Garber Reporting

A Friday afternoon car collision has taken the life of an Andrews University dean. 41 year old Esperanza Alvarez-Muniz was an assistant dean of women for Lamson Hall. On Friday afternoon, she was driving with her mom from picking grapes. Police say she failed to yield at the intersection of Dean's Hill Road and M-140 in Berrien Center. Her car was hit on the drivers side by a van. Alvarez-Muniz's husband Paul learned of the news out of town - he was in Maryland. Andrews University said students sent dozens of messages of comfort to Paul. Alvarez-Muniz graduated with a Master of Divinity from Andrews in 2007. Jennifer Burrill, Dean of Women at Lamson Hall, described Alvarez-Muniz as a genuine, compassionate, strong and courageous woman.
Crash takes life of Andrews University assistant dean for women

WSBT-TV Report

3:25 AM EDT, October 17, 2011

Esperanza Alvarez-Muniz, assistant dean of women for Andrews University’s Lamson Hall, died in a two-vehicle crash late Friday afternoon.

Alvarez-Muniz, 41, was driving her mother, Lidia Duran, to go pick grapes in the countryside when the accident happened, a university news release stated.

Berrien County police said Alvarez-Muniz was driving east on Deans Hill Road and failed to yield at the M-140 intersection. Her car collided with a southbound vehicle on M-140, driven by Frank Simko, 49, of Berrien Center.

Simko was not injured. Duran was taken to Lakeland Regional Medical Center, St. Joseph. No information was available on Duran’s condition.

Alvarez-Muniz had been assistant dean of women for Lamson Hall since 2008.

UPDATE: Andrews University employee killed in car crash

Posted: Oct 15, 2011 5:27 PM EDT
By Amanda Tetlak, Weekend Anchor/MJ - email

A Berrien County woman was killed in a car crash yesterday afternoon.

The sheriff's department says 49-year-old Frank Simko of Berrien Center was driving south bound on M-140 and collided with a driver traveling east bound on Deans Hill Road who failed to yield at the intersection.

According to Andrews University the east bound vehicle driver was 41-year-old Esperanza Alvarez-Muniz, who was pronounced dead at the scene.

Alvarez-Muniz was the assistant dean of women for Lamson Hall at Andrews University.

The University says she was driving with her mother to pick grapes.

Her mother suffered non-life threatening injuries.

Simko wasn't injured.
BERRIEN SPRINGS - The woman who died Friday in a two-car crash in Berrien Township was an assistant dean at Andrews University, the university announced.

Esperanza Alvarez-Muniz, 41, was assistant dean of women for Lamson Hall. She was "a beloved mentor, friend and colleague to those who knew her," the university reported in a news release Saturday.

The university has established a grief support and pastoral counseling outreach in response to the incident, the university reported.

The university reported that Muniz was driving with her mother, Lidia Duran, to pick grapes in the countryside.

The Berrien County Sheriff's Department reported that Muniz was driving east on Dean's Hill Road at about 4:30 p.m. She failed to yield at the intersection M-140. A vehicle traveling south struck the driver's side of Esperanza's car.

She died at the scene.

Duran suffered non-life threatening injuries, the university announced, and was taken to Lakeland Community Hospital, Niles. The other driver, Frank Simko, 49, of Berrien Center, was not injured.

Muniz's husband, Paul, was in Maryland when the accident occurred, the university reported.

After he and Muniz's family were notified, the university immediately released the information to the Andrews community.

Muniz worked as a student dean at Lamson Hall while a student at the Seventh-day Adventist Theological Seminary. In 2007, she graduated with her Master of Divinity degree, but there were no positions available locally, so she went to teach in New York City. In 2008, Muniz married Paul, whom she met while they were both students in the seminary. That same year, Muniz received an invitation to return to Lamson Hall as assistant dean of women.
Andrews University mourning loss of assistant dean

By Daily Star

Published 7:51pm Sunday, October 16, 2011

One person is dead in a two-car accident at M-140 and Dean’s Hill Road in Berrien Center Friday.
The Berrien County Sheriff Department responded to a two-car personal injury accident that occurred at 4:25 p.m.
A small passenger vehicle traveling east on Dean’s Hill Road failed to yield at the intersection of Dean’s Hill Road and M-140, resulting in the southbound vehicle traveling on M-140 to collide with the eastbound vehicle.
The eastbound vehicle driver, Esperanza Alvarez-Muniz, 41, was pronounced deceased at the scene. The eastbound passenger, her mother, Lidia Duran, had incapacitating injuries and was transported to Lakeland Community Hospital emergency room in Niles.
The southbound driver was identified as 49-year-old Frank Simko of Berrien Center; he was not injured.
Berrien County Sheriff Accident Reconstruction, Eau Claire/Berrien Township Fire Department, Eau Claire Police Department, Medic 1 Ambulance and Southwestern Michigan Community Ambulance Service also responded to the scene.

College mourns Esperanza

Alvarez-Muniz, assistant dean of women for Lamson Hall and a beloved mentor, friend and colleague to those who knew her.
Esperanza, 41, was driving with her mother, Lidia Duran, Friday around 4:30 p.m., to go pick grapes in the countryside when the crash occurred.
Esperanza died at the scene. Her mother, Lidia, received non-life threatening injuries and was taken to a local hospital.
A memorial has been set-up in the hallway leading from the main Lamson Hall lobby. A gathering of support and prayer service is planned for 6 p.m. on Sunday in the Lamson Hall Chapel. All students, staff and faculty are welcome to attend.
Funeral arrangements are pending.
A Memorial to Esperanza Alvarez-Muniz

A memorial has been set-up in the hallway leading from the main Lamson Hall lobby. Strips of paper are available to write a message on and create a paper memory chain. The chain is draped on a wooden cross sitting outside of Dean Muniz’s office. It will be given to her husband Paul as a keepsake.

Spring Tour to China

If you’ve ever wished to visit China and see some of the famous places you've read or heard about, now is the perfect time to go! There will be a planned tour to China from May 7–24, 2012. This opportunity allows you to go with an experienced tour guide, Xiaoming Xu, who has already spent 13 years as a tour guide for China International Travel Services in her native land.

The tour includes cities such as Beijing, Xian, Tibet, Kunming and Tunxi. Some of the highlights of the trip involve visiting historical landmarks such as the Great Wall and the Forbidden City, experiencing tea houses and palaces, and enjoying scenic gardens and countrysides.

Xiaoming will arrange for visas, and the tour fee takes into account the bus ride to the South Bend airport, all air travel, accommodations and meals for each day. For more information, please contact Xiaoming Xu at 269-471-3858 or xu.5253@hotmail.com.

Lose Your ID Card? Steps to Take

ATTN: Students on a meal plan or have an account for use at the Andrews Bookstore or ITS accounts associated with their ID Card:

If you lose your ID card, stop by the Office of Dining Services to have it put on "Lost" status. This ensures no one else is able to use your card to make purchases. You also need to report it as lost:

[link to website]

If you have a meal plan and have lost your ID card, the Office of Dining Services can provide a temporary meal ticket ($25 deducted from their meal plan + $2 fee). This allows you to still be able to charge meals to your account until you replace your card.

Questions? The Office of Dining Services is open from 9 a.m.-5:30 p.m. Monday-Thursday, and 9 a.m.-noon on Fridays. You can also call 269-471-3161.

Free Black Kitten

Free black kitten to a loving family or individual. She is about 6 or 7 weeks old, litter box trained, playful and friendly to a fault. Litter box and kitten food are also free. She is from a farm nearby and her mother died about 1 week ago. We would rather keep her but cannot because of our existing alpha-female cat. Call for more details.
