Textbook Ordering Information
Over the summer, the Andrews University Bookstore transferred to the management of Tree of Life Bookstores, a Christian organization serving many universities nationwide. The new management offers expanded purchase and rental options for the textbooks you need, including a wider library of electronic textbooks. The Bookstore is open Monday–Thursday, 9 a.m.–5 p.m. and Friday, 9 a.m.–1 p.m. It is closed on Saturday and Sunday.

Under the bookstore's new management, books for on-campus and distance classes can be found at one URL: http://www.andrews.edu/bookstore. Once on that page, you can then choose the appropriate course designation.

To search for textbooks for your class, you’ll need to choose first the department and then the class code. We’ve included a handy department code list in this email for easy reference. So if you’re looking for a psychology class, you’ll need to first select “BHSC” (Department of Behavioral Sciences) from the “Department” drop-down menu. Then select “PSYC” from the “Class” drop-down menu.

ACEF—Accounting, Economics & Finance
- ACCT (Accounting)
- ECON (Economics)
- FNCE (Finance)

AGRI—Agriculture
Your textbooks will be available for pickup at the bookstore at the beginning of the semester. Thank you for your patience during this time of transition.

For questions regarding the on-site campus bookstore, contact Cheryl Kean, director, at 269-471-3288 or kean@andrews.edu.

For questions regarding books for distance education, contact Cindy Swanson at 269-471-6095 or sdebookstore@andrews.edu.

Faculty & Staff: Introduce Yourself to New Students & Parents

There will soon be a multitude of new faces here at Andrews University. Along with the chores of getting settled in, new students will be looking for information about campus services and majors offered on campus. This is a golden opportunity to introduce these young adults to what your departments have to offer.

New Student Packets. The Student Life office is in the process of putting together New Student Packets for
both graduate and undergraduate students. If you have any fliers, coupons, brochures or pamphlets that you wish to include please submit them to the Student Life office by Friday noon, August 9. If you wish to include your item(s) in both graduate and undergraduate packets, please bring 700 copies to our office. If you wish to communicate only with undergraduates, we ask for only 500 copies of anything you wish to have included.

Your opportunity to introduce yourselves and your services to new students doesn’t end there!

**New Student/Parent Ice Cream Connection Event.** On Sunday evening, August 18, from 6–8 p.m., we will be hosting a Campus Services and Academic Departments Ice Cream Feed Fair in front of the Campus Center. Please note: this event replaces the old Nacho Libre event. Our goal is to have you available to meet parents before they leave on Monday noon. We invite you to sponsor a booth at this festive event where there will be ample opportunity to talk with new students and parents about their needs and how your departments can help.

Student Life will supply the ice cream and bowls, and we ask each department to supply a unique topping (approximately 50 servings) to smother the ice cream with! We are looking for different toppings, anything from hot fudge to mangos! When your department decides which topping you want to contribute, please email or call us at 269-471-3615 to confirm that your choice is still available.

Both of these are great opportunities to introduce yourselves and your services to new students. We hope to hear from you soon!

**Lifestyle Improvement Focused Team**

**Lifestyle Improvement Focused Team (LIFT)—A Health Support Group Experience**

**Topic this Month:** The Power To Live with Intentionality—Maximizing your Gift of Choice

A video presentation by Wayne Dyer, PhD, followed by reflections, questions and answers

**Date:**  Saturday, August 10, 2013  
**Location:**  Bell Hall 116  
**Time:**  4 p.m.

Do you have one habit you would like to remove from your life? Have you struggled with a habit that you truly want to change, but are finding yourself years after years still unable to discard? Can you identify more than one habit you would like to get rid of?

In this transformational lecture, Wayne W. Dyer reveals a powerful process for changing limiting thinking habits that keep us from living at our highest potential. Dr. Dyer’s approach is simple and very effective: identify those excuses that are self-defeating and turn them around by consciously choosing a new way of thinking. He has identified key excuses that many of us have used for years to keep from moving forward in life; and provides scientific, psychological, literary, poetic, and philosophical explanations for why these excuses do not have to be the roadblocks we think they are. Wayne also presents a breakthrough Excuses Begone! paradigm featuring four questions to unlock a stuck mind and help you embrace the healthier habits you value.

Our brain is our most powerful asset, connecting us to our Creator, and pivotal to our gift of choice. “As a man thinketh in his heart, so is he.” Proverbs 23:7. Come explore the means to better harness this powerful gift!

Come share the moment with us, and receive support in your quest to maintaining the healthy mind that God has given you. The group is facilitated by Judith Fisher, director of the Counseling & Testing Center.

**Bookstore Website**

We now have two websites, one for Tree of Life and one for MBS Distance. In an effort to avoid confusion and keep things as simple as possible, we are using one URL for all bookstore needs: [andrews.edu/bookstore](http://www.andrews.edu/bookstore). Whenever sharing/advertising the bookstore online, please use [andrews.edu/bookstore](http://www.andrews.edu/bookstore). It’s an easy way for us to educate people about the two bookstores while avoiding any possible confusion.
For questions regarding the on-site campus bookstore, contact Cheryl Kean, director, at 269-471-3288 or kean@andrews.edu.

For questions regarding books for distance education, contact Cindy Swanson at 269-471-6095 or sdebookstore@andrews.edu.

AICER Symposium

5:30 p.m.
Bell Hall 013

Samuel Adaboh, a Curriculum & Instruction doctoral student in the School of Education, will present "Evaluation Mainstreaming: Issues and Challenges."

Evaluation mainstreaming is one of the key and complex issues in program evaluation. Mainstreaming looks at how the practice of evaluation and the products of evaluation such as findings and recommendations, design, criteria, measures, participant learning, and archival records or reports could be internalized into the organizational culture. This presentation attempts to look at some important dimensions and challenges of evaluation mainstreaming.

All are invited to attend.

Faculty & Staff: Freshman Orientation

August 19–23 is Freshmen Orientation week. Our goal is to make the students familiar and comfortable in their new environment and introduce them to the staff and faculty of Andrews University.

We would like to begin a new tradition this year and on Friday, August 23, we will host a BBQ supper on campus for willing faculty and staff to join a mentor group for supper followed by vespers. This interaction with faculty/staff has been a much-appreciated event by our new students over the years, thanks to the hospitality of many. We are hoping that this tradition can continue in this new venue.

While we are not asking for your home and food this year we are asking for a few things. Our focus this year for our new students is to make their first 100 days here on our campus a wonderful and unique experience.
We would like faculty/staff mentors to give us 5 hours in the fall semester to join your mentor group in checking in and being available to the students during a set time:

- 2 hours for the Freshman BBQ
- 1 hour at the 30-day mark
- 1 hour at the 65-day mark
- 1 hour at the 100-day mark.

These specific days fall into the Tuesday Choice time slots already carved into each student's schedule, and we will provide locations and refreshments; group leaders will facilitate each group. On the 100-day mark we will have a special celebration in the Howard, again to recognize the successful completion of the first 100 days of this new year.

We are hoping for 22 faculty and staff members to be mentors for 22 New Student Mentor Groups. If you are interested in volunteering, please contact the Student Activities office at 269-471-3615 or by email at cnelson@andrews.edu by Friday, August 9. Thank you!

The topic Friday evening will be "The Everlasting Gospel"; Sabbath morning Sabbath School, "Organizing for Mission" (children's Sabbath School available for ages 3-12); Church Service, "A Living Faith"; Sabbath afternoon, "Advent Hymns and Stories." Lunch on Sabbath will be provided. Period clothing is encouraged.

Looking for Female Roommate - School Year

I have a great apartment furnished at Park Manor Apartments—the best apartment they have actually. It is renovated with newly laminated floors, brand new carpets in both bedrooms, and a renovated kitchen with a dishwasher, microwave and everything else you could need (see photos below).

Rent is $570 a month + electricity ($285 per person + half price of electric). Internet is free:)

My current roommate is leaving when school starts. So I need to find a roommate for the remainder of the school year.

What I am looking for in a roommate:

Female. Very clean (puts things back once done being used/doesn't leave dirty dishes overnight or a mess out in the living room, common sense stuff. Personally, it doesn't matter to me how messy their room is though, just don't bring it out into the living space.).

Responsible (able to pay rent/bills on time, etc.).

Respectful (doesn't bring a loud crowd of people over at like midnights on school nights and can control their attitude under typical school stress, etc.).

Friendly (I would love to be friends with my roommate and be able to talk and chat in the same room without it being awkward, so someone easy to get along with and who also wants a good relationship back).

And would LOVE IT if my roommate enjoyed the heat like me and doesn't want to freeze to death this winter!! (Someone willing to pay a few more bucks with me to keep the temperature at least a comfortable 70 degrees when we are in the apartment, and probably 65 when we are out so that we don't need to be huddling under 10lb of blanket anytime we are there).

Please feel free to call me if you think you match this description and are interested or have questions!

845-444-0851

God bless!

-Nina Marie

Let's Make Music!

I am a vocalist (soprano) looking for a pianist, guitarist, violinist and an alto and/or tenor singer. If you are passionate about making music that encourages and uplifts, if you love 2/3 part harmony, and if you think you’re gifted in one of these areas, let’s get together! This might be a great opportunity to develop your talents, bless others and make lasting memories. No schedule or commitment required for now, we’ll just get together depending on individuals’ availability. If interested, please call Grace: 269-254-1045.
