The Sixth Annual Southwest Michigan Middle School Honor Band Festival Concert

Thursday, April 11
7 p.m., Howard Performing Arts Center

The South Haven Area Schools Fine Arts Department and Andrews University Department of Music present the Sixth Annual Southwest Michigan Middle School Honor Band Festival Concert. On Thursday, April 11, 2013, 156 students from area middle schools will participate in this year’s event, rehearsing all day at the Howard Performing Arts Center on the campus of Andrews University. The culminating concert will take place on the same date at 7 p.m. at the Howard Performing Arts Center. All are invited to attend this free concert.

This year's event features Alan Mitchell as the guest conductor who will share his talents and expertise with the participants. Alan Mitchell is an Assistant Professor of Music at Andrews University. His teaching responsibilities include the Wind Symphony as well as music education courses for the Bachelor of Music and Master of Music in Music Education degrees.

Sarah Bopp, Director of Bands for Baseline Middle School in South Haven, serves as the coordinator of this event. Questions about this event can be directed to her office at 269-637-9689.

Year-End Journey Concert
Saturday, April 20
6 p.m., Seminary Chapel

Journey will be having a year-end concert on April 20 at 6 p.m. in Seminary Chapel. A freewill offering will be taken to help with expenses for a new Journey CD.

Journey Ministries International is an organization formed on the campus of Andrews University and plays an active role in spreading the Gospel, primarily through music. From the God-placed dream of two Seminary students in 2003, Journey has grown and evolved into an organization committed to lifting up Christ so all will be drawn to Him.

For more information, please contact Wanda Cantrell at ext. 3264.

James White Library Hours During Passion Play
Because of the Passion Play, James White Library will be closed to all patrons until 7:30 p.m. on Sunday, April 7. We will be opened from 7:30-10:30 p.m.

International Student Sabbath
Sabbath, April 6
9 a.m., and 11:40 a.m., PMC

The international students of Andrews University are very excited to be participants at both church services at Pioneer Memorial Church on Sabbath, April 6, 2013. First service starts at 9 a.m. Second service starts at 11:40 a.m.

On behalf of the international students, the Office of International Student Services & Programs would like to invite you to attend both the Church services as we know you will be blessed by the worship services prepared for you. We would also like to encourage you to put on your traditional costumes and gear to acknowledge the richness of our global community of believers in Jesus Christ. Please invite as many people to attend and celebrate our God at these worship services. Looking forward to seeing you on Sabbath!

The 2013 BEST Early Research Symposium

Friday, April 26
12 p.m., Andrews University

Building Excellence in Science & Technology (BEST Early), Berrien Regional Education Service Agency (Berrien RESA), Andrews University Department of Chemistry & Biochemistry, and the Benton Spirit Community Newspaper are hosting the 2013 BEST Early Research Symposium on Friday, April 26, 2013 on the campus of Andrews University.

The symposium, which begins at noon, will showcase Berrien RESA's Berrien County Mathematics & Science Center (BCMSC) students as they formally present research, engage in discussions about their experience, and demonstrate college-level lab techniques.

This event represents a capstone project for the BEST Early Research Program and provides a public showcase that emphasizes the research achievements of BCMSC seniors.

For over ten years the BEST Early Research Program has been engaging high school students in high-level scientific research and discovery that allows them to become excited about science and to pursue scientific careers. In addition to the possibility of students making scientific breakthroughs, the program acts as an 'incubator of innovators' by building the local research and development workforce.

Everyone is encouraged to attend. It will be a great opportunity to meet and talk directly with some of the County's brightest students. Please RSVP your attendance as soon as possible by contacting Desmond H Murray, at 269-757-1641 or at murraydh@andrews.edu.
2013 Town Hall Meetings

Please plan to join us for Town Hall Meetings on the dates outlined below. Important information regarding your 2013/2014 benefits, benefit enrollment, and the health management program will be discussed.

Where: Campus Center, Dining Services

When: The meetings will be at 10:30 a.m., 12 p.m. and 3 p.m. on each date listed (similar information will be shared at each session).

- Monday, April 8 (Lincoln/Hoosier Room)
- Wednesday, April 10 (Lincoln/Hoosier Room)
- Tuesday, April 16 (Lincoln/Hoosier Room)
- Monday, April 22 (Badger/Hoosier Room)

During the noon time presentation, you are welcome to bring your lunch. If you have any questions on town hall meetings, please contact Benefits via email at benefits@andrews.edu.

Sunday, March 31, 2013

TLC Conference 2013

Wednesday, April 3
4:30 p.m., Buller Hall

You are invited to the TLC Conference 2013

The TLC Conference is an annual event organized by the Teaching, Learning & Curriculum Department at Andrews University.

It is open to the participation of any student, undergraduate or graduate, from the School of Education.

The purpose of the TLC Conference is to give the students the opportunity to present their work in a professional setting to professors, peers and guests.

With their participation, students also gain valuable experience in exercising their communication skills and preparing for the professional world while at a friendly environment.

The Andrews University body and the local community are invited to attend the Conference, support the students with their presence, and be enriched by the interaction.

For those who want to participate by presenting power points, papers or posters on education related topics, registration is open now until March 22.

Register online: www.tlcconference.eventbrite.com
For questions, please contact beatrizv@andrews.edu

Contact: beatrizv@andrews.edu Category: Campus Announcements
PCN - Philippine Culture Night
Sunday, April 7
3 p.m., Burman Hall Chapel

AFIA (Andrews Filipino International Association) is hosting our annual Filipino Culture Night on April 7 at 3 p.m. in the Burman Hall Chapel. A series of skits portraying Filipino Culture will be presented, complete with cultural dancing! An authentic Filipino dinner will follow the play. Experience our Filipino culture through the music, cultural dances, authentic food, and good company.

Donations will be taken to support Adventist World Aviation (AWA). AWA operates 13 aircraft at 8 sites in 3 countries to offer medical assistance and spread the gospel to those who may otherwise never hear of their loving Savior.

Be sure to reserve your tickets early by dropping by the Campus Center or e-mailing us at: afia@andrews.edu. This will be an experience you won’t want to miss!

AU Summit for Social Consciousness 2013
Monday, April 8 through Sunday, April 14, 2013
Various locations

The Andrews University Summit for Social Consciousness invites you to attend its second annual symposium and awareness week beginning Monday, April 8 through Sunday, April 14, 2013. This year’s theme will focus on the topic “Human Sex Trafficking: The Sale of Innocence”.

With over 27 million individuals sold into sex slavery worldwide, this is indeed a human rights and social justice issue that deserves our attention and our intervention. Join us in raising awareness and becoming a voice for the voiceless.

For more information, contact Daniel Xisto at xisto@andrews.edu. Thank you in advance for your support!

Contact: Daniel Xisto  xisto@andrews.edu  Category: Campus Announcements » Community
Passion Play: Saturday Rotations Full, Availability for Sunday

On Saturday, April 6, and Sunday, April 7, visitors to Andrews annual Passion Play can step back in time and follow the steps of Jesus Christ during His life, death and resurrection. All rotations for Saturday, April 6, are full. There are still available slots for Sunday, April 7.

This year marks a significant scheduling change moving Passion Play from Easter Sunday, March 31, 2013, to the first weekend in April. “There have been years when Easter weekend fell immediately before or after Spring Break, finals and even graduation, making it very challenging schedule-wise for the hundreds of students, staff and faculty volunteers for Passion Play,” says Japhet De Oliveira, University chaplain and Passion Play producer, of the date change. “Likewise, Easter weekend can be a very busy time for families. We'd like to see this scheduling change provide new opportunities for members of the community to experience the Andrews University Passion Play.”

The Passion Play offers a chance to witness firsthand the greatest story ever told. This 90-minute indoor-outdoor walking experience begins with Simon’s Feast in Pioneer Memorial Church. Witness the well-known scenes from Jesus’ life, revealing his love and mercy. Follow Jesus as he rides a donkey through a bustling Jerusalem marketplace. Live animals in the stable area and a live traditional Hebrew dance add to the ambiance of the marketplace. Travel in His footsteps during the dramatic scenes of the Last Supper and the Garden of Gethsemane, to the poignant moment of the Trial in Pilates Court. The Passion Play concludes in the Johnson Gym with an unforgettable portrayal of Christ’s crucifixion and resurrection.

Also new to the 2013 Passion Play are smaller group rotations limited to 300 guests each. “The Passion Play tells an incredibly powerful story, but if you are lost in a sea of people, you can feel disconnected and even miss key parts of the story,” says De Oliveira. “We will be limiting each group rotation to 300 in order to create a more personal experience for each person who attends. To add to the ambiance of the Passion Play while also helping with crowd control, we’ll have Roman guards at several checkpoints checking wristbands.”

Following the performance, guests can visit the hospitality tent for refreshments and the opportunity to reflect on their experience in the prayer room.

Plans for the inaugural Passion Play began in the fall of 2002 after campus leadership was inspired to bring the worldwide tradition of a dramatization of the Last Supper, Christ’s crucifixion and resurrection to Andrews University’s campus. Since the first production, which took place in 2003, the Passion Play has become an integral part of the campus culture. Each year, hundreds of students, staff, faculty and community members volunteer for this production.

Passion Play wristbands can be reserved online for free at www.andrews.edu/passionplay. Reservations are required. Wristbands will be available for pick-up at registration on the day of your reserved rotation.
Wednesday, March 27, 2013

Adventist Retirees of Michiana Present: "To Walk Worthy"

Sunday, April 14
1 p.m., Burman Hall

Dr. Peter Van Bemmelen and Julia O'Carey from ASAP Ministries will present, "To Walk Worthy", at the April 14 meeting of the Adventist Retirees of Michiana at Burman Hall. This will show how missionaries walk worthy of their calling in the challenging mission field of Southeast Asia. Come and be inspired! To learn more about this ministry, visit www.asapministries.org.

Potluck is again in the lower level Activities Center of Burman Hall located on W Campus Circle Dr at 1 p.m.

Contact: Julia O'Carey  
julia.ocarey@asapministries.org

Governing the Global Commons: International Environmental Law

Saturday, April 13
3:30 p.m., Garber Auditorium of Chan Shun Hall

Adventist Forum presents "Governing the Global Commons: International Environmental Law" presented by Professor Kevin Doran, an attorney and professor at the University of Colorado Renewable and Sustainable Energy Institute. The presentation will be Saturday at 3:30 p.m., April 13, 2013, in the Garber Auditorium of Chan Shun Hall on the campus of Andrews University.

Kevin Doran, J.D., is an Institute Fellow and Assistant Research Professor at the Renewable and Sustainable Energy Institute at the University of Colorado at Boulder. Professor Doran is also the Managing Director for the Carbon Management Center (CMC), a multi-year research collaboration between the US government and three Colorado institutions of higher learning. Professor Doran also holds a faculty appointment at the Colorado Energy Research Institute located at the Colorado School of Mines.

Professor Doran's research focuses on the legal, regulatory and public policy dimensions of energy development. Most recently his research has involved an examination of the strategic and public policy implications of shale gas development, the increasing role of natural gas in the electricity sector, and the usage of enhanced oil recovery and financial incentives to catalyze development of carbon capture and
storage.

He is the author and co-author of numerous scholarly articles and book chapters on climate and energy law and policy. He is also the co-author of International Environmental Law in a Nutshell (3d ed., West 2007), one of the most widely used textbooks on international environmental law.

Adventist Forum is open to the public. All are welcome. For information, contact Art Robertson at robertsa2@earthlink.net or call 269-471-7150.

LLU Pre-Dent Representative on Campus

Dr. Kasischke of Loma Linda University School of Dentistry will be on campus Monday - Wednesday, April 1 - April 3. Please come by the chemistry office (Haizel Hall 225) to schedule a half-hour consult with Dr. Kasischke to discuss your dental school options.

Be sure to attend Dr. Kasischke’s Tuesday evening informational meeting in the Chemistry Amphitheater at 5:30 p.m.
AUSA Spring Banquet: Fire and Ice
The AUSA Spring Banquet is on April 21, 2013.

The Theme is Fire and Ice.

As part of the AUSA Spring Banquet, we are trying something bold and different this year. Our vision is a night of Fire and Ice and the beauty that the combination brings.

We want to feature artistic pieces that reflect our banquet theme. These will be displayed and voted on through secret ballot for a prestigious award and cash prize. Contest entries can be in any form: sculpture, paint, photography, drawing, you name it!

The deadline for students entries will be April 12, 2013.

Collection Drive

Greetings everyone,

Michelle Lesagonicz & Yen Quea, social work graduate students, are celebrating Social Work Month by asking for your help in donating personal hygiene items to RedBud Area Ministries. RedBud Area Ministries (RAM), Buchanan, Michigan, is the only food pantry serving the towns of Buchanan and Galien.

As with most food pantries, they are always in need of supplies and one of the greatest needs RAM has are personal hygiene items. These items come in short supply and are very limited to those that utilize the food pantry.

I am asking all of you to help me and a fellow social work graduate student to help my community by donating personal hygiene items in the collection box outside the social work lounge at Netherly Hall. Examples are shampoo, toilet paper, feminine products, soap, toothpaste, etc. Of course non-perishable foods are also welcome.

Thank you & God Bless,
Michelle Lesagonicz & Yeny Quea, MSW graduate students

James 2:15-16 - “If a brother or sister is without clothing and in need of daily food, and one of you says to them, “Go in peace, be warmed and be filled,” and yet you do not give them what is necessary for their body, what use is that

Electronic Recycling Event is April 10

Wednesday, April 10
3-7 p.m., Transportation Building

Community members, businesses and residents from surrounding communities are encouraged to recycle their unwanted electronic items at Andrews University’s annual recycling event. The recycling event will take
place on Wednesday, April 10, from 3–7 p.m. at the Transportation building on the campus of Andrews University. Green Earth Electronics Recycling will be operating the event.

Accepted items include computers, laptops, monitors, TVs, telephones, cameras, DVD players, cords/cables, printers, toner cartridges, cell phones, refrigerators, air conditioners, appliances, car batteries and any other electronic items or items with a cord. All hard drives are wiped to Department of Defense specifications or shredded. Due to the hazardous nature of CRT glass, there is a small recycling fee of $5 for CRT computer monitors and $10 for tube televisions.

Green Earth Electronics Recycling, headquartered in St. Joseph, Mich., is a company whose focus is to keep unwanted electronics out of the landfill by using the best practices in information destruction and domestic recycling. Their services include corporate and institutional pickups as well as community drop-off events for households.

For more information visit [www.GreenEarth1.com](http://www.GreenEarth1.com). Andrews employees should direct questions to Anton Pellegrini at anton@andrews.edu.

**Laura Story to Perform at the Howard**

Sunday, April 7  
7 p.m., Howard Performing Arts Center
Cruise with a Mission: Alaska

September 15-22
Seattle, Washington

Are you a young adult looking for a service opportunity close to home? If so, Cruise with a Mission may be just the right opportunity for you! It’s a mission trip, a cruise, and a spiritual retreat, all wrapped up in one meaningful adventure; a vacation with purpose! Cruise with a Mission offers an opportunity to release the tensions of life in the context of Christian community. Join other young adults as we explore Alaska in 2013. The ship sails from Seattle Washington, September 15-22. Early-bird registration is available until April 15. For additional information and to receive your discounted early-bird registration rate, visit www.cye.org/cwm or email your questions to cwm@cye.org. We look forward to seeing you in Alaska!
Save the date for Renaissance Kids 2013, a summer day camp program for children ages 7-12 offered by the School of Architecture, Art & Design.

2013’s theme is “It’s Easy Being Green.”

**June 10-14**
Session 1: Ages 7-9, 8:30 a.m.-12 p.m.
Session 2: Ages 10-12, 1:45-5:15 p.m.

**June 17-21**
Session 3: Ages 10-12, 8:30 a.m.-12 p.m.
Session 4: Ages 7-9, 1:45-5:15 p.m.

**July 8-19**
Session 5: Ages 5-6, 8:30-11:30 a.m. (2 work weeks long)

3 p.m., Room 108 ITS Building
In partial fulfillment of the requirements for the degree, Doctor of Ministry, Dion Henry will have an oral assessment of his DMin project document, titled, "An Enrichment Program that Equips Couples Between 18 and 40 to Cope with Three Threatening Stressors to Their Relationship."

Space is extremely limited. Those who wish to attend are to contact Yvonna Applewhite at 269-471-3552 or dminla@andrews.edu.

Contact Yvonna Applewhite for more information at dminla@andrews.edu or by calling 269-471-3552.

### Passing of Kevin DeLeon, an Andrews Student

Kevin DeLeon, an undergraduate student, was found deceased in his University apartment Wednesday evening, March 13. Funeral services were held on March 17 at the Hinsdale Fil-Am Seventh-day Adventist Church in Hinsdale, Ill. The following is the life sketch of Kevin shared at his funeral.

**Kevin DeLeon | 1989-2013**

After years of waiting, hoping, and praying, an eight-year old girl named Winnelle received an early ninth birthday gift, a baby brother. At 5:08 p.m., on October 19, 1989, within the walls of Adventist Hinsdale Hospital, Kevin Roy Paulo DeLeon was welcomed into the loving arms of Winnie and Elizabeth DeLeon.

Kevin, or “Kevoy” was named in honor of both his grandparents, Roy and Paulo. Even in his name, he was firmly rooted in his family, a theme that would continue throughout his life. While growing up, Kevin had to overcome many medical obstacles such as severe episodes of asthma and food allergies. As the youngest cousin of both his mother and father’s family, grandparents, uncles, aunts, and cousins would collectively ensure Kevin was safe. This was a challenge because he experienced allergic reactions to almost anything he ate, touched or breathed.

While he was often sick as a child, Kevin grew up to be a very strong and athletic boy. Reaching Voyager rank, he loved the outdoors since his days as a Pathfinder. He played any sport his hands could find including: baseball, tennis, football, volleyball, hockey, swimming, basketball, snowboarding, and pool. In his
later years, he especially enjoyed weightlifting. The child who could be weakened by the air grew into a man of strength able to leg-press almost 700 lbs., squat 300 lbs., and was training to bench-press 300 lbs. so he could join the "300 Club" at the Andrews Men's Health Club.

Kevin was very musically talented. Throughout his life Kevin used his talents to serve God. Often alongside his cousins, he helped lead in praise songs, performed in musicals, and sang baritone in choir. Additionally, he played trombone, guitar, piano and the drums for fun.

Through the relationship Kevin had with his father and grandfathers, Kevin learned a strong work ethic. Throughout his life he would help his dad by mowing lawns, repairing houses and helping family members whenever in need of heavy lifting. When he was 10, Kevin's giving spirit and hard-working mentality allowed him to raise the most money for the first Illinois Conference bike-a-thon winning a rare Schwinn bike as first prize. Kevin worked as a golf caddie, physics TA, Citgo cashier and, during his time at Andrews, a greenhouse gardener. He also loved to volunteer at Camp Akita and every summer, he enjoyed working there as a staff member.

Kevin was known for being a happy and fun-loving individual. He could brighten a room with his smile, sense of humor and ability to make people feel happiness with his gentle laugh. Throughout every stage of his life, Kevin's friends knew him to be humble, genuinely caring and limitlessly forgiving. Kevin gained an exceeding amount of friends throughout his life because behind his brown eyes, there was no judgment, count of wrongdoings, or jealousy. He often called friends for no reason other than to see how they are doing or ask “Is anything wrong? Are you sure?”

Kevin was known for his unique mannerisms and endearing habits. He would try to cover up his smile when he laughed; he would greet his friends with funny sayings from movie lines; and he never failed to say "I love you” at the end of every phone conversation with his mom. He loved his family. His older cousins can tell you that whenever he greeted them by name, it would always be preceded by 'Ate' or 'Kuya,' a sign of respect. His uncles and aunts knew him to be respectful and considerate while his nieces and nephews knew him to be fun and spontaneous Uncle Kevin. Through all periods of his life he lovingly placed the needs of his friends and family above his own without expecting anything in return.

At the funeral service for Kevin, it was shared that Kevin’s goal of completing his college degree would be fulfilled. "The Andrews University family of faculty, staff and students join you in mourning the loss Kevin. He was your son. He was our student," said Frances Faehner, vice president for Student Life at Andrews University. She continued, "Kevin was very close to completing his studies at Andrews and was looking forward to graduating this year. Therefore the university has determined to confer his degree posthumously during our May 5, 2013 graduation. On that day he and you will have reached the first goal in his adult life: a college degree. The next goal for Kevin will reunite him with his family on the resurrection morning."

Kevin touched all the hearts and lives of those he came in contact with. He lived his life with humility, forgiveness and love. In his short life, he brought joy to who ever he could. We will earnestly wait for the day when we can see his smiling face, hear his gentle laugh, and hold our Kevin in God’s kingdom.

If you wish to leave comments or words of support for the family, please leave a comment below.

Screening of Documentary: NEFARIOUS Merchant of Souls"
Thursday, April 11
7 p.m., Newbold Auditorium, Buller Hall

Did you know that the global sex slavery market generates more than $32 billion in profits each year? Trafficking of women and children for sexual exploitation is one of the most serious human rights violations in today's world. Thus, protecting these innocent lives from violence, exploitation and abuse is a vital component to protecting their freedom to survive, grow and develop.

The AU Summit on Social Consciousness invites you to go behind the veil of the sex industry and attend the screening of the award-winning documentary film "NEFARIOUS: MERCHANTS OF SOULS" on Thursday, April 11th at 7 p.m. in the Newbold Auditorium (Buller Hall).

Spread the word and bring a friend!!!! Co-curricular credit offered to AU students.

Passion Play: Saturday Rotations Full, Availability for Sunday

On Saturday, April 6, and Sunday, April 7, visitors to Andrews annual Passion Play can step back in time and follow the steps of Jesus Christ during His life, death and resurrection. All rotations for Saturday, April 6, are full. There are still available slots for Sunday, April 7.

This year marks a significant scheduling change moving Passion Play from Easter Sunday, March 31, 2013, to the first weekend in April. "There have been years when Easter weekend fell immediately before or after Spring Break, finals and even graduation, making it very challenging schedule-wise for the hundreds of students, staff and faculty volunteers for Passion Play," says Japhet De Oliveira, University chaplain and Passion Play producer, of the date change. "Likewise, Easter weekend can be a very busy time for families. We'd like to see this scheduling change provide new opportunities for members of the community to experience the Andrews University Passion Play."

The Passion Play offers a chance to witness firsthand the greatest story ever told. This 90-minute indoor-outdoor walking experience begins with Simon’s Feast in Pioneer Memorial Church. Witness the well-known scenes from Jesus’ life, revealing his love and mercy. Follow Jesus as he rides a donkey through a bustling Jerusalem marketplace. Live animals in the stable area and a live traditional Hebrew dance add to the ambiance of the marketplace. Travel in His footsteps during the dramatic scenes of the Last Supper and the Garden of Gethsemane, to the poignant moment of the Trial in Pilate’s Court. The Passion Play concludes in the Johnson Gym with an unforgettable portrayal of Christ’s crucifixion and resurrection.

Also new to the 2013 Passion Play are smaller group rotations limited to 300 guests each. "The Passion Play tells an incredibly powerful story, but if you are lost in a sea of people, you can feel disconnected and even miss key parts of the story," says De Oliveira. "We will be limiting each group rotation to 300 in order to create a more personal experience for each person who attends. To add to the ambiance of the Passion Play while also helping with crowd control, we’ll have Roman guards at several checkpoints checking wristbands."

Following the performance, guests can visit the hospitality tent for refreshments and the opportunity to reflect on their experience in the prayer room.

Plans for the inaugural Passion Play began in the fall of 2002 after campus leadership was inspired to bring the worldwide tradition of a dramatization of the Last Supper, Christ's crucifixion and resurrection to Andrews University's campus. Since the first production, which took place in 2003, the Passion Play has become an integral part of the campus culture. Each year, hundreds of students, staff, faculty and community members volunteer for this production.

Passion Play wristbands can be reserved online for free at www.andrews.edu/passionplay. Reservations are required. Wristbands will be available for pick-up at registration on the day of your reserved rotation.
Registration Opens April 15 for Summer Produce Subscriptions

This summer you can have fresh produce delivered to your door for 20 weeks, courtesy of Andrews University Student Gardens. The program begins in mid June and continues through October.

Subscribers can choose between a full share of produce for $600 and a half share for $400. Each basket includes at least six types of fresh produce, such as tomatoes, peppers, eggplant, broccoli, corn, kale, carrots and cucumbers. In addition to the classic vegetables, this year Andrews Student Gardens will have options available to add fresh flowers and fruit to your baskets. Flowers will be an additional $40 increase for the 20 weeks (cut and potted bouquets as seasonally available). Fruits will be a $100 increase for the 20 weeks (blackberries, raspberries, apples, peaches and melons as seasonally available). Weekly newsletters accompany the baskets with fresh recipes and helpful information.

Delivery is free within a 15-mile radius of the campus, but those who prefer can pick up their share on Friday mornings from 11 a.m.–2 p.m. at the local farm stand, which will be located at the Neighbor-to-Neighbor parking lot at 9147 Hwy M-139 in Berrien Springs, Mich.

Andrews Student Gardens are designed to give students practical gardening experience, provide income, offer student employment, support farming, and provide the community with the opportunity to receive fresh produce that will aid a healthy lifestyle. The gardens include three acres of Gala apples, four acres of peaches, 2,500 feet of raspberries, 1,000 feet of blackberries, three greenhouses, and ten acres of vegetable production. The produce delivery program and the farm stand are part of the CSA (Community Supported Agriculture) program. Currently, the program is working to receive organic certification.

Registration will open April 15 with the first baskets being delivered June 13. To subscribe, visit www.augardens.com/csa-registration. For more information, call 269-471-6006 or email info@augardens.com.
Howard Performing Arts Center Committed to Being Community Resource

Did you know the Howard Performing Arts Center holds more than 200 events each year? Did you know that in addition to University ensembles, local elementary and secondary schools are able to utilize the Howard? Further, did you know the Howard Performing Arts Center is available for rental use for special events and weddings? In short, the Howard Performing Arts Center at Andrews University—designed for the performance of music and educational activities meeting fine arts standards—is committed to continuing to make the facility available to the community.

The Howard Performing Arts Center is a busy venue with 207 events last year alone. Erica Griessel, manager, says, “The needs of our Andrews University Department of Music ensembles are our top priority—choirs, operas, symphony orchestra, wind symphony, student recitals, faculty recitals and studio recitals.”

Local schools, including Andrews Academy, Ruth Murdoch Elementary School, Village SDA Elementary, Berrien Springs Middle School and Berrien Springs High School, also utilize the concert hall throughout each season. The University also uses the facility to host speakers for University forums, an annual student talent show, several music festivals, and as a venue to host prospective students. In the summer months, the Howard Center is home to multi-day conferences. There is also steady interest in using the concert hall for recording purposes.

The John & Dede Howard 90.7 WAUS Studios are also housed at the Howard Performing Arts Center. In partnership with WAUS, a Second Sunday Concert Series is held on the second Sunday of each month at 4 p.m. Most concerts are free of charge and feature a classical artist.

The major donors for the building, John and Dede Howard, had a strong desire for the facility to serve not only Andrews University’s needs but also Berrien Springs and the greater Southwest Michigan community. This remains a strong priority for Andrews University administration.

“Much of our busy season is comprised of groups from the University and the community who rent the lobby or concert hall for their special event,” continues Griessel. “Community groups, such as the Optimist Club of Berrien Springs, the Michigan State University 4-H Extension program, Southwest Michigan Symphony Orchestra’s Musicians in the Schools, and Lake Michigan Youth Orchestra use the Howard Center nearly annually.”

The lobby of the Howard Center is also frequently rented for wedding receptions, dinner parties, banquets, business luncheons and senior photos.

Howard Performing Arts Center management plans an annual season with six to twelve concerts with visiting artists in the genres of classical, Christian contemporary, jazz, world and instrumental music.

Griessel says, “With our desire to be your home for an exceptional concert experience, we make an effort to represent both local artists as well as artists from all around the world. In the past we’ve featured Vienna Boys Choir, Sandi Patty, Canadian Brass, Brandon Heath, Dailey & Vincent, and many more.”

If you’ve never been to the Howard Performing Arts Center, the current season still has several great concert experiences. On April 7, Christian contemporary artist Laura Story performs. The University Singers and Chorale perform in their annual Easter Choral Concert on Saturday, March 30, and the Wind Symphony has their spring concert on Sunday, April 21. As a finale to the season, the University Chorale and Symphony

Nwitimes.com: Architecture Students Tour The Village in Burns Harbor
In a world where connectivity and convenience increasingly influence where people choose to live, the architectural philosophy of New Urbanism is gaining support across the US. An approach to designing cities, towns and neighborhoods that resemble old European villages, New Urbanism attempts to reduce traffic and eliminate sprawl while fostering a sense of community closeness. Earth-friendly design, energy conservation, historic preservation and accessibility are also important characteristics. Read the full story here.

Andrews University Hosting Recycling Event Next Week

Michael Arney Reporting
Andrews University has a recycling event planned for next Wednesday, April 10 on its campus in Berrien Springs. The school is partnering with Green Earth Electronics Recycling for the annual event. It will be held from 3 to 7 p.m., and there is a charge of $5 for old CRT computer monitors and $10 for tube televisions. Old computers, laptops, telephones, cameras, and other electronic devices will be accepted at no charge, and the hard drives will be either wiped to Department of Defense standards or shredded. The Andrews University recycling event is the same day as the Reduce, Reuse, Recycle Day being put on by Berrien County on the campus of Lake Michigan College in Benton Township. Both will run at the same time, with the same charges for old monitors and televisions.
Nature walk turns water rescue

BERRIEN SPRINGS, Mich. -- What students from Andrews University thought would be just another day in their Animal Behavior class, ended up being one of their most eventful days yet.

The biology students were walking around Lake Shellenbarger when they spotted a deer that was stuck in the freezing lake.

The students say Professor Atkins did not think twice about saving the deer.

"He was like, 'So guys, who wants to help me?' And my hand just went right up," said Kayla Burt.

Andrews University student Jeremy Grant got everything on tape.

The video shows that at first the deer was trying to get away from the students, but eventually it surrendered to their aide.

Students had to act quickly. They pulled the deer into the canoe and then headed towards shore.

Before they could take the deer inside to get warmed up, it jumped up and ran off.

"I think that's when it really dawned on us, like we just rescued a deer from a lake," said Grant.

The students say that day changed their lives just as much as it changed the deer's.

Funding Details Emerge Regarding M-139 Water and Sewer Line

Jason Scott Reporting
The plan to extend water and sewer lines along M-139 in Oronoko Township is moving along with little opposition. The details on how to pay for the $4.8-million project were shared Tuesday night. Township Supervisor Mike Hildebrand says the plan is to get the town ready for the future, he cites the expo arena project as an example.

Listen:

Andrews University, the Berrien County Youth Fair, the Village of Berrien Springs and a group of private landowners are each giving a half-million-dollars for the project. Hildebrand says only 5% of the total funding needed for the project remains to be found.

Listen:

Asking money from the U.S. Department of Agriculture's Rural Development Agency is one way to fill that void. Voting on a grant application is expected in the next few weeks. Construction on the meat of the project is set for the spring of 2014.
BERRIEN SPRINGS - Oronoko Township's plan to extend water and sewer lines along M-139 appears to be moving from vision to reality.

Township Supervisor Mike Hildebrand announced Tuesday night that 95 percent of the $4.8 million needed has been secured.

"I realize that sewer has been a divisive issue in the township in the past," Hildebrand said Tuesday. "I believe it can be unifying with this action. We're going to let the details soak in and get some feedback so we can act in April."

April is when the Township Board expects to apply for a federal grant/loan.

"This is a great showpiece of collaboration. It shows that we all work better when we work together. ... We're still 5 percent short, but at some point you have to step out in faith. This is an important first step. We'll see how things shake out in the next few weeks."

Tuesday night's Township Board meeting featured an update from Hildebrand and comments from some of the project's major players. Hildebrand said the next step will be to apply for a $1.585 million grant/loan package from U.S. Department of Agriculture's Rural Development Agency in the next few weeks.

Hildebrand has been touting the water and sewer project since taking office in December. He had a public "listening session" in early February to hear comments and explain details.

The project follows M-139 from the Berrien Springs village limits to the U.S. 31 interchange. It does not go into residential areas away from M-139 and does not require any new taxes or assessment.

The pledges he announced Tuesday came from Andrews University, the Berrien County Youth Fair, the village of Berrien Springs, Oronoko Township and three private developers/property owners. Andrews, the fair and the township are each pledging $500,000 as are the three developers together.

The three developers/property owners are Jim Hippler, Greg Fenner and Bob Cooper. They will be included in a voluntary special assessment district in order to have their property served by the infrastructure improvements, Hildebrand said.

Besides the $500,000 pledge, the village is promising to use a $450,000 loan it secured through the Berrien County Revolving Loan Fund to fund water and sewer improvements in the village.

On hand for Tuesday's meeting were Andrews President Niels-Erik Andreasen, fair board Secretary Karen Klug and village President Milt Richter. All three spoke.

Andreasen said the Andrews Board of Trustees approved giving $500,000 to the project.
"The university has been here since 1901, and we're not going away," he said. "We're depending on this area still being a good place for our staff and students. We have invested heavily in our own campus, and we're very pleased to participate in this."

Klug said the fair board is happy to join with the other organizations funding the water and sewer project. She said the fair already brings in a lot of people for fair week and other events during the summer. She said it expects the new infrastructure improvements to help the fair do even more.

Richter said the Village Council approved its $500,000 pledge in a special meeting earlier Tuesday. He said that extending water and sewer lines will mean more development, which will mean more utility customers for the village.

"We're excited. We're 100 percent behind you," he told the Township Board.

Hildebrand said the township still has $265,000 to raise, or as he put it, "still a little bit of a mountain to climb." But he said he is optimistic the rest of the money will be raised from either state or other sources. He thanked federal, state and county officials who helped the township over the last few months.

"All of these officials willingly helped us navigate through the web of available programs," he said.

Hildebrand further reported on the status of the state planning grant the township applied for in December. He said he learned the grant wouldn't cover some of the township's expenses, and the state wanted the township to expand the project into residential neighborhoods, which he has pledged not to do.
Memorial Service for Kevin DeLeon
Thursday, April 4
7 p.m., PMC Youth Chapel

All students, staff and faculty are invited to attend a memorial service in honor of Kevin DeLeon on Thursday, April 4, at 7 p.m. in the PMC Youth Chapel. Please join your University family as we remember our student and our friend.

Thank You from the Zork Family
Thursday, March 28, 2013

My beautiful mother, Rita Georgette Pervier, passed away on March 13 with all seven of her children with her. She was a woman of tremendous faith and trust in Jesus and her passing is one more powerful reason why we long for Jesus to return.

I would like to express our deep gratitude for all the thoughtful emails, cards and beautiful flowers we have received. They have all been very much appreciated and have served as a loving source of encouragement and strength during this difficult loss.

With appreciation,
Susan & Stephen Zork

Passing of Allan Buller
Tuesday, March 26, 2013

A dear friend of Andrews University has passed to his rest. Allan Buller, for whom Buller Hall was named, passed away on Sabbath, March 23, with his wife Mickey and daughter Suzy at his side.

Allan and his wife Mickey always had a special place in their heart for Andrews University. We have been blessed by them in so many ways and we will always honor the memory of Allan.

A visitation is planned for this Thursday, March 28, from 2-4 p.m. and 6-8 p.m. at the Schoedinger Worthington Chapel, 6699 N. High St. in Worthington, Ohio. A private burial will take place the following day. A celebration of Allan’s life will be on Saturday, April 13, at 4 p.m. at the Worthington Seventh-day Adventist Church.

Condolences can be sent to Mickey Buller & family, 655 Andover St., Worthington Ohio 43085.

Online tributes and messages to the family can be left on the Schoedinger Worthington Chapel website.

Passing of Reger C. Smith, Sr.
Thursday, March 21, 2013

Reger C. Smith, Sr. passed away March 6, 2013. Smith was a professor emeritus of social work and former vice president of Student Affairs. A memorial service will be held on Sunday, March 24, at Pioneer Memorial
Church. Family visitation is scheduled for 11 a.m. and the service at noon. The family requests that in lieu of flowers, donations be made to Reach International, 9160 US Highway 31, Berrien Springs, MI 49103 or at www.reach.org.

Passing of Kevin DeLeon, an Andrews Student

Kevin DeLeon, an undergraduate student, was found deceased in his University apartment Wednesday evening, March 13. Funeral services were held on March 17 at the Hinsdale Fil-Am Seventh-day Adventist Church in Hinsdale, Ill. The following is the life sketch of Kevin shared at his funeral.

Kevin DeLeon | 1989-2013

After years of waiting, hoping, and praying, an eight-year old girl named Winnelle received an early ninth birthday gift, a baby brother. At 5:08 p.m., on October 19, 1989, within the walls of Adventist Hinsdale Hospital, Kevin Roy Paulo DeLeon was welcomed into the loving arms of Winnie and Elizabeth DeLeon. Kevin, or “Kevoy” was named in honor of both his grandparents, Roy and Paulo. Even in his name, he was firmly rooted in his family, a theme that would continue throughout his life. While growing up, Kevin had to overcome many medical obstacles such as severe episodes of asthma and food allergies. As the youngest cousin of both his mother and father’s family, grandparents, uncles, aunts, and cousins would collectively ensure Kevin was safe. This was a challenge because he experienced allergic reactions to almost anything he ate, touched or breathed.

While he was often sick as a child, Kevin grew up to be a very strong and athletic boy. Reaching Voyager rank, he loved the outdoors since his days as a Pathfinder. He played any sport his hands could find including: baseball, tennis, football, volleyball, hockey, swimming, basketball, snowboarding, and pool. In his later years, he especially enjoyed weightlifting. The child who could be weakened by the air grew into a man of strength able to leg-press almost 700 lbs., squat 300 lbs., and was training to bench-press 300 lbs. so he could join the “300 Club” at the Andrews Men’s Health Club.

Kevin was very musically talented. Throughout his life Kevin used his talents to serve God. Often alongside his cousins, he helped lead in praise songs, performed in musicals, and sang baritone in choir. Additionally, he played trombone, guitar, piano and the drums for fun.

Through the relationship Kevin had with his father and grandfathers, Kevin learned a strong work ethic.
Throughout his life he would help his dad by mowing lawns, repairing houses and helping family members whenever in need of heavy lifting. When he was 10, Kevin’s giving spirit and hard-working mentality allowed him to raise the most money for the first Illinois Conference bike-a-thon winning a rare Schwinn bike as first prize. Kevin worked as a golf caddie, physics TA, Citgo cashier and, during his time at Andrews, a greenhouse gardener. He also loved to volunteer at Camp Akita and every summer, he enjoyed working there as a staff member.

Kevin was known for being a happy and fun-loving individual. He could brighten a room with his smile, sense of humor and ability to make people feel happiness with his gentle laugh. Throughout every stage of his life, Kevin’s friends knew him to be humble, genuinely caring and limitlessly forgiving. Kevin gained an exceeding amount of friends throughout his life because behind his brown eyes, there was no judgment, count of wrongdoings, or jealousy. He often called friends for no reason other than to see how they are doing or ask “Is anything wrong? Are you sure?”

Kevin was known for his unique mannerisms and endearing habits. He would try to cover up his smile when he laughed; he would greet his friends with funny sayings from movie lines; and he never failed to say “I love you” at the end of every phone conversation with his mom. He loved his family. His older cousins can tell you that whenever he greeted them by name, it would always be preceded by ‘Ate’ or ‘Kuya,’ a sign of respect. His uncles and aunts knew him to be respectful and considerate while his nieces and nephews knew him to be fun and spontaneous Uncle Kevin. Through all periods of his life he lovingly placed the needs of his friends and family above his own without expecting anything in return.

At the funeral service for Kevin, it was shared that Kevin’s goal of completing his college degree would be fulfilled. “The Andrews University family of faculty, staff and students join you in mourning the loss Kevin. He was your son. He was our student,” said Frances Faehner, vice president for Student Life at Andrews University. She continued, “Kevin was very close to completing his studies at Andrews and was looking forward to graduating this year. Therefore the university has determined to confer his degree posthumously during our May 5, 2013 graduation. On that day he and you will have reached the first goal in his adult life: a college degree. The next goal for Kevin will reunite him with his family on the resurrection morning.”

Kevin touched all the hearts and lives of those he came in contact with. He lived his life with humility, forgiveness and love. In his short life, he brought joy to those who knew him well. We will earnestly wait for the day when we can see his smiling face, hear his gentle laugh, and hold our Kevin in God’s kingdom.

If you wish to leave comments or words of support for the family, please leave a comment below.
Passing of Olav LaBianca, Father of Oystein LaBianca

Oystein LaBianca’s father, Olav LaBianca of Eugene, Ore., passed away on March 13. Memorial services are planned for March 23 in Eugene, Ore. Condolences may be sent to:

The Sixth Annual Southwest Michigan Middle School Honor Band Festival Concert

Thursday, April 11
7 p.m., Howard Performing Arts Center

The South Haven Area Schools Fine Arts Department and Andrews University Department of Music present the Sixth Annual Southwest Michigan Middle School Honor Band Festival Concert. On Thursday, April 11, 2013, 156 students from area middle schools will participate in this year’s event, rehearsing all day at the Howard Performing Arts Center on the campus of Andrews University. The culminating concert will take place on the same date at 7 p.m. at the Howard Performing Arts Center. All are invited to attend this free concert.

This year’s event features Alan Mitchell as the guest conductor who will share his talents and expertise with the participants. Alan Mitchell is an Assistant Professor of Music at Andrews University. His teaching responsibilities include the Wind Symphony as well as music education courses for the Bachelor of Music and Master of Music in Music Education degrees.

Sarah Bopp, Director of Bands for Baseline Middle School in South Haven, serves as the coordinator of this event. Questions about this event can be directed to her office at 269-637-9689.

The 2013 BEST Early Research Symposium

Friday, April 26
12 p.m., Andrews University

Building Excellence in Science & Technology (BEST Early), Berrien Regional Education Service Agency (Berrien RESA), Andrews University Department of Chemistry & Biochemistry, and the Benton Spirit Community Newspaper are hosting the 2013 BEST Early Research Symposium on Friday, April 26, 2013 on the campus of Andrews University.

The symposium, which begins at noon, will showcase Berrien RESA's Berrien County Mathematics & Science Center (BCMSC) students as they formally present research, engage in discussions about their experience, and demonstrate college-level lab techniques.

This event represents a capstone project for the BEST Early Research Program and provides a public showcase that emphasizes the research achievements of BCMSC seniors.

For over ten years the BEST Early Research Program has been engaging high school students in high-level scientific research and discovery that allows them to become excited about science and to pursue scientific careers. In addition to the possibility of students making scientific breakthroughs, the program acts as an 'incubator of innovators' by building the local research and development workforce.

Everyone is encouraged to attend. It will be a great opportunity to meet and talk directly with some of the County's brightest students. Please RSVP your attendance as soon as possible by contacting Desmond H Murray, at 269-757-1641 or at murraydh@andrews.edu.
Extended Test of Warning Siren on Saturday, April 6

On Saturday, April 6, the Cook Nuclear Plant in Bridgman, Mich., will perform an extended sounding of its early warning siren system as a part of its required annual testing. The regularly-scheduled first Saturday of the month siren test typically lasts for about one minute, but each April, the sirens sound for a full three minutes.

Typical tests do last less than one minute and the regular monthly tests happen on the first Saturday of each month at approximately 1 p.m. In the event of a real emergency, the sirens would sound for three to five minutes and residents should tune to local radio or television stations for more information.

AU Summit for Social Consciousness 2013

Monday, April 8 through Sunday, April 14, 2013

Various locations

The Andrews University Summit for Social Consciousness invites you to attend its second annual symposium and awareness week beginning Monday, April 8 through Sunday, April 14, 2013. This year's theme will focus on the topic "Human Sex Trafficking: The Sale of Innocence".

With over 27 million individuals sold into sex slavery worldwide, this is indeed a human rights and social justice issue that deserves our attention and our intervention. Join us in raising awareness and becoming a voice for the voiceless.

For more information, contact Daniel Xisto at xisto@andrews.edu. Thank you in advance for your support!

United Way is Celebrating Volunteers: Volunteer Nominations Now Being Accepted

United Way of Southwest Michigan seeks to honor these dedicated volunteers at the annual Volunteer Celebration and Recognition Event with volunteer awards in three categories - The Margaret B. Upton Volunteer Leadership Award, LIVE UNITED Youth Award, and the Powerful Giving Awards in EDUCATION, INCOME, HEALTH, and BASIC NEEDS.

Nominations are due by April 30, 2013. Full descriptions and nomination forms can be found online at www.uwsm.org/volunteerevent and hard copies are available by request by calling 269-982-1700.

Margaret B. Upton Volunteer Leadership Award
This prestigious award honors a Berrien County resident with a lifetime record of volunteer service. Nominations should demonstrate a candidate’s lifetime of exemplary service to the community through a range of diverse projects or services. The winner will receive $3,000 to direct to the non-profit organization of their choice.

LIVE UNITED Youth Award Scholarships
Each year United Way honors outstanding youth volunteers, one from Cass County and one from Berrien County. Along with the recognition at the event the winners receive a $500 scholarship. Applicants should show a commitment to volunteerism through innovation, time and dedication, and advocacy for community improvement.

Powerful Giving Awards
United Way is proud to announce the Powerful Giving Awards to honor Berrien or Cass County volunteers who are making a difference within United Way’s goals in the areas of Education, Income, Health or Basic Needs. The winner in each category will have the opportunity to direct $200 to the non-profit organization of their choice.

The Berrien Springs Camera Club Meeting

Wednesday, April 3
7 p.m., Berrien Springs Public Library

The Berrien Springs Camera Club will meet on Wednesday, Apr. 3, at 7 p.m. in its usual venue, the Berrien Springs Public Library at Cass (Old 31) and Union.

This month’s program consists of a competition of prints and digital images submitted by members. The selected topics for the month include:

- Ice
- Movement

Three additional categories are appropriate for all of our competitions:

- Nature (nothing domesticated, nothing of a human origin),
- Portraits,
- Open (any other subject)

With winter weather still visiting us fairly often, it should be easy to get pictures of ice. And those who enjoy trying sports photography will have a chance to show how they photograph movement. Of course, movement can also be seen in waterfalls and other subjects.

Prints, at least 5” x 7” in size, should be mounted, with the title and photographer’s name on the back. Instructions for submitting images in digital form are available on the club’s blog site:
http://berrienspringscameraclub.blogspot.com/

All are welcome, either to observe or to join. Anyone who wishes to join may submit photos to the competition, up to 10 projected images and/or 10 prints. Refreshments will be served.

Bicycles for Bible Workers

UPDATE

We are thrilled to see many people joining the BIKES FOR CUBA project. We are happy to report that out of the 50 bikes we need, we have cash or pledges for 20! Praise the Lord. But we still have 30 to go. If you want to participate in giving the "tool of a lifetime" to a Bible worker or pastor, mark your PMC envelope as "Bikes for Cuba" or bring your check to the Master of Divinity Office. On behalf of all the Bible workers and
Pastors who will receive bicycles, thank you!

**Original Announcement**

Come along for a Ride! Want to participate in our Study Tour to Cuba? This Spring break, a group of students sponsored by the Master of Divinity program will travel to Cuba to lead out in 5 evangelistic meetings.

Here is how you can participate:

Bible workers in Cuba go from place to place on foot. With long distances to cover and hot weather, it makes it difficult to reach their Bible interests. To this end, we are raising funds to buy 30 bicycles for these Bible workers. Each bicycle costs about $150. Here is your opportunity (or team up with a friend) to sponsor a bicycle. We already have commitments for 13 bikes!

How about giving the “gift/tool of a lifetime” to a Cuban Bible worker? Here’s how:

- If you attend PMC, you can write in the tithe envelope and in the subject line of your check: “Bikes for Cuba.”
- Drop a check at the Master of Divinity office in the Seminary.
- Contact Fernando Ortiz for more information ortizl@andrews.edu.

On behalf of the 30 Bible workers who will receive bicycles, thank you!

2001 Mitsubishi Galant For Sale

Hello!

I have a beautiful 2001 Mitsubishi Galant for sale with 118,000 miles. Gold exterior and tan cloth interior. I have had it for one year and it has run perfectly! It gets awesome gas mileage, rides smooth, and is in great condition. I am asking $3,400 or best offer.

If you would like to check it out please let me know! You can give me a call at 253-307-7447 if you would like to see the car or have any questions. Thanks!

Contact: Ashlie  253-307-7447

House for Sale

In the woods, with over 11 acres, this 4 bedroom, 3.5 bath home overlooks a private lake. Spacious great room has cathedral ceilings, stone fireplace & parquet oak floors. Kitchen has modern oak cabinetry, quartz counters, cathedral ceilings & a large wood stove with formal dining & family room access.

Master bedroom has a walk-in closet, smaller closet and private deck overlooking the lake. Downstairs is finished w/large rec room, wood stove, kitchen, bedroom & office w/closets, full bath & separate outside entrance.

Geothermal heating/cooling system, attached greenhouse, high speed Internet & satellite TV available. 24' x 36' steel pole barn.

Tubing hill + cross-country skiing or hiking trails pass through the woods. Pond is stocked w/perch, blue-gill & small-mouth bass. 10 min. to Andrews, 30 min. to St. Joseph, and 90 min. to Notre Dame.
'97 Cadillac Sedan for Sale

Here's a beautiful '97 Cadillac Sedan deVille in great condition. Only 120k miles, no problems, metallic subtle mauve, all four tires match with 50-60% tread on nice chrome wheels and all the standard built in features of Cadillac that will spoil you. I believe the car is ready for any trip and will average 26 mpg. I am offering a three day money back guarantee if not satisfied. This is a quality car you will prefer over a newer small car. It's just $2,995. Call 269-313-1661 for more information.

Apartment for Rent
Very nice furnished two bedroom apartment, walking distance from Andrews. Perfect for young couple or two students willing to share common areas. Fully equipped kitchen, bathroom with bathtub and hook up for washer and drier, living room and two bedrooms. The apartment will be available by the end of July. $600 per month or 300$ per renter plus utilities.
Graduate students welcome.
Call. 249 471 3819

Looking for Renter
Please disregard the previous post under this same heading. I typed this up on a smartphone and somehow the posting got deleted except for the title.
My wife and I currently live at Love Creek Apartments. We are moving and want to find a renter to help our landlord out because they have been very nice to us while living here. They have offered to pay us $100 if we find a renter to replace us, and we would be happy to split that 50/50 with anyone who signs a lease and references us so that we get that money. I would be willing to sign a contract to that effect prior to you
signing a lease here, or if you're happy with 'let your yes be yes and your no, no' I will give you my 'yes', too.

Details of the apartment:

This is a second floor (one flight of stairs with 6 steps) apartment. It has 2 bedrooms and 1 bathroom. The master bedroom is roughly 15x12 and the smaller bedroom is about 11x12. We use the smaller bedroom as a computer den, but it could also accommodate a bed, especially for families with children. In fact, there are several families here that have kids that stay in their second bedroom.

These apartments are incredibly nice, with high quality wood floors in the kitchen, carpet in the bedrooms and living room, and tile in the bathroom. The laundry is on the same floor as the apartment and is coin operated, cheaper than a laundromat.

Pets are allowed with NO ADDITIONAL FEE. This is very unusual in the area and most people want a deposit AND a monthly charge for pets, so this turns into a big money-saver for those with pets. They are ok with dogs or cats (or any other pets if you have fish, reptiles, etc.).

The lawn in back is spacious and well-maintained, and has tons of room for growing a garden. The landlord even offers to roto-till for you if you are putting in a garden, so take him up on the offer and grow your own tomatoes this summer!

The kitchen and living room are spacious and done in an open style. There is a lovely view of the back yard through the sliding glass doors, and your only neighbor is a non-emergency hospital to one side (which means very very very few ambulances (maybe once or twice a month we'll hear one, and never at night in a whole year of living here)) and open fields. It's beautiful and scenic out here, but only 4 miles from Andrews University campus which makes for a short bike ride or a quick commute into town for groceries and for classes.

The other people in the apartment are all friendly, and there are a couple of seminarians and other Andrews students living over here. Simply put, you will not find a more beautiful, well-maintained apartment in Berrien Springs, hands down. Did I mention that there is a propane fireplace and a dishwasher? Water is included in rent, as is trash and sewer.

The only utility you pay is electric, which averages around $70 a month, with the highest bill being $135 in the winter (we didn't put shrinkwrap on the windows though, so we may have saved a bit had we done that...c'est la vie!)

This wonderful apartment runs $850/month with an $850 deposit. Again, we will pay you $50 cash when you sign the lease. Please come have a look! We are moving out April 30th so this will be available May 1st. You can e-mail me at strattod@andrews.edu or call 269-635-2321.

Have a blessed day,

David Stratton

P.S. you can check out photos at lovecreekapt.com

20 inch Acer Monitor 2/ Built in Speakers

I'm selling my 20 inch Acer P205H monitor with built in speakers for $100. The monitor works fine and comes with a power cord, VGA cable, and a 3.5mm cable as well for audio. Its a nice monitor and works great. If you have any questions or want to buy it please text me at (509)731-8086.
2007 15 inch Macbook Pro

I'm selling a 2007 15 inch Macbook Pro for $500. This is a great Apple product, keyboard lights works, speakers work and every button is functional. There is cosmetic damage to the computer but it is normal wear and tear and does not affect the functionality of the computer. The only flaw is that the battery it has now does not hold charge so all you have to do is buy a new one. However, the charging cable gave out a few months ago so I purchased a new 85W MagSafe Power Adapter.

Here are the Specs:
Running Snow Leopard 10.6.8 (I am told that for this model this is the operating system that it works best with)
2.4 GHz Intel Core 2 Duo
2 GB RAM
NVIDIA GeForce 8600M GT with 256 MB of GDDR3 SDRAM and dual-link DVI
160 GB Harddrive 5400 rpm
8x Superdrive
One firewire 400, one firewire 800, two USB 2.0 port and ExpressCard/34 slot
Built-in iSight camera
Combined optical digital input/audio line in, combined optical digital output/headphone out, stereo speakers, microphone
85W MagSafe Power Adapter

If you have any questions or want to buy it please text me at (509)731-8086. Thanks.

Fairplain Presbyterian Church in Benton Harbor is Looking for an Organist

Fairplain Presbyterian Church in Benton Harbor is looking for an organist.

A bit about our church:

• We have one service weekly, traditional in structure, with some blending of music
• Our choir, rehearses on Wed evening, sings two anthems each week on the 1st, 2nd, and 4th Sundays of each month.
• Our service is ‘hymn based’, using a wide variety of hymns
• The choir does not sing during the summer
• About 4-5 times a year we have a service where people are able to choose favorite hymns, so sight reading is desired

From an organist we need:

• Accompany the choir
• Play for the three weekly hymns
• Prepare and play a prelude and postlude each week
• Punctuality
• A friendly personality

From an organist we desire:
• Available for funerals as needed
• Available for weddings as needed

If you are interested please send a letter of interest and resume to:
Fairplain Presbyterian Church
210 W. Napier Avenue
Benton Harbor, MI 49022

Female Roommate Wanted
Looking for someone to share an apartment and rent either beginning this summer or fall 2013. An apartment I’d prefer to have is one that is within walking distance to Andrews, has two bedroom or one, and with a laundry facilities on site or near by. Apartments I’d consider are George Street Apartments or others as suggested.

I'm 23 years will be starting my master's program next year in Special Education. I'm easy to get along with and do not mind having friends over every once in a while including weekends. Anything else you'd like to know about me please get in contact with me.

Garland Apartment for Rent
Looking for someone to take over my lease beginning May. The apartment is located right behind the housing office Garland E with an excellent parking space. The lease will finish at the end of July.

It’s a furnished apartment with a bathroom, one bedroom (with two closets and cabinet space), large living room, kitchen (fridge and cabinet space) and storage space right in front of laundry room. It's on the ground floor with laundry room nearby that is coin operated. The rent is $535 a month (includes utilities). It is right on campus so walking distance is not that far of course. Package deal!!!!!

Please get in contact with me if you’re looking for a place to rent for the summer to take classes or work. There is a strong possibility that if you’d like to rent the apartment for the school year that you would be able to.
