Photo of the Week: Fifteen Andrews University students received awards on April 13 from Michigan Campus Compact (MCC), at ceremonies held at the Kellogg Hotel and Conference Center on the campus of Michigan State University in East Lansing, Mich. MCC represents a consortium of 40 Michigan public and private colleges and universities that encourages students to engage in focused service activities on campus and particularly in local communities. Thirteen Andrews students received the Heart and Soul Award. They were (back row, L-R) Kimberly Clark, Janna DeWind, Katelyn Nieman, Stephanie Oliver, Olivia Knott; and (front row, left) Ataniel Quetz. Not pictured are Rodney Allen, Kathlyn Bearce, Tacyana Behrmann, Brittany Felder, Laury Fouche, Daniel Morea, and Amy Moreno. Two Andrews students received special recognition with the Commitment to Service Award. They were Katelyn Ruiz (front row, center) and Charles (Carlos) Trimble (not pictured). Award recipients were nominated by Andrews faculty and staff. The university's participation in the event was coordinated by Larry Ulery (front row, right), assistant professor of community service programming, and director of Service Learning.

Student Movement Staff Wanted

The Student Movement is looking for staff for the 2013-2014 school year! We are currently working to build a team of talented, committed students who will completely revolutionize student journalism on the Andrews University campus. All positions will require meeting attendance, innovative thinking, and the willingness to work as a team.

Previous experience is preferred, but not required. All you must have is a passion for truth and storytelling – and good writing skills.

We are currently hiring for the following positions:

**News Editor**
In charge of finding and assigning stories about campus news – big events, policy changes, campus disturbances, etc.

**Ideas Editor**
This section deals with opinions, perspectives, and controversial topics. This editor must be devoted to balance, fairness, and quality in writing – and they'll need to find writers can discuss issues intelligently every week.

**Sports Editor**
This person needs to be excited about AU Sports! The section includes Cardinal news, Intramurals, and other campus athletics.

**People Editor**
Andrews students are interesting and diverse. This section will tell their spotlight them and the interesting things they're doing -- whether that's climbing a mountain, backpacking through Indonesia, or learning how to play the bagpipes. This editor must constantly look for fascinating people and tell their stories.

**Arts & Entertainment Editor**
This section spotlights local artists, reviews campus arts events, and includes reviews and musings on various topics related to entertainment and the arts.

**Assistant Layout Editor**
Content doesn't matter if it's unreadable. This graphic designer will assist the Layout Editor in designing the newspaper every week.

**Multimedia Manager**
Responsible for website content creation and maintenance. May also use Twitter, Facebook, Instagram, and other social media to promote the SM.

**Business Manager**
In charge of managing the budget and, perhaps the most important task, making sure everyone gets paid!

**Distribution Manager**
This person gets the paper from hot off the presses and into the hands of students. This job requires a lot of legwork – and we'll be trying to increase circulation this year.

If you are interested, please send a brief statement of purpose, resume, and (where applicable) 2-3 writing samples to melodierschman@yahoo.ca.

Take the A Healthy U Survey!!

A Healthy U is in the process of gathering information on how to improve the programs we currently offer and for programs in the future. We would love your help in this process! Please take 10-15 minutes to complete the survey (follow the link below). Your feedback is completely anonymous and greatly appreciated! Please complete the survey before April 25.

For those who complete the survey, there is an option to be entered into a drawing for one Andrews University Bookstore gift certificate valuing either $10 or $25. To be eligible for this prize drawing, you must complete the survey and choose to enter your name and email at the end (your name and email will only be used for the drawing and will not be used in connection with the data that is gathered). You can also choose to take the survey without giving your name and email, but you will not be entered into the prize drawing. The winners of the prize drawing will be announced on April 26. This option is for faculty/staff only.

Please help us as we try to move the A healthy U program forward!

Follow this link to complete the survey: https://www.surveymonkey.com/s/ahealthyusurvey.

Thank you in advance for your participation in this!

Three Services Scheduled for May 2013 Commencement

Andrews University’s Spring Commencement, scheduled for the weekend of May 3–5, 2013, marks a significant scheduling change. In order to provide more seating for graduates’ families, Commencement has been split into three separate services by school/college. Previously, Commencement was separated into two services: one for undergraduate and the other for graduate degree conferral.

The new schedule is:

8:30–10:30 a.m.
School of Health Professions
Seventh-day Adventist Theological Seminary

11 a.m.–1 p.m.
College of Arts & Sciences

2–4 p.m.
Department of Agriculture
Department of Aviation
School of Architecture, Art & Design
School of Business Administration
School of Distance Education
School of Education

Each year, the graduating classes have grown, bringing with them more family members who wish to attend Commencement. According to Dalry Payne, graduation coordinator, after the spring 2012 service the administration decided to add one more commencement service to allow each graduate greater access to tickets for family and friends. Currently, each graduate will be allocated a minimum of six tickets. Depending upon the number of graduates who march, there may be more tickets available.

Full details of this year’s spring Commencement is available at www.andrews.edu/graduation.

Online Master of Public Health Introduced

The Department of Public Health & Wellness, formerly known as the Department of Nutrition & Wellness, has received approval to offer a Master of Public Health (MPH) in Nutrition and Wellness. The Board of Trustees approved both the department name change and new degree during their 2013 spring meeting.

This new program is the first and only online MPH program in Nutrition and Wellness offered in the country. Offered at a 50% tuition discount, this new program will prepare health professionals for service in the church and community by building knowledge and skills necessary to enhance the health of human populations and promote a healthy lifestyle through personal and community efforts.

Emmanuel Rudatsikira, dean of the School of Health Professions, says the demand for public health professions in the workforce continues to be high across the United States and globally. Citing information from the U.S. Bureau of Labor Statistics (BLS), Rudatsikira says employment opportunities are expected to grow by 37% from 2010 to 2020, faster than the average for all occupations (14%).

“This prediction translates into about 23,200 new jobs for public health professionals over the next 10 years,” says Rudatsikira. “According to the Council on Education for Public Health (CEPH), there are 62 accredited online public health programs in the United States. However, there are only two Master of Public Health programs in nutrition. Our program, with emphasis on vegetarian lifestyle and wellness, is unique and presently the only one of its kind.”

Registration Opens April 15 for Summer Produce Subscriptions

This summer you can have fresh produce delivered to your door for 20 weeks, courtesy of Andrews University Student Gardens. The program begins in mid June and continues through October.

Subscribers can choose between a full share of produce for $600 and a half share for $400. Each basket includes at least six types of fresh produce, such as tomatoes, peppers, eggplant, broccoli, corn, kale, carrots and cucumbers. In addition to the classic vegetables, this year Andrews Student Gardens will have options available to add fresh flowers and fruit to your baskets. Flowers will be an additional $40 increase for the 20 weeks (cut and potted bouquets as seasonally available). Fruits will be a $100 increase for the 20 weeks (blackberries, raspberries, apples, peaches and melons as seasonally available). Weekly newsletters accompany the baskets with fresh recipes and helpful information.

Delivery is free within a 15-mile radius of the campus, but those who prefer can pick up their share on Friday mornings from 11 a.m.–2 p.m. at the local farm stand, which will be located at the Neighbor-to-Neighbor parking lot at 9147 Hwy M-139 in Berrien Springs, Mich.

Andrews Student Gardens are designed to give students practical gardening experience, provide income, offer student employment, support farming, and provide the community with the opportunity to receive fresh produce that will aid a healthy lifestyle. The gardens include three acres of Gala apples, four acres of peaches, 2,500 feet of raspberries, 1,000 feet of blackberries, three greenhouses, and ten acres of vegetable production. The produce delivery program and the farm stand are part of the CSA (Community Supported Agriculture) program. Currently, the program is working to receive organic certification.

Registration will open April 15 with the first baskets being delivered June 13. To subscribe, visit www.augardens.com/csa-registration. For more information, call 269-471-6006 or email info@augardens.com.

Howard Performing Arts Center Committed to Being Community Resource

Did you know the Howard Performing Arts Center holds more than 200 events each year? Did you know that in addition to University ensembles, local elementary and secondary schools are able to utilize the Howard? Further, did you know the Howard Performing Arts Center is available for rental use for special events and weddings? In short, the Howard Performing Arts Center at Andrews University—designed for the performance of music and educational activities meeting fine arts standards—is committed to continuing to make the facility available to the community.

The Howard Performing Arts Center is a busy venue with 207 events last year alone. Erica Griessel, manager,
says, "The needs of our Andrews University Department of Music ensembles are our top priority—choirs, operas, symphony orchestra, wind symphony, student recitals, faculty recitals and studio recitals."

Local schools, including Andrews Academy, Ruth Murdoch Elementary School, Village SDA Elementary, Berrien Springs Middle School and Berrien Springs High School, also utilize the concert hall throughout each season. The University also uses the facility to host speakers for University forums, an annual student talent show, several music festivals, and as a venue to host prospective students. In the summer months, the Howard Center is home to multi-day conferences. There is also steady interest in using the concert hall for recording purposes.

The John & Dede Howard 90.7 WAUS Studios are also housed at the Howard Performing Arts Center. In partnership with WAUS, a Second Sunday Concert Series is held on the second Sunday of each month at 4 p.m. Most concerts are free of charge and feature a classical artist.

The major donors for the building, John and Dede Howard, had a strong desire for the facility to serve not only Andrews University's needs but also Berrien Springs and the greater Southwest Michigan community. This remains a strong priority for Andrews University administration.

"Much of our busy season is comprised of groups from the University and the community who rent the lobby or concert hall for their special event," continues Griessel. "Community groups, such as the Optimist Club of Berrien Springs, the Michigan State University 4-H Extension program, Southwest Michigan Symphony Orchestra's Musicians in the Schools, and Lake Michigan Youth Orchestra use the Howard Center nearly annually."

The lobby of the Howard Center is also frequently rented for wedding receptions, dinner parties, banquets, business luncheons and senior photos.

Howard Performing Arts Center management plans an annual season with six to twelve concerts with visiting artists in the genres of classical, Christian contemporary, jazz, world and instrumental music.

Griessel says, "With our desire to be your home for an exceptional concert experience, we make an effort to represent both local artists as well as artists from all around the world. In the past we've featured Vienna Boys Choir, Sandi Patty, Canadian Brass, Brandon Heath, Dailey & Vincent, and many more."

If you’ve never been to the Howard Performing Arts Center, the current season still has several great concert experiences. On April 7, Christian contemporary artist Laura Story performs. The University Singers and Chorale perform in their annual Easter Choral Concert on Saturday, March 30, and the Wind Symphony has their spring concert on Sunday, April 21. As a finale to the season, the University Chorale and Symphony Orchestra are performing Mendelssohn's Elijah with Charles Reid, tenor, on Saturday, April 27, at 6:30 P.M. For more information, visit us on the web at howard.andrews.edu or call the box office at 269-471-3560.

Planning for the 10th season, 2013–2014, is currently underway. Management always accepts suggestions from the campus and community on artists for the Howard Center Presents... concert series. Send suggestions to Erica Griessel, manager, at egriessel@andrews.edu or call 269-471-3560. If you have an interest in renting the Howard Center or the lobby for your special event, please contact them for further information.

Draft of New Campus Master Plan Available for Review

A draft of the 2013 Campus Master Plan for Andrews University is available for download and review.
This draft is a first draft and is intended for introduction and review purposes only. Although a general outline and the graphic content of this document have already been presented to the Andrews University Campus Planning Committee, the draft has yet to be reviewed in detail. The authors of this document anticipate that appropriate details will be changed subsequent to a more thorough review.

You are invited to peruse this document carefully and offer comments and critique at your discretion. A draft of the Campus Master Plan, its goals and illustrations will also be presented to the faculty and staff at a later date, which has yet to be determined. A summary of the decision-making process behind this project can be found on the blog of this website.

2013 Faculty and Staff Awards Night Honors Employees

"49104: The Next Best Place" was the theme for this year's annual Faculty/Staff awards night, held Sunday, March 3, at the Howard Performing Arts Center. Each year at this event faculty and staff are given recognition through the Years-of-Service Awards, Excellence in Service Awards, Faith Development Leadership Award, Daniel A. Augsburger Excellence in Teaching Awards and Siegfried H. Horn Excellence in Research & Creative Scholarship Awards.

"49104" was an Andrews-themed take on Garrison Keillor's popular radio show, A Prairie Home Companion. It featured all local talent, including live bluegrass music by Five for Grace and a script written by Bruce Closser, Scott Moncrieff and Ivan Davis from the Department of English and Ronald Knott, director of the Andrews University Press. A cast of faculty and staff performed "live" radio skits about life in our little community, "Where all the faculty are strong, all the staff are smart, and all the students are over-performing." Nicholas Miller, associate professor of church history at the Seminary, was the host for the evening's performance, and coached the audience on proper British ways of etiquette and pronunciation. The title song, "49104: The Next Best Place," was a parody written and performed by Knott, based on "Something Good" from The Sound of Music. Dining Services implemented the theme with local food items served from farm stands erected in the Howard Lobby.

Siegfried H. Horn Excellence in Research & Creative Scholarship Award

This award was established in 2011 to honor Siegfried Horn's legacy of scholarship and contribution to the field of biblical archaeology at Andrews University, and his impact upon the world church and the wider community of scholars. The award was established to recognize the lifetime scholarship achievement of Andrews University faculty members. The chair of the Scholarly Research Council accepts nominations in four
This year’s recipients were: Fernando Canale, professor of theology & philosophy, Department of Theology & Christian Philosophy; Winston Craig, professor of nutrition, Department of Nutrition & Wellness; Tevni Grajales Guerra, professor of research and statistical methodology, Department of Graduate Psychology & Counseling; and Øystein LaBianca, professor of anthropology, Department of Behavioral Sciences.

Staff Excellence in Service Award
The recipients of this award are hourly or salaried full- or part-time staff who have served for at least three consecutive years, and have not previously received the award. The award is given in recognition of outstanding service to the University, the church and the community, and for demonstrating, by precept and example, a Christ-centered life. This year’s recipients were Cynthia Caballero, secretary, Ruth Murdoch Elementary School; Gregory Offenback, heavy equipment operator, Transportation; and Edelmira Guzman, custodial supervisor, Lamson Hall.

Daniel A. Augsburger Excellence in Teaching Award
Eight faculty members received the Daniel A. Augsburger Excellence in Teaching Award. This award recognizes faculty whose teaching reflects the high standards of excellence modeled by Daniel A. Augsburger in his 60 years of teaching at Andrews University. Augsburger’s leadership, academic rigor, breadth of knowledge, teacher-scholar role, along with care and concern for students, exemplify the best of faculty endeavors. Faculty from each school nominate and choose their individual candidates. This year’s recipients were: Gary Burdick, associate dean of research, School of Graduate Studies & Research; Pedro Navia, professor of Spanish, College of Arts & Sciences; Shelly Perry, associate professor of social work, College of Arts & Sciences; Tom Michaud, instructor of digital media, School of Architecture, Art & Design; Ben Maguad, professor of management, School of Business Administration; Nancy Carbonell, associate professor of counselor education and counseling psychology, School of Education; Richard Show, associate professor of medical laboratory science; and Darius Jankiewicz, associate professor of theology, Seventh-day Adventist Theological Seminary.

Faith Development Leadership Award
This honor is awarded to any employee, faculty or staff, who has made a significant contribution to the spiritual life of campus. Formerly known as the Spiritual Life Award, instituted in 2005, the name was changed this year. This year’s honoree was Paul Elder, manager of Plant Service. His humbleness is one of the first attributes folks notice about him. Elder leads worship for all his staff every Monday and encourages an open searching heart for Jesus. He believes doing a good job is also leaving a belid impression that Jesus makes the difference in your life. He is also an avid supporter of student missionaries and served on the Student Missions Advisory at Andrews University. Elder knows the names of all his staff and students. The students who work in his area said, “He always says hello to us no matter where we are on campus.” He is also engaged in his local church as an elder and Sabbath School teacher and leads out in the mid-week prayer meeting.

35 Years of Service Awards
Daniel Bidwell, senior systems administrator, Information Technology Services
Dan Bidwell started full-time work as a systems administrator at Andrews University in August 1977. He began teaching computer science in 1980 and was a member of the first graduating class in computer science in 1981, receiving a Master of Science. Andrews is grateful for the many contributions Dan has made to so many campus firsts: the first Internet connection, the first fiber optic data cable, and the first WEB server at Andrews, to name a few. Dan was also the first Seventh-day Adventist to receive a doctorate in computer science in 1986.

Gregory Offenback, heavy equipment operator, Transportation
Since 1978, Gregory Offenback has been doing all kinds of heavy lifting, so to speak, at Andrews. From his years of fixing equipment to planting and harvesting crops at the Andrews Farm and Dairy, to his current role as a “jack-of-all-trades” at Transportation, Greg certainly is one of Andrews’ most dedicated caretakers. The next time you enjoy a snow-free parking lot or a recently filled-in pothole, you have Greg to thank!

30 Years of Service Awards
Daniel Cress, director of servers & networks, Information Technology Services
Daniel Cress and his work can be characterized by the words quality, vision, innovation, research, planning and service. His vision, research and innovation have significantly impacted Andrews University: from planning and developing the campus network beginning 20 years ago, to finding technology to connect outlying buildings, designing and engineering the Seminary classrooms, and so much more.

Meredith Jones-Gray, professor of English, Department of English
Andrews University is a place of significance for Meredith Jones Gray—both professionally and personally. She joined the Department of English faculty 30 years ago; authored a history volume of the University, As We Set Forth, and is working on a second volume; earned three degrees from Andrews, and attended Andrews Academy and Ruth Murdoch Elementary School. And before that, it was the Sutherland House where her parents brought her home from the hospital when she was born.

Barry Wilson, master electrician, Plant Service
Barry Wilson has served Andrews University for 30 years, much of that as a master electrician for Plant Service. His greatest gift is his willingness to respond to any emergency, during his regular hours or in the middle of the night. Barry also represents Andrews in the community as a volunteer fireman. At any time he might be called to help save one of our neighbor’s lives or property.

25 Years of Service Awards
Elynda Bedney, director, Office of Student Financial Services
When you get information from Elynda Bedney, director of Student Financial Services, you know it will be done accurately. Just take a look at the Compliance Reviews from our Federal and State Agencies: the outcome is always the same...an excellent report! Bedney has given 25 years of excellent service to Andrews. Not bound by a time clock, she is there to ensure the enrollment process for financial clearance is handled accurately and timely.

Nwitimes.com: Architecture Students Tour The Village in Burns Harbor
In a world where connectivity and convenience increasingly influence where people choose to live, the architectural philosophy of New Urbanism is gaining support across the US. An approach to designing cities, towns and neighborhoods that resemble old European villages, New Urbanism attempts to reduce traffic and eliminate sprawl while fostering a sense of community closeness. Earth-friendly design, energy conservation, historic preservation and accessibility are also important characteristics. Read the full story here.

Wednesday, May 1
7 p.m., Berrien Springs Public Library

The monthly meeting of the Berrien Springs Camera Club will be on Wednesday, May 1, at 7 p.m. in the Berrien Springs Public Library at Cass (Old 31) and Union. May is the month for the final competition of the year, when prints and digital submissions that were judged acceptable or honored in competition during the current season will be reviewed again by three judges, who will select the top five projected images and prints, in the categories of Nature and Open (everything else).
The club's season runs from September to June, with four competitions each year. Besides two special topics for each competition, three other categories are always acceptable: Nature, Portraits, and Open. The special topics for this season were as follows: for October: Dawn/Sunset, Now and Then (side-by-side contrasts, or an image showing both the old and the new); December: Farm Produce, Night Shots; February: Long Exposure, Sequence; and April: Ice, Movement.

Anyone is welcome to come and enjoy viewing the images, seeing how the club operates, and learning from the judging process. Refreshments will be served.

19th Commemoration of the Rwandan Genocide against Tutsi

Sunday, April 21
2:30-6 p.m., University of Notre Dame
Community Newspaper are hosting the 2013 BEST Early Research Symposium on Friday, April 26, 2013 on the campus of Andrews University.

The symposium, which begins at noon, will showcase Berrien RESA's Berrien County Mathematics & Science Center (BCMSC) students as they formally present research, engage in discussions about their experience, and demonstrate college-level lab techniques.

This event represents a capstone project for the BEST Early Research Program and provides a public showcase that emphasizes the research achievements of BCMSC seniors.

For over ten years the BEST Early Research Program has been engaging high school students in high-level scientific research and discovery that allows them to become excited about science and to pursue scientific careers. In addition to the possibility of students making scientific breakthroughs, the program acts as an 'incubator of innovators' by building the local research and development workforce.

Everyone is encouraged to attend. It will be a great opportunity to meet and talk directly with some of the County's brightest students. Please RSVP your attendance as soon as possible by contacting Desmond H Murray, at 269-757-1641 or at murrayd@andrews.edu.

Seeking an Apartment

My younger sister (a sophomore at Andrews) and I (contract worker at Andrews) are looking for a 2-bedroom apartment for next semester.

Ideally we'd find a 6-month lease for July 1-December 31, perhaps allowing us to stay on a per-month basis after that (my sister will be travelling abroad and I will be looking for work out-of-state).

We're praying we'll find something around $600 (but wouldn't complain if it were less!).

We both love to cook and sing, so the halls may always be full of tasty smells and happy music (though not

Student Movement Staff Wanted

The Student Movement is looking for staff for the 2013-2014 school year! We are currently working to build a team of talented, committed students who will completely revolutionize student journalism on the Andrews University campus. All positions will require meeting attendance, innovative thinking, and the willingness to work as a team.

Previous experience is preferred, but not required. All you must have is a passion for truth and storytelling – and good writing skills.

We are currently hiring for the following positions:

**News Editor**
In charge of finding and assigning stories about campus news – big events, policy changes, campus disturbances, etc.

**Ideas Editor**
This section deals with opinions, perspectives, and controversial topics. This editor must be devoted to balance, fairness, and quality in writing – and they’ll need to find writers who can discuss issues intelligently every week.

**Sports Editor**
This person needs to be excited about AU Sports! The section includes Cardinal news, Intramurals, and other campus athletics.

**People Editor**
Andrews students are interesting and diverse. This section will tell their spotlight them and the interesting things they're doing — whether that's climbing a mountain, backpacking through Indonesia, or learning how to play the bagpipes. This editor must constantly look for fascinating people and tell their stories.

**Arts & Entertainment Editor**
This section spotlights local artists, reviews campus arts events, and includes reviews and musings on various topics related to entertainment and the arts.

**Assistant Layout Editor**
Content doesn't matter if it's unreadable. This graphic designer will assist the Layout Editor in designing the newspaper every week.

**Multimedia Manager**
Responsible for website content creation and maintenance. May also use Twitter, Facebook, Instagram, and other social media to promote the SM.

**Business Manager**
In charge of managing the budget and, perhaps the most important task, making sure everyone gets paid!

**Distribution Manager**
This person gets the paper from hot off the presses and into the hands of students. This job requires a lot of legwork – and we’ll be trying to increase circulation this year.

If you are interested, please send a brief statement of purpose, resume, and (where applicable) 2-3 writing samples to melodieroschman@yahoo.ca.

Garland Apartment for Rent

Looking for someone to take over my lease beginning May. The apartment is located right behind the housing office Garland E with an excellent parking space. The lease will finish at the end of July.

It's a furnished apartment with a bathroom, one bedroom (with two closets and cabinet space), large living room, kitchen (fridge and cabinet space) and storage space right in front of laundry room. It's on the ground floor with laundry room nearby that is coin operated. The rent is $535 a month (includes utilities). It is right on campus so walking distance is not that far of course. Package deal!!!!!

Please get in contact with me if you're looking for a place to rent for the summer to take classes or work. There is a strong possibility that if you'd like to rent the apartment for the school year that you would be able to.
