Andrews an "Overperforming School" According to U.S. News & World Report

Andrews University was recently ranked #11 on U.S. News & World Report’s Overperforming Schools in the Nation list, with an overall score of +75. This concept measures the degree to which a university's overall position in the rankings exceeds or falls short of its undergraduate academic reputation rank.

This was the magazine’s first-ever analysis of colleges in the national universities ranking category that are overperforming or underperforming their undergraduate academic reputations in terms of their overall Best Colleges 2013 rankings.

"This report appears to support the reality that small private/Christian institutions can—and often do—offer an environment of excellence and nurturing where students thrive and succeed, often beyond what might be expected," says Andrea Luxton, provost of Andrews University. “However, it is also difficult for smaller institutions to find the resources to communicate that value widely, which inevitably leads to an underestimation of value. As far as Andrews is concerned, this report recognizes that our quality programs are very competitive with some of the best institutions in the nation.”

In the study, the schools that were ranked, which include Andrews University, performed well in key academic metrics such as selective admissions, financial and faculty resources, alumni giving, and graduation and retention rates. Andrews University was the only institution in the Seventh-day Adventist educational system to be recognized as an overperforming university.

"With the additional value of the element of our Christian community, we have a winning combination!" says Luxton.

Earlier this year, Andrews University made a few other U.S. News & World Report college ranking lists too. With a diversity index of .73, the University tied for 4th in Campus Ethnic Diversity and with 13% of our student body composed of international students, Andrews tied for 9th in Most International Students.

Other overperforming universities include: Adelphi University, N.Y. (#1); Ashland University, Ohio (#2); University of St. Thomas, Minn. (#3); Stevens Institute of Technology, N.J. (#4); St. Mary’s University of Minnesota, Minn. (#5); Azusa Pacific University, Calif. (#6); Edgewood College, Wis. (#7); University of Tulsa, Okla. (#8); Yeshiva University, N.Y. (#9); Biola University, Calif. (#10); St. John Fisher College, N.Y. (#12); South Carolina State University, S.C. (#13); University of La Verne, Calif. (#14) and Maryville University of St. Louis, Mo. (#15).

For more information on the rankings, visit http://www.usnews.com/education/blogs/college-rankings-blog/2012/11/29/which-ranked-universities-are-doing-better-than-their-academic-reputations.

Annual Testing of the Fire Alarm and Sprinkler Systems

Monday, Dec. 17, 2012 to Friday, Jan. 4, 2013

The Office of Campus Safety will be conducting routine tests of the fire alarm and sprinkler suppression systems from Monday, Dec. 17, 2012 to Friday, Jan. 4, 2013. During this test period only, if a fire alarm activates in your building and lasts for less than 2 minutes, disregard the alarm. If an alarm is activated for a real emergency during the test period, the Office of Campus Safety will respond immediately and start the evacuation process. The alarm will continue to sound until the emergency has been resolved.

The annual test of the sprinkler system (visual and audible only; no water) will take place in the following buildings:

Jerry G. Horton, a graduate of Andrews Theological Seminary, recently published his first book titled, *Big Problem Bigger Solution*. This book is a 12-step journey that will assist the reader in overcoming whatever sin is causing destruction or conflict in their life. It includes: several important quotes from the Bible and Ellen White on sin, a prayer of surrender and consecration at the end of steps three through twelve, information on how to restore broken relationships, short thought moments called "truth moments", story breaks and story takeaways. It also includes how to deal with life after the twelve steps, such as during a "relapse" or "withdrawal". This book is an excellent resource for personal study and/or small groups.

FREE Boxes & Packing Materials

Moving? We just moved in and have lots of cardboard boxes and packing materials that we'd like to see repurposed instead of just going to the recycling bin. We have several sizes of boxes (including three wardrobe boxes with the metal crossbar) and about four garbage bags full of packing paper. Take some or all. More available in the next week or two as we continue to unpack.

If you're interested, we live right in the Village of Berrien Springs and can leave things on our front porch for you. Please email me at: lisarollins@gmail.com

Parakeets Care

I will be home for two weeks starting Wednesday, Dec. 12, and was hoping to find someone to take care of my two parakeets while I am away. They are very sweet (though not tame) and would just need someone to supply them with water and food every few days, and clean the cage once a week (it's very easy and only takes a few minutes). I would provide the food for them. If anyone can help, please email me at alexe@andrews.edu, or call 269-313-3122.

Thanks kindly!
