Lifestyle Improvement Focused Team

Lifestyle Improvement Focused Team (LIFT) – A Health Support Group Experience

Date: Saturday, July 13, 2013
Location: Bell Hall 106 (on the campus of Andrews University)
Time: 4 p.m.

Topic this Month: The Power of Micronutrients in Achieving Optimum Weight & Health:
Building your Immune System with Super Foods from your Kitchen

A video presentation by Joel Fuhrman, MD, followed by reflections, questions and answers.

- We can supercharge our immune system to protect our bodies against disease—everything from the common cold to cancer.
- Embracing a health promoting, disease preventing diet is as easy as 1-2-3
- A strong immune system is well within the reach of those who live with intentionality
- Discover the GOMBBs patrol—six top cancer-prevention foods
- Nutritional science has made phenomenal strides and discoveries in recent years, and when we apply this research to our lives, it enables us to seize control of our health like never before
- Discover a health promoting food pyramid with the most emphasis on nutritional powerhouse vegetables such as kale, broccoli and spinach

Joel Fuhrman is a family physician and researcher who specializes in reversing disease through nutrition. He has appeared on hundreds of radio and television shows. Dr. Fuhrman is the New York Times best-selling author of Eat to Live, and research director for the Nutritional Research Foundation. Combining the latest data from clinical tests, nutritional research, and results from thousands of patients, Dr. Fuhrman asserts that we can supercharge our immune system to protect our bodies against disease, and live healthier, stronger and longer than ever before.
Come share the moment with us, and receive support in your quest to maintain the healthy body that God has given you.

Group is facilitated by Judith Fisher

IAMA Conference Held at Andrews

Andrews University recently hosted the 42nd annual conference of the International Association of Missionary...
Due to a growing demand for nurses with a Bachelor of Science in Nursing (BSN), Andrews University will offer an online BS completion program in Nursing beginning spring semester 2014. Many hospitals and healthcare facilities now require that their nurses hold a BSN in order to practice, and the industry estimates that by 2020, 80% of nurses will have a BSN.

The online program, offered at a 50% tuition reduction, is a total of 125 credits, 68 of which come from a previously earned associate’s degree. The remaining 57 credits can be completed in four semesters.

Materials and other information are available online at [http://www.andrews.edu/shp/nursing/programs/bs-nursing-completion.html](http://www.andrews.edu/shp/nursing/programs/bs-nursing-completion.html).

Michiana Fil-Am Vacation Bible School
Investigation Station Michiana Fil-Am Vacation Bible School
Monday, July 22 to Friday, July 26, 2013
5:30–8 p.m.
More and more our children are being bombarded with non-biblical information and being told it is fact. Evolution, creators from an alien race, the Big Bang theory; these are just some of the things children today are hearing as fact without learning God's true place as Creator. Investigation Station seeks not only to teach the truth, but also teach about the God of truth. Through exploration of scientific facts and biblical accuracy, we hope the young people in attendance will learn that they were not an accident, but rather a creation with a purpose. By trusting God, they will find His purpose for their lives.

Please register your child online by July 15, 2013 at www.michianafil-am.com/vbs.

Need a House to Rent

We are a responsible and quiet family looking for a house to rent as soon as possible. Ideally we are interested in a 3-bedroom house, but will settle for a 2-bedroom house if the rooms are large.

Our family of four (includes a preteen and teenager) is very efficient, clean and orderly. We are looking for a house within 20 minutes of Andrews University.

We are presently renting in Berrien Springs and would be happy to provide contact information for the current landlord. Our reason for moving is to obtain a larger living space.

Please call Cavelle at 347-797-8348 for more information.

**Looking for Female Roommate for the School Year**
Hello there! I currently have a really great apartment already furnished (I am willing to change out/bring in new furniture in if wanted) at Park Manor with newly laminated floors, brand new carpets in the bedrooms, and a renovated kitchen with a dishwasher, microwave, and everything else you could need in a kitchen basically (see photos below). The best apartment in Park Manor - the only one fully renovated.

Rent is $570 a month + electricity ($285 per person + half price of electric). Wifi is free here as well, slow at times but never the less, free.

BUT my current roommate will be leaving early-mid september so I need to find a roommate for the remainder of the school year.

MUST be:

Female

Very clean (puts things back once done being used/doesn't leave dirty dishes over night or a mess out in the living room, common sense stuff. Personally, it doesn't matter to me how messy their room is though, just don't bring it out into the living space).

Responsible (able to pay rent/bills on time, not lazy, etc)

Respectful (doesn't bring a loud crowd of people over at like midnights on school nights, doesn't give people attitudes and can control themselves under the stresses of school, etc).

Friendly (I would love to be friends with my roommate and be able to talk and chat in the same room without it being awkward, so someone easy to get along with and who also wants a good relationship back).

And would LOVE IT if my roommate enjoyed the heat like me and doesn't want to freeze to death this winter!! (Someone willing to pay a few more bucks with me to keep the temperature at atleast a comfortable 70 degrees when we are in the appartment, and probably 65 when we are out so that we don't need to be huddling under 10lb of blanket anytime we are there).

Feel free to call me if you match up with what I am looking for and are interested or have any questions!

845 444-0851

God Bless!

-Nina Marie

Looking for Home to Rent
My husband and I are looking for a home to rent or to housesit beginning July 28 or sooner. We both work at Andrews University, he as an adjunct professor and myself as an associate professor (I am also a full-time PhD student). Ideally we would like a 3-bedroom, 2-bath house with a basement and garage, but are willing to consider something smaller. We are clean, quiet, have no pets, and can provide excellent references. We have three daughters who would occasionally be visiting.
