United Way Campaign at 43% of Goal

The program is now at $4,300 of a $10,000 goal, and is in need of more support.

Dear Colleagues:

We are in the midst of our annual support of United Way. The money we and other local institutions provide stays in the area and helps local agencies, schools and support systems meet needs involving families, single parents, children and others who have run into hard times. Some members of our own University family have over the years benefitted from United Way programs. For more information on United Way of Southwest Michigan, please visit [http://www.uwsm.org](http://www.uwsm.org).

While your participation is completely voluntary, I do encourage you to participate again this year. Pledge forms were sent out three weeks ago and can be remitted to Dalry Payne in the Office of the President (0670). If you would like another form or have a question, feel free to contact Dalry, who has volunteered again this year to coordinate our United Way campaign.

Sincerely,

Niels-Erik Andreasen
President

Andrews to Host 20th Annual Acrofest

Andrews University is gearing up to host the 20th annual Acrofest, an event that brings Seventh-day Adventist gymnasts together from institutions across the country and around the world, from Nov. 10–12, 2011. Each year, a different Seventh-day Adventist institution hosts Acrofest, offering gymnasts an opportunity for spiritual renewal and a chance to collaborate with other gymnasts, including a live final performance on Saturday, Nov. 12, at 8 p.m. in the Johnson Gymnasium. Tickets are required, but it is open to the public.

This year’s Acrofest attendees will come from as far away as Antillean Adventist University in Puerto Rico and Canadian University College in Lacombe, Alberta. Acrofest will take place in the Johnson Gymnasium on the campus of Andrews University in Berrien Springs, Mich. This year’s theme, “He Could Have Said No, But He Said Yes,” will emphasize the ultimate sacrifice Christ made for mankind.

“This isn’t just a Gymnastics event; it’s an Andrews University event. We’ve got volunteers from across campus—students, faculty and staff—who are helping in so many ways, including just simply serving food to our nearly 1,000 Acrofest guests,” says Christian Lighthall, coach for the Andrews University Gymnastics.

The first Acrofest was held in 1991 at Andrews University. Under the leadership of Coach Robert Kalua, that first Acrofest drew 600 gymnasts and their coaches. By creating a non-competitive atmosphere, Coach Kalua helped establish opportunities for quality instruction and aimed for education and team development within the Seventh-day Adventist educational system.

During the three-day event, gymnasts have several opportunities to hone their skills. Workshops, such as Learning Pyramids and Human Video (using gymnastic skills to portray Biblical themes) are complemented by clinic stations, such as tumbling, which will offer gymnasts a chance to test-tumble on various types of tumbling floors. A unique opportunity this year is a circus station run by a circus fraternity from Illinois State University.

During Acrofest, the Seventh-day Adventist Gymnastics Association will convene with approximately 60 coaches expected to attend. Coach Lighthall is currently serving as president of the association. He was elected in July for a four-year term. Lighthall says, “We will be discussing and finalizing the mission, guidelines and bylaws of the Seventh-day Adventist Gymnastics Association.

On Saturday, Nov. 12, Matt Gamble, speaker for the self-supporting ministry Vagabond Servant, and an Andrews alum, will be giving the Sabbath sermon in Johnson Gym at 10 a.m.

The public is invited to attend the closing ceremony for Acrofest on Saturday, Nov. 12, at 8 p.m. in the Johnson Gymnasium. All the teams will be participating in this visually captivating finale. Tickets are $10 each and children on laps are free. Tickets are available at the Pool Desk in Beaty Gym, the desk at Fitness & Exercise Studies located in the lower level of Johnson Gym or at the door. “Tickets will sell out so advance purchase is highly recommended,” says Lighthall.

The Andrews University Gymnastics is a 30-member team of sports acrobats. They combine difficult balancing stunts, complex pyramid building involving multiple transitions, progressive ground tumbling, teeterboard routines, handstand pressing on block stands and mini-tramp routines in a one-hour program. In addition to their visually fantastic performances, they take pride in their anti-drug assemblies and religious programming.
Graduate Week of Spiritual Emphasis

Date: **October 25, 2011**

The second annual Graduate Week of Spiritual Emphasis is planned for **Oct. 31–Nov. 5, 2011**. Patrick Graham, an Andrews University alum serving as a pastor in Maryland, will be the featured speaker and the theme for the week is "Be Changed, then Change Your World." Each evening, graduate students will gather in the Seminary Chapel from 6–7:30 p.m. and on Sabbath a service will be held at 11 a.m., also in the Seminary Chapel. All graduate students are invited and encouraged to attend.

The Graduate Student Spiritual Life Committee, comprised of graduate students, aims to infuse spirituality throughout the culture and student experience at Andrews University. The committee works closely with Christon Arthur, dean of the School of Graduate Studies & Research, to develop meaningful programming and build community among graduate students.

"Education is holistic in nature and should affect the intellectual, emotional, social, spiritual and physical attributes of the learner," says Arthur. "We are all broken people who are seeking wholeness. Some of our students are struggling with broken relationships, broken homes, broken promises and broken communities. This is a week when we can seek God and find community that can restore. Connecting with God and community results in restoration and wholeness. That’s what we hope can begin to happen during that week."

Pastor Graham is the newly assigned under-shepherd of the Sharon Seventh-day Adventist Church in Baltimore, Md., and enjoys preaching with revelation and inspiration. He comes with an extensive background catering to eschatological teachings and is passionate about working with the persons of all ages and teaching the soon coming of the Lord Jesus Christ. Graham believes, “It is easier to be saved than lost.”
Wakefield Named Top Trainer to Watch

On Friday, Oct. 14, 2011, at the 26th annual Club Industry Show in Chicago, Dominique Wakefield, director of fitness and exercise studies at Andrews University, assistant chair of the Department of Nutrition & Wellness and assistant professor in that department, was named one of ten “Personal Trainers to Watch” by the American Council on Exercise (ACE) and Life Fitness.

After a six-month nationwide competition, ACE and Life Fitness, the leading manufacturer of commercial fitness equipment, named ten finalists along with the one “Top Personal Trainer to Watch” from a pool of 300 nominees, taken from over 260,000 fitness professionals in the U.S. Wakefield, one of the finalists, was recognized for her “significant commitment to fitness and in helping their clients achieve a lasting lifestyle change,” said Chris Clawson, president of Life Fitness. A video of all the finalists is on YouTube: www.youtube.com/watch?v=C81jJlyw3VU.

Christopher Clawson, (left), president of Life Fitness Division of Brunswick Corporation, was on hand to congratulate Wakefield (center). They were joined by Deborah Piltt, a master trainer at Life Fitness Academy. (Contributed photo)

Wakefield has initiated a number of fitness initiatives on campus since arriving in 2008, including the FitZone fitness lab, a Bachelor of Science in Health & Fitness, a Bachelor of Health Science in Wellness and a minor in Fitness Education; programs to certify students as personal trainers or group fitness instructors, the annual Fitness Expo, and has helped to encourage an atmosphere of fitness across campus. She is also instrumental in PMC’s Health and Wellness Ministries, and assisted with the organization of the first Let’s Move Day. She holds a leadership role in the faculty fitness initiative AhealthyU, is an ACE-certified personal trainer, and is assistant coach for the Lady Cardinals soccer team.

Wakefield was nominated for her dedication to physical fitness and motivating the Andrews campus to achieve their God-given goal. She says, “God has created us so wonderfully and He has created our bodies to be active and to move! Caring for the body is an essential part of our
beliefs in the Seventh-day Adventist Church, but physical fitness has not received nearly as much focus and attention as have other parts of the health message. Our community is struggling with the same issues and diseases that the rest of America is dealing with and physical fitness will provide many solutions to these problems!"

Dr. Tom Goodwin, a professor of paleobiology at Andrews University, will present a talk, "Ice Age Giants of Southwest Michigan," on Wednesday.

This talk will briefly look at the mammoth and the mastodon, two large, elephant-like species which once populated Southwest Michigan. Goodwin, who has taught at Andrews University for 17 years, will show examples of fossils found locally.

The program is in keeping with the theme of The Heritage’s newest exhibit, "Ice Age Imperials," focusing on the large mammals that roamed the Great Lakes region during the prehistoric era.

The Heritage has several fossils on loan from the Andrews University Natural History Museum, which is home to the Prillwitz Mammoth, the largest mammoth skeleton ever found in Michigan.

Goodwin has a doctorate in biology from the University of Kansas with a specialty in vertebrate paleontology. Most of his work has focused on Pleistocene (Ice Age) mammals from North America – especially fossil squirrels.

This program is part of The Heritage’s annual Public Program Series, which is free for students and members of The Heritage and $5 for others.

Attendees may view the "Ice Age Imperials" exhibit, which will be open for one half hour before and after the program.

The Heritage is located at 601 Main St., St. Joseph.

Assistant dean Alvarez-Muniz remembered at Andrews University

By LOU MUMFORD

South Bend Tribune Staff Writer

4:48 PM EDT, October 17, 2011

BERRIEN SPRINGS -- Online tributes continue to be received regarding the death of Esperanza Alvarez-Muniz, the assistant dean of women at Andrews University's Lamson Hall who died Friday in a traffic accident.

A statement by the university reported Alvarez-Muniz was driving with her mother, Lidia Duran, to pick grapes and was heading east on Dean's Hill Road about 4:30 p.m. when she failed to yield at Michigan 140 in Berrien Center. The vehicle was struck on the driver's side by a southbound auto.

The statement said Alvarez-Muniz was dead at the scene and Duran was transported to a local hospital for treatment of non-life-threatening injuries. The driver of the other auto, identified by Berrien County sheriff's deputies as Frank Simko, 49, of Berrien Center, escaped injury.

Alvarez-Muniz's husband, Paul, was in Maryland at the time of the accident, the university reported. After he and other family members were notified, word of the tragedy was released on campus, with campus ministry chaplains notifying hundreds of students attending a campus worship service known as Fusion. It was only a matter of seconds before online tributes began to appear on Facebook and other newsfeeds, as did messages of comfort and support for the family.

Jennifer Burrill, dean of women at Lamson Hall, described Alvarez-Muniz, known to many simply as "Espi," as a "genuine, compassionate, resilient, strong and courageous woman of God." Her faith, Burrill said, was "palpable."

"Just last evening (Thursday), she was walking around third floor writing messages on dry-erase boards hanging on some of the doors," Burrill recalled. "I remember thinking, 'She must care for us.'"

Grief support and pastoral counseling services were made available throughout the weekend and today. Should anyone still be in need of someone to talk to, the dean on duty at the Lamson Hall desk can be contacted at 269-471-3446 and will connect the caller with a member of the counseling/pastoral staff.

A memorial also has been set up in the hallway leading from the main lobby at Lamson Hall. Strips of paper are available for messages that will be strung on a memory chain to be draped on a wooden cross outside of Alvarez-Muniz's office. The chain will be presented to her husband as a keepsake.

A support and prayer service was conducted Sunday night at the Lamson Hall chapel. Funeral arrangements are pending.

Andrews Dean Dies In Car Accident

Joe Garber Reporting
A Friday afternoon car collision has taken the life of an Andrews University dean. 41 year old Esperanza Alvarez-Muniz was an assistant dean of women for Lamson Hall. On Friday afternoon, she was driving with her mom from picking grapes. Police say she failed to yield at the intersection of Dean's Hill Road and M-140 in Berrien Center. Her car was hit on the drivers side by a van. Alvarez-Muniz's husband Paul learned of the news out of town - he was in Maryland. Andrews University said students sent dozens of messages of comfort to Paul. Alvarez-Muniz graduated with a Master of Divinity from Andrews in 2007. Jennifer Burrill, Dean of Women at Lamson Hall, described Alvarez-Muniz as a genuine, compassionate, strong and courageous woman.
Esperanza Alvarez-Muniz, assistant dean of women for Andrews University's Lamson Hall, died in a two-vehicle crash late Friday afternoon.

Alvarez-Muniz, 41, was driving her mother, Lidia Duran, to go pick grapes in the countryside when the accident happened, a university news release stated.

Great Controversy Revisited

Place of Huss' Death, Konstanz

The Colosseum, Rome
What others say...

A Church Leader
• “Attending the Great Controversy Tour was a high point in my ministry. I am so thankful I went. The question I had to ask myself at the close of the trip was, ‘Could I stand fast and true like the reformers did?’ In the cave where 150 Waldensian believers were smoked to death, I recommitted myself to the Lord and to ministry. I’m so thankful for the opportunity to have attended this trip.”
John Loor, Jr., President, Montana Conference.

PEOPLE FROM ALL WALKS OF LIFE HAVE LOVED GOING ON THE GREAT CONTROVERSY TOUR.

A Busy Doctor
• “This tour was like a spiritual pilgrimage for me a highlight of everything I’ve ever done. I was very blessed in every way, and motivated to continue to study the Reformation and give presentations to both SDAs and non-SDAs. It is a tour for the serious student of church history. The more one studies ahead of time, the more you will be able to take advantage of the trip.”
Ron Fleck, M.D., Washington.

A Young Person
“Wow! This was an amazing tour. I am surprised that more families with teens don’t do it. Perhaps they do and I just don’t know...but it really taught me about how our church began and also about what we, as the final generation will face. When we climbed the Casteluzzo it made me think about what I would have done. Would I have recanted, or kept my stand? Thank you so much for providing this tour! May God bless us as we near the end, and let us remain faithful.” (Marzanna Lawson, 15 years old, California)

If the trip is cancelled due to political circumstances a full or partial refund, less administrative costs, will be issued.
“I especially appreciated the places visited with the fulfillment of Bible prophecy! The Bible ‘came alive’ and was very meaningful! It was educational, a step back in history and most interesting. It was nice to meet and associate with many wonderful people! Very well organized! I could highly recommend taking this tour!” Reatha Ekvall, retired, tour guide at Adventist Village in Battle Creek, Michigan, Florida.
