Campus Signage Policy

As part of the planning of the University entrance, the Arboretum Council and the Facilities Management Committee voted temporary signage would be prohibited at the University entrance and along J.N. Andrews Boulevard. This policy was deemed reasonable because of the increased visibility of the official entrance to the University and the way-finding signs installed throughout campus. Signs placed there will be removed and can be picked up at IMC. Banners may be placed at the terminus of J.N. Andrews Boulevard on the poles provided. Reservations/arrangements to install and store banners can be made with Plant Service. When providing guests with directions to campus, weather-resistant boxes to place flyers about your event have been installed for your convenience at the large campus map at the Welcome Globe.

2nd Graders Visit Department of Nursing

On Tuesday, May 14, 2013 at 10:30 a.m., 18 second-graders from RMES marched single file into the Department of Nursing, following their teacher Jina Yoon. The class came to learn how our students become nurses. They spent time in the Skills Lab with Mary Ngugi, the lab coordinator, learning how our students get ready for their clinical experience. They also met with Gisele Kuhn, one of our faculty, and spent time with Bob (our SimMan, a high tech mannequin) to check his pulse and check breaths per minute.

They also learned that part of nursing was teaching about health prevention and promotion. In the end, some mentioned they wanted to become nurses when they were older.

The nursing department was delighted to be visited by the 2nd grade class from Ruth Murdoch Elementary School.

Debunking Myths of the Howard Center

Over the years, there have been many myths and misconceptions concerning the Howard Performing Arts Center and we want to set the record straight. What follows is information you should know about the Howard Center; some is true, some is false, and some is just plain silly. Read on and discover the truth!

Category: Campus News
Andrews University recently hosted the 42nd annual conference of the International Association of Missionary Aviation (IAMA) from May 15–17, 2013. Over 90 pilots, professors and students from 20 different organizations gathered on Andrews’ campus for three days of keynote presentations, discussion and business.

The featured speakers for the event were Ronald J. Maines, owner and founder of Crossroads Consulting Group, a strategic leadership group; David J. Schipper, president and CEO of the Schipper Group and founding member of the Spokane Turbine Center; and Dave Tanner, Safety Officer for Meijer’s Flight Department.

Each speaker gave several talks throughout the conference; on Thursday Dave Tanner’s afternoon address was entitled "A Path to Excellence in Aircraft Operations: Our Guide—The Word of God." As excellence in aviation becomes increasingly important, pilots, and especially Christian pilots, should cultivate “normalized excellence” in their lives, Tanner said. “God’s people should make excellence a part of their personal ethos,” said Tanner, connecting the Christian mission with the earthly one.

Following IAMA’s annual Year in Review session on Thursday evening, conference attendees enjoyed a banquet and keynote presentation given by Terry and Debbie Montambo. The Montambos are active conference and ministry speakers, and served with the Mission Aviation Support Association for nine years.

Several attendees flew in to the conference, including Tanner, who flew in from Grand Rapids, Mich. Many of the attendees have spent time flying in the mission field, and featured speakers Maines and Schipper flew as pilots for the United States Army during the Vietnam War.

Dina Simmons, chair of the Department of Aviation, reported that attendees enjoyed the conference, the airport and aviation facilities, and the Andrews University campus. "They're talking about coming back in the future," said Simmons. "IAMA is a wonderful network for Christian pilots in the mission field." Simmons noted that the majority of conference planning could not have been accomplished if not for her administrative assistant Jean Gustavsen, flight instructor Kathy Adrada, and student assistant Jose Quispe.

IAMA is a non-denominational association of mission pilots that provides support, resources and guidance in best practices for small missionary aviation organizations across the globe. IAMA is very active at aviation events throughout the country, including the annual
AirVenture aviation celebration in Oshkosh, Wisc., where they are yearly participants in Fly for Life.

The next IAMA conference will be held in 2014 at the Prairie School of Mission Aviation in Three Hills, Alberta, Canada.

Wanda Lee Easley, 73 of Harvey, N.D., died on Monday, May 20, 2013 at her home. She was the mother of Linda Brinegar, executive chef, Andrews University Dining Services. Funeral services were held on Thursday, May 23, 2013 at the Seventh-day Adventist Church in Harvey. Wilfrida Ruiz, 91, Died May 19
Wilfrida Ruiz, 91, died at her home in Berrien Springs on Sunday, May 19, 2013. She was the mother of Willyta Ruiz-Wamack, housing coordinator for University Towers, and Luz Ruiz, administrative assistant for the School of Architecture, Art & Design.

Wilfrida dedicated her life as an Adventist educator for 31 years in her native country of Peru. She was preceded in death by her husband Esteban Clodomiro Ruiz who died in 1975. She retired in 1981 and decided to move to the U.S. to join her two daughters in Texas. In 1989 she moved to Berrien Springs, following Willyta and Douglas Wamack who were here to pursue their studies. While at AU, she was able to fulfill her longtime dream that was postponed when she had to take care of her husband after he became ill. In 1995, at age 73, she received her master's degree in Religious Education. Wilfrida slept in Jesus at her home with both daughters at her bedside. She will be surely missed.

Funeral services will be held on Friday, May 24, at Pioneer Memorial Church. There will be a visitation from 12-1 p.m., with a funeral service at 1 p.m. Burial in Rose Hill Cemetery will follow. Online messages for the family may be left at www.allredfuneralhome.com. The family requests that memorial donations be made to the Architecture Missions Group for Palpa School, c/o School of Architecture, Art & Design.

Please remember Willyta, Luz and their entire family in your thoughts and prayers at this difficult time.

The family is planning a memorial service at Pioneer Memorial Church on Sabbath, July 27, at 4 p.m. Those who wish to may send cards or notes to his wife, Joyce F. Schwarz, 44-115 Nanamoana St, Kaneohe HI 96744.

Buchanan Art Center Fundraising Program  
The Buchanan Art Center has announced the kickoff of their cell phone donation fundraising program to be held at the Buchanan Art Center Wednesday, June 5 thru Saturday, June 8. The proceeds from this collection program will fund art advocacy and educational programs offered throughout the community by the BAC.
The BAC appreciates the donation of any used cell phones, smart phones, and PDA's—regardless of condition, (with any/all accessories and batteries, if possible) during normal Buchanan Art Center hours. A cell phone recycling specialist will be at the Center from 2-6 p.m. on these days to answer questions about the donation drive, and will assist donors through the donation process. All donations are tax-deductible and tax receipts will be available.

Identifying the opportunity to reuse and/or refurbish unused, outdated, cell phones, the Buchanan Art Center is enlisting the help of the community to donate used or unwanted cell phones in the hope of raising funds for the BAC, while keeping this unused technology out of the landfills.

For more information, please contact Janet Flahaven, executive director, at 269-697-4005 or by email at buchananartcenter@att.net.

The Buchanan Art Center is located at 117 West Front Street in Buchanan, Michigan. The Center features three galleries with rotating exhibits of regional artists' works, a program of educational art classes for all ages, and a gift shop offering works of local artists. Current hours are Monday–Thursday 10 a.m.-6 p.m., Friday 10 a.m.–5 p.m., Saturday 10 a.m.–4 p.m. and Sundays 1-4 p.m., from Memorial Day to Labor Day. More information, including a schedule of classes, can be obtained at the Center by calling 269-697-4005, or by visiting their website at www.buchananartcenter.org.

2004 Toyota Corolla S - $5,000

I'm selling my 2004 Toyota Corolla S. It has a spoiler on the trunk. The car runs great. Very good on gas. It has 109xxx miles.
Black interior, silver exterior.
It has some body issues, which does not affect the frame of the car.
It will eventually need a new tensioner for the fan belt. As a result, it makes some noise when the engine's cold. Once it warms up, the noise eventually fades. The mechanic says it is not an immediate detriment and it will not leave you stranded any time soon.
The car also needs a new AC compressor (or if you can rebuild it).
I am the original owner. Clean title.
KBB suggests that it is worth more than what I am asking so jump on this deal FAST.

I'm asking $5,000 O.B.O. All serious offers will be considered. Interested? Call CJ at 770-728-2480.
