Monday & Tuesday Classes Cancelled; Registration Rescheduled

Due to severe winter weather, Andrews University has cancelled classes for Monday, Jan. 6, and Tuesday, Jan. 7. Spring semester will begin Wednesday, Jan. 8.

Due to continued difficulties with road clearing and travel safety, only essential staff are expected to report to work on Tuesday, Jan. 7. Any who can work remotely are encouraged to do so as much as possible.

Registration has also been rescheduled to coincide with the start of classes on Wednesday.

Information is available on the Andrews Weather Hotline at 269-471-7660, on the Andrews University Facebook page, and via email.

Andrews University Winter Break & Christmas Hours

Andrews University's Winter Break begins Thursday, Dec. 12, and goes through Sunday, Jan. 5, 2014. While most offices will remain open for a majority of the break, most will close Dec. 23-27 for the Christmas holiday. Employees may choose to take vacation time off during this week. See below for essential service hours during break.

Dining Services Hours

James White Library Hours: CLOSED Dec. 22 to Jan. 5; Regular hours begin Monday, Jan. 6., at 8 a.m.

ChemSem: Alternatives for Global Helium Shortage

Did you know who is the world's largest supplier of helium? Do you know what industries depend heavily on helium? Did you know that there is a global shortage of helium?

Everyone is welcome to attend our first Winter-Spring 2014 session in the Andrews University Chemistry & Biochemistry Departmental Seminar Series this coming Thursday, January 9 at 4:30pm. As usual we meet in A-107 Halenz Hall.

Thursday’s seminar topic is:
Alternatives for the Global Helium Shortage
Our guest speaker is:
John Rorabeck, Forensic Analyst, Berrien County Forensic Lab

Attached is the seminar flyer in pdf format with more details about our speaker’s educational and professional background. The pdf formatted flyer is also available at this Dropbox link:
https://www.dropbox.com/s/evigel0xe19kv9/CHMSEM%20NEWS%20Winter%202014%20Flyer%201.pdf

Learn more about this subject at: http://phys.org/news/2013-09-congress-avert-helium-shortage.html

Teachers are encouraged to announce this lecture in their classes and/or forward this email to their classes.

For non-Andrews faculty and students wishing to see the talk in the Chemistry Amphitheater:

There are directions given to Andrews at: http://www.andrews.edu/about/visiting/get_to_andrews.html

Here are the directions to the chemistry dept:
Turn in at the J. N. Andrews Blvd. entrance. Go pass the Security Gate House. Make right turn at the first intersection on to E Campus Circle Drive. Then make a left turn at the next intersection (E Campus Circle Drive). Make another left onto Administration Drive. The Science Complex is the bldg on your left. The Chemistry Dept. is on the side of the Science Complex (4270 Administration Drive) opposite the Bookstore parking lot. You can park in the bookstore parking lot or the one straight ahead. My Office # is A-127 Halenz Hall ... on the lower floor of the Science Complex.

**Bobby & Michelle- New nest fund**

During the early morning hours on January 5, 2014 Bobby and Michelle Murray, both recent alumni of Andrews University, lost their home and car in a fire that engulfed everything that they own. Thankfully, they were not in their home at the time and Molly (their dog) was safely with them too. Unfortunately, they did not yet have insurance on their home and car and could really use our help to get back on their feet.

If you can donate anything at all, please do. Even $5 would help.

Jan. Meeting of Berrien Springs Camera Club
The Berrien Springs Camera Club will meet on Tues., Jan. 7, at 7 p.m. in the Berrien Springs Community Library at Cass and Union. Notice the change from its usual first Wednesday of the month, due to the holiday on Jan. 1 and the library not being available on the following Wednesday.

The program will be presented by Rob Shellhamer, the treasurer of the club. His topic will be Flash Photography. He says, "I will be covering both built-in and camera flash, but not strobe lights (though many of the same principles would apply)." He adds, "There will be a short bit on theory and technique, but mostly
just playing with the camera and flash. Participants should feel free to bring theirs and play along or just sit and enjoy.”

Shellhamer, an avid photographer, has been a member of the Berrien Springs Camera Club for six years. He enjoys a wide variety of kinds of photography and enjoys collecting gear for it. He not only is a skilled photographer, but also has the ability to explain techniques in a step-by-step manner.

All are welcome. Refreshments will be served.

REDUCED $10,200

The cutest interior redo you ever did see! Especially the bathrooms and the master bedroom... Don't miss it! Also, you can walk to everything in the Village: all the public schools, the Adventist elementary school and church, the library, restaurants, grocery store, hardware--everything! And you can utilize the school grounds for exercising, biking, playgrounds, and tennis. Though the garage is a one car, it is oversized with plenty of room for storage.
