Join us for University Vespers as it hosts the president of the North American Division of Seventh-day Adventists. Daniel Jackson has served as president since his election in June, 2010. He is a native Canadian and, with the exception of five years of service in the Southern Asia Division, has lived and ministered in Canada. During his career, Jackson has served the church as a pastor, teacher and administrator. Dan and Donna enjoy the three children and four grandchildren the Lord has given them.

In addition, we will launch the theme for Black History Month, "1863, 1963, 2013: Crucial Moments in American History" celebrating the anniversaries of the Emancipation Proclamation and the March on Washington. "If the Son sets you free you will be free indeed."

Journey Through the New Testament

Last Sabbath at the Journey Through the New Testament Sabbath School class, Dr. Ranko Stefanovic gave a fascinating presentation on the context of the book of Romans. Those who heard him will always approach Romans with a vivid insight into the people and issues that Paul dealt with in this epistle. This Sabbath, January 26, Dr. Stefanovic will lead a discussion on the theology of Romans. Bring your questions with you. This is the last week that the Journey Through the New Testament reading group will function as a Sabbath School. Beginning on Sabbath, February 2, it will morph into a PMC Grow Group. If you would like to make the commitment to participate in the Grow Group, you may register at http://www.pmchurch.org/article/563/grow-groups/signup. The Grow Group code number is SAT-02.

Passion Play is April 6 & 7

Now in its tenth year, the 2013 Andrews University Passion Play will be open for two days, Saturday, April 6 and Sunday, April 7, 2013. This marks a significant scheduling change moving Passion Play from Easter Sunday, March 31, 2013, to the first weekend in April.

Date Change
"There have been years when Easter weekend fell immediately before or after Spring Break, finals and even graduation, making it very challenging schedule-wise for the hundreds of students, staff and faculty volunteers for Passion Play," says Japhet De Oliveira, University chaplain and Passion Play producer, of the date change. "Likewise, Easter weekend can be a very busy time for families. We'd like to see this scheduling change provide new opportunities for members of the community to experience the Andrews University Passion Play."

Smaller Rotation Sizes
Also new to the 2013 Passion Play are smaller group rotations limited to 300 guests each. "The Passion Play tells an incredibly powerful story, but if you are lost in a sea of people, you can feel disconnected and even miss key parts of the story," says De Oliveira. "We will be limiting each group rotation to 300 in order to create a more personal experience for each person who attends. To add to the ambiance of the Passion Play while also helping with crowd control, we’ll have Roman guards at several checkpoints checking wristbands."

Passion Play wristband reservations open up March 1, 2013. Wristbands will be available for pick-up at the first scene and can be reserved online for free at www.andrews.edu/passionplay. Reservations are required.

This concept measures the degree to which a university's overall position in the rankings exceeds or falls short of its undergraduate academic reputation rank.
