Photo of the Week: On Sunday, Nov. 4, students and families from the Renaissance Kids Architecture Day Camp celebrated the completion of this year’s project: the design and construction of a new fire pit and seven masonry piers adjacent to the Art & Design Building. It was created to be a new social gathering place on campus for students, staff and faculty. The Renaissance Kids project design is intended to symbolize and celebrate the recent union of the School of Architecture with the Department of Visual Art & Design into the newly created School of Architecture, Art & Design, which is the sponsor for Renaissance Kids. He is a preacher, musician, worship leader and has shared all of those gifts here when he was a student and since being invited back on numerous occasions. He has been on a journey with Christ that he will share with us this week. We look forward to worshipping with you this week!

Chicago
The ONE Project is committed to the idea that a Jesus-driven, Jesus-bathed, Jesus-backed, Jesus-led, Jesus-filled, Jesus-powered, all-about-Jesus Adventist Church is the uncompromising directive from our past, the joy of our present, and the hope for our future. We claim the primal Adventist impulse: a longing to be with Jesus. We love our church. And so we want the greatest gift for it . . . Jesus. We believe pulpits, classrooms, worship halls, board rooms, living rooms—life!—should be drenched in the Spirit of Jesus.

The ONE Project seeks — through gatherings, conversations, web-based content, and Christ-focused publications — to stimulate preaching, worship, and adoration of Jesus within the Adventist church. Learn more at www.the1project.org.

Andrews University United Way Goal Reached!

Thanks to the enthusiasm of our campus employees, we have surpassed our participation goal and our campaign dollar goal in record time. To date, 114 individual employees have donated $11,500. Both of these numbers exceed the previous five years of Andrews United Way Employee Campaigns. I am deeply grateful for the campus spirit of generosity and support. I believe the United Way Campaign is a very visible and powerful way to provide stewardship and support to our community. All locally donated funds are distributed locally. Andrews University can become the light and salt our neighbors need, right here in Southwest Michigan.

As promised, I will now, literally, “Jump into the United Way Campaign.” You are invited to come to the Beaty Pool on Thursday, Nov. 15, at 3:30 p.m. to witness my plunge. (Live streaming will be available at www.andrews.edu/president.) Representatives from United Way will also be on hand. Their staff has been encouraged by our increased support, and the accompanying fun, and they want to join in celebrating the successful conclusion of our Andrews United Way Employee Campaign.

Thank you, as well, to those who will be impressed to give in our final days of this campaign, which formally closes on November 14. If you haven’t given to this year’s campaign, we still welcome your pledge forms. Pledge forms may be returned to the Office of the President. The four-digit on-campus zip code is 0670.

Important Information on Moodle Downtime

In order to upgrade Moodle to provide new features requested by faculty, Moodle will be down on January 3, 2013 and maybe January 4, 2013. To make this upgrade successful and ensure minimum disruption to your planning, please be mindful of the dates listed below:
November–December: Watch for news items from the DLiT and in the Andrews Agenda. These items will focus on new features and looks in Moodle.

On or before Thursday, Dec. 20, 2012: Quick reference guides will be available at www.andrews.edu/services/dlit/instructional_tech/moodle.html.

January 3 (and possibly Jan. 4, only if needed), 2013—Moodle will not be available.

January 2013 Moodle Training Schedule
Bell Hall: 1/7, 1–4 p.m.
Marsh Hall: 1/8, 8:30–11:30 a.m.
Buller/Nethery Halls: 1/8, 2–5 p.m.
Architecture: 1/9, 8:30–11:30 a.m.
Chan Shun Hall: 1/10, 9:30 a.m.–12:30 p.m.
Seminary: 1/10, 2–5 p.m.

If you want to get your courses ready for spring 2013, those are already in Moodle. The new content you put in will be moved into the upgrade on January 3, 2013. The DLiT is working hard to make this transition as smooth as possible. If you have any questions, please feel free to email dlit@andrews.edu.

Volunteers Needed for Battery Recycling Program

The Battery Recycling Program, initiated by Todd Cook, an MSW student, continues to positively move forward at Andrews University. As of October 22, approximately 150 pounds of batteries have been collected for recycling. Cook says the majority of batteries for recycling have gone to the RadioShack at the University Park Mall in Mishawaka. “Radio Shack continues to support me in my efforts. The manager, David Lint, and the store employees are awesome to work with,” says Cook. Cook’s efforts have been self-funded and supported, however, team members are needed. In particular, additional manpower is needed to collect batteries from the campus drop-off containers. If you are interested in joining the efforts please contact Todd at 574-367-0456.

"Transforming Children Into Spiritual Champions"
(Session is approx. 90 minutes long)
Among the chief assets of a church are its children. Our approach to their spiritual maturation must be intentional and strategic. This session describes Barna's research regarding moral and spiritual development, educational strategy, and family-church partnerships, as well as steps churches and parents may take to buck the culture and raise spiritually mature young people.

"Revolutionary Parenting"
(Session is approx. 80 minutes long)
This session describes some of the emphases that relate to how parents facilitate a lifelong devotion to serving God through one's gifts and abilities. Barna will discuss why ministry to children matters; what the Bible says about raising kids; common but ineffective parenting strategies; and the practices of effective parents. Based on research among young adults who have grown up to serve the Lord, and interviews with their parents.

"Intentional Development of a Biblical Worldview"
University Forum
Less than one out of every five born again adults possess a biblical worldview--and it is the inability to think like Jesus that prevents people from acting like Jesus. Based on his research among individuals who have such a way of interpreting reality, and insights from the churches that are effectively assisting people in the development of a biblical worldview, Barna will describe America’s worldviews and how churches can become more strategically involved in facilitating a biblical worldview.

Mesopotamian Sumero-Babylonian Creation and Flood Stories
Sunday, Nov. 11

"Mesopotamian Sumero-Babylonian Creation and Flood Stories" will be the topic for Connie Gane at the next Adventist Retiree's potluck and meeting at the Village Church Family Center on Nov. 11 at 1 p.m. The biblical stories of creation and the flood are not the only such accounts in ancient Near Eastern literature. A number of Sumerian and Akkadian literary texts make reference to events related to creation and the flood and provide a nuanced perspective that is of great interest to anyone interested in the biblical accounts.
