AICER Presents Dr. Isadore Newman
Andrews International Center for Educational Research (AICER) presents:
Dr. Isadore Newman, Visiting Scholar, College of Education, Florida International University Adjunct Professor, and Professor Emeritus, The Akron University, on Wednesday July 30, at 11:30 am.

**Topic:** Considering the Purpose of Research When Identifying Quantitative and Qualitative Commonalities

A review of the methodological literature describing mixed-methods, quantitative and qualitative research paradigms suggest that though many have rejected the so-called paradigm wars there remains much focus on what is different about each research tradition. This presentation offers a conceptual discussion of a series of qualitative and quantitative research endeavors that share common underpinnings and purpose. Dr. Newman will demonstrate several commonalities between approaches with the hope of encouraging readers to allow research questions to guide methodological choices and avoid overemphasizing division between research paradigms.

**Face-to-face participants meet in Bell Hall, Room 013.**

**AICER Presents Dr. Ostrander**

The Andrews International Center for Educational Research (AICER) is inviting faculty and students to attend a presentation on Thursday, July 31, 2014 at 12:00 noon.

**Presenter:** Dr. Raymond Ostrander, Professor of Teaching, Learning & Curriculum, Andrews University

**How to Write a Theoretical Framework**

Whether you are writing a thesis dissertation, or an article, the ability to craft a cogent and coherent theoretical framework is crucial to the process. Dr. Ostrander will present a practical, four-step process for...
writing a theoretical framework. These four steps include (1) Looking at the larger theoretical base of your study topic, (2) presenting a brief historical overview of theoretical thinking related to your topic, (3) describing the current context of theoretical thinking, and (4) presenting a series of logic statements specific to your study that identify the variables your study addresses.

**Venue: Bell Hall Room 13**

Online participants need to login as "Guest" at [http://www.andrews.edu/sed/aicer/researchwebinars/](http://www.andrews.edu/sed/aicer/researchwebinars/) or [https://andrews.adobeconnect.com/_a87709416/research/](https://andrews.adobeconnect.com/_a87709416/research/) whether or not they are registered Andrews students.

**Graduate Seminar: COMM590 Gender, Race, Class**

Department of Communication Now Offering Graduate Seminar: **COMM590: Gender, Race, Class**

**Offered onsite & online (live synchronous delivery)**

**MW 2:00 – 3:15**

Course Description: The course examines how the media, popular culture, as well as communication within families, help to shape an individual’s racial, class and gender identities, and how these images and messages are constructed and disseminated. Students will share their insights, questions and experiences as we examine what is, in terms of roles and expectations, and what could be, when we as change agents consciously communicate to improve our individual and collective lives.

Presented by Desrene Vernon-Brebner

Desrene is an alumnus of Andrews University and a current Communication professor. She completed her PhD in Mass Communication and Media Studies at Howard University.

August Graduation Weekend
Andrews University announces its summer graduation, taking place August 1–3.

Graduation weekend events begin Friday evening, August 1, with Consecration in Pioneer Memorial Church, and continue through the weekend, finishing with Commencement on Sunday, August 3. For details on the various weekend events and each program's time and location, see below or visit andrews.edu/graduation.

Karl G.D. Bailey, associate professor of psychology at Andrews, will offer the Consecration address titled, “Heart, Soul, Mind and Strength.” on Friday, August 1, at 8 p.m. in Pioneer Memorial Church.

Bailey holds a PhD in cognitive psychology from Michigan State University. He is heavily involved in research, especially in collaboration with students, and for the last four years has been investigating the internalization of Sabbath-keeping among Seventh-day Adventists and the relationship between Sabbath-keeping and wellbeing. Bailey has been at Andrews University for ten years.

On Saturday, August 2, Andrea Luxton, provost of Andrews University, will present the Baccalaureate address at 11:45 a.m. Her presentation is titled “The Life of Integrity.”

Luxton holds a PhD in English from Catholic University of America and a postgraduate diploma in institutional management and change in higher education from the University of Twente, Netherlands. During her career she has served in various roles as an educator and administrator, including as president of both Newbold College in England and Canadian University College in Lacombe, Alberta, Canada. She has served as provost of Andrews University since 2010.

Additional departmental services are planned for Friday and Saturday. They are as follows:

**Friday, August 1**
School of Business Administration Ethics Oath Ceremony 11 a.m., Chan Shun Hall, Garber Auditorium

**Saturday, August 2**
Seminary Dedication Service 4 p.m., Seminary Chapel
Medical Laboratory Sciences Certificate Ceremony 5 p.m., Pioneer Memorial Church Youth Chapel
Department of Social Work Recognition Service 5:30 p.m., University Towers Auditorium

Graduation Vespers, honoring graduating students, family and guests, will take place at 8:30 p.m. in Pioneer Memorial Church, immediately followed by the President's Reception for family and graduating students in the Great Lakes Room of the Campus Center.

For a full schedule of weekend events, visit andrews.edu/graduation.

On Sunday, August 3, Loren Hamel, president & CEO of Lakeland HealthCare and member of the Andrews University Board of Trustees, will be the speaker for the 9 a.m. Commencement service at Pioneer Memorial Church. His address is titled “Inspired.”

Hamel holds an MD from Loma Linda University School of Medicine in Loma Linda, California, and a Master of Health Services Administration from the University of Michigan School of Public Health. He has worked in the Michigan healthcare system for 31 years, serving as a family physician and medical administrator. He is an active board member of Andrews University and the Southwest Michigan Economic Growth Alliance, and has also served Andrews as a clinical professor and director of the University’s health services.

Stephen E. Upton, chairman of the Upton Foundation and former senior vice president for corporate communications, education government affairs at the Whirlpool Foundation, will be awarded an honorary Doctor of Laws during the Commencement service. Upton is a lifelong resident of southwestern Michigan who has devoted much of his life and energy to local community support for families and education through his philanthropic service, as chairman of the Upton Foundation and president of the Whirlpool Foundation. During his tenure at Whirlpool, Upton was deeply committed to customer service, launching the first-ever toll-free customer service helpline in the 1960s. He has also led support of Lakeland Regional HealthCare, served as a founding board member of the Lake Michigan College Foundation, and serving as a member of numerous community boards.

**Thomas Zirkle Awarded Prestigious Fellowship**

Thomas Zirkle, recent Andrews graduate, has been awarded the prestigious Arthur J. Schmitt Presidential Fellowship to fund his pursuit of a PhD in electrical engineering at the University of Notre Dame in South Bend, Indiana. The highly competitive scholarship, which is awarded to only a few students each year, includes full tuition of $44,000, a $32,500 annual stipend and student insurance, all renewable for five years.

Zirkle graduated summa cum laude in May 2014 with a bachelor’s degree in engineering with a concentration in electrical and computer engineering as well as minors in physics and mathematics. When he decided to apply for graduate school, he says, Notre Dame was a good fit for a number of reasons.

Most importantly, he says, "Notre Dame conducts the type of research I am interested in pursuing for my doctorate—namely nanofabrication of next generation computing hardware." The school is also close enough that he can attend while his wife Madeline can have the option of finishing her degree at Andrews.

"This fellowship is an opportunity that has definitely helped to shape our present and our future," says Zirkle. "I am excited that God has provided me with such an opportunity."

Zirkle’s final career goal is to be a lead research scientist in the field of nanoelectronics, working on the next generation of computing hardware. In order to get to that point he needs a strong background in research and a degree from a well-known graduate school.

"In the graduate electrical engineering program," he says, "I will be able to work in the National Science Foundation-supported laboratories on campus, present my research at major conferences and learn under some of the leaders of my future career."

Andrews University, Zirkle says, has been invaluable in equipping him for this next step in his academic career. He received research experience early in college as a research assistant to engineering professor Hyun Kwon during his freshman and sophomore years, and because of this he received two summer undergraduate research fellowships at the National Institute of Standards and Technology. These experiences, he says, "really opened the door for me to receive this prestigious award."

The most important thing, Zirkle emphasizes, is to be proactive. "Andrews will provide you with the know-how," he says, "but you have to supply the initiative. For those that have high aspirations for their futures...I can't say enough on how valuable real-life experience can be in getting a job or into graduate school."

"Thomas was an absolutely outstanding student!" enthuses Kwon. "When he was working as a student researcher, I noticed his talent as he focused and analyzed a problem in-depth and came up with a solution. He is one of the most memorable students for this self-discipline, integrity and most of all, his brilliant mind. I know that wherever he goes he will be noticed and he will astonish people around him."

Teresa Reeve Named Seminary Associate Dean

Teresa Reeve, associate professor of New Testament at Andrews University, has been chosen as the new associate dean of the Andrews University Seventh-day Adventist Theological Seminary. Reeve succeeds R. Clifford Jones, who is now serving as president of the Lake Region Conference of Seventh-day Adventists following 19 years at the seminary, including ten years as associate dean.

Reeve comes to the position with several years of experience in teaching and ministry. She holds an MDiv from the Seminary and a PhD from the University of Notre Dame, and has been teaching in the Department of New Testament of the seminary for 11 years.

"Reeve's appointment is especially significant because she is the first female associate dean in seminary history," says Jiří Moskala, seminary dean. "This is an historical nomination, and I am glad I can play a part in it. With this appointment comes unique diversity in our seminary."

When asked about the significance of her role as first female associate seminary dean, Reeve says, "I will leave others to debate what the appointment means for the church. For the seminary, my appointment is simply an expression of our belief that every believer is gifted by God, and it is our responsibility as the body of Christ to put everyone to work for Him in the places most appropriate to their gifting."

Reeve began her career as an elementary teacher, teaching in Adventist and Montessori schools for ten years and earning an MA in educational and developmental psychology from Andrews. She has developed materials and services in various aspects of child and family ministries for the General Conference and North American Division of Seventh-day Adventists and Advent Source, including work with the Adventure Club and Sabbath School curricula.

Upon returning to Andrews to complete her MDiv, Reeve assisted the pastor and served as head elder at All Nations Church in Berrien Springs for several years, before completing her PhD and joining the New Testament department. During this time she has published numerous articles and served the church on a number of committees, including the Biblical Research Institute Committee, the Theology of Ordination Study Committee and the Seminary Deans’ Council.

"My central focus will be to work closely with the dean to pursue, in increasingly effective ways, our mission of preparing effective leaders to make disciples in preparation for Jesus’ soon coming," says Reeve. "I especially hope to prioritize preparing students to work in a diverse, multicultural church by providing training, experiences and a diverse faculty that can serve as the needed educators and role models."

Reeve says that she feels humbled by her appointment, but is counting on our gracious and mighty God for...

Student Gardens Featured in NAD News

On June 9, 2014, the Mobile Farm Market, provided by the Andrews University Student Gardens, opened for business for the first time, selling fresh produce in Benton Harbor for six hours.

The farmer’s market on wheels is a program sponsored by the Andrews University Student Gardens and partially funded by a Michigan State grant as part of the Be Healthy Berrien initiative. In partnership with the Berrien County Health Department and Planning Commission, the YMCA, Lakeland Healthcare, the cities of Buchanan, Niles and Stevensville, and United Way, the Gardens will be helping host a mobile farm market at strategic locations within the county in an effort to bring affordable healthy food to the community.

Student Gardens on Local Radio

Garth Woodruff, assistant professor of horticulture and landscape design, was on a radio show earlier this week talking about the Student Gardens' new role within the county's Be Healthy Berrien initiative. This includes the Mobile Farm Market, funded by a grant through Berrien County and a partnership with Lakeland Healthcare, United Way, two local YMCAs, and the Berrien County Planning Commission.

Faculty Couple Publishes Book

Biblical counseling is a resource for Christians who need help locating the sin in their lives and cutting it out. Authors David and Beverly Sedlacek offer the truths they have learned through years of clinical practice in their comprehensive guide to “Cleansing the Sanctuary of the Heart.”

This book is a distillation of the biblical principles the Sedlaceks have used to heal others who have sought counseling for addictions, mental and emotional disorders, relationship problems and abuse.

Prayer for LaRonda Forsey's Hospitalized Son

Drew, son of La Ronda Forsey, associate dean for the School of Distance Education and K-12 principal for Griggs International Academy, was in a bicycle accident on Tuesday evening, July 22. La Ronda and a friend drove through the night to get to the hospital to be with him. Drew sustained serious head trauma and broken scapula. His lungs were bruised from the impact so he is on a ventilator but at times breathing on his own.

It is believed that Drew's bicycle tire malfunctioned throwing him over the handlebars landing on his head. His helmet was smashed and pushed off to the side of his head, so he received some abrasions. Cyclists happened upon Drew lying in the ditch and called 911. One was trained as a first responder and was able to assess Drew's condition and inform the ambulance team when they arrived.

Currently Drew is in Erlanger hospital in Chattanooga Tennessee. While it has not yet been determined what the length of recovery will be, the family welcomes prayer for a complete recovery and has found tremendous encouragement from the texts and messages that have been sent. Communication through a Facebook page called Pray 4 Drew 4C is appreciated and a source of strength during sleepless early morning hours. The family is holding on to all of the evidences of His presence that God has shown.

Death of Former Staff Member Carl R. Barnaby

Carl Richard Barnaby, former staff member and father of Collections Manager Rhonda J. Barnaby-Peak, died on May 13, 2014. He was 77.

Carl was born on August 15, 1936, in Stoneham, Massachusetts. He studied printing at the Everett Vocational high School, and worked for Review and Herald Publishing from 1955-57. After attending the University of Maryland and Atlantic Union College, Carl began working at the New England Sanitarium Hospital in a variety of capacities, including as a painter, business office assistant, security officer, and supervisor of Credit and Collections. In 1959 Carl was drafted into the United States Army, but as a Conscientious Objector he worked as an Operating Room Technician until he was honorably discharged in 1965.

Carl married Elizabeth B. Fessenden on August 9th, 1959. The couple had three daughters: Sheryl Ann in 1960, Rhonda Jean in 1962, and Sharon Elaine in 1966. Over the thirty years after leaving the military, Carl served in many different capacities, including as a funeral home manager, the principal bus driver at Andrews University from 1979 to 1981, manager of the Liberty General store in Waterville, Maine, constable and assistant to the fire chief, and full time lieutenant and assistant Jail Administrator in 1991.

In 1998, Carl retired, but remained active in the community. He volunteered as the full-time Searsmont SDA church pastor, as the Belmont constable, with the Belmont Fire department, and with the Belfast Chamber of Commerce Visitor Center. He also loved camping and traveling to camp meetings, and his white and green truck and trailer was instantly recognizable.

More than anything, however, Carl loved to bring people to Christ. Carl would share the name of Jesus with anyone he met. From professionals to laborers, adults to children, shopping establishments to campgrounds to gas stations, Carl simply ministered.

Islam and Christianity in Bible Prophecy
"Islam and Christianity in Prophecy"
Daniel 11:2 - 12:3  By Pastor Tim Roosenberg
Stevensville Seventh-day Adventist Church
Sabbath August 2, 10:45 am – “Keys for understanding Daniel 11 and the fulfilled history of Daniel 11:2-39”
1:30 pm – “Islam & Christianity, the Coming Conflict - Daniel 11:40 – 43”
2:30 pm – “The Aftermath of the Coming Conflict and God's people delivered -Daniel 11:44-12:3”

Question and Answer time at the end.

The headlines are unmistakable. Our world is on the precipice of extraordinary cataclysmic change. The conflict between two great world religions—Islam and Christianity—is fast approaching a devastating climax that will shake the whole world.

Indeed, the face of Western Europe has already been transformed through rapid Islamic expansion, and the fear of terror and holy war pervade the American psyche as multiple conflicts rage in the Middle East.

But what happens next—and when? In an age of constant unpredictability, how can we really know what the future holds?

After a decade of careful study and scholarly legwork, speaker Tim Roosenberg unveils a staggering new study of Bible prophecy that demonstrates that God's Word is not silent regarding Islam in these last days.

"Islam and Christianity in Bible Prophecy" carefully explores and unlocks the mysterious book of Daniel, specifically chapter 11, unveiling a thrilling picture of prophecy that includes the past, present, and future roles of Catholicism, Protestantism, Islam, and the United States in the final conflict ahead. Along the way, Pastor Roosenberg provides the answers you need to survive the coming holy war, answers that will give you complete confidence in God's Word and faith in the promises of Jesus Christ.

**Need Clothing and shoes donations**

The Office of International Student services would like to solicit your donations of clothings (all sizes from Children to adults and for all seasons). We would like shoes as well (again, all sizes from children to adults and for all seasons) for the "GOD'S CLOSET" program that we initiated last year. We want to thank you for your kind donations last year as we were able to assist many students. Trust us, they are very thankful to you. If you would like to donate other items (cookware, gloves, hats and anything you would like to give away, we will consider taking them). Since the space we have is very small, we would appreciate if you can email us if you would like to make donation of large items. Our email is: iss@andrews.edu. Our office is located in the Campus Center building in Student life department on the campus of Andrews University.
May God bless you abundantly as you give generously to this program.

Need a Room
PhD student looking to rent a room for Fall Semester only, or to room with others.
I will be on campus for the fall semester, but I will be leaving in December to head back home. I am finding it difficult to find a room to rent (most people want a year lease). If you have a room for rent or are looking for a roommate for the short term, please contact me and let me know.

I will likely be spending most of my time in the Horn museum, at the library, at the gym, or in my room doing research.

Babysitter Needed!!

I am an Andrews graduate student looking for a babysitter while I'm at class (Tuesday 6-9:30/9:45, Wednesday 3-9:30/9:45, Thursday 3-6:30/6:45). Because of the times, I will need someone who will be able to come to our apartment on campus. This job will cover different times including play time, relax time, and getting ready for and putting to bed. There will be dinners and snacks that I would like to be "family" like, where the babysitter and my son sit at table and eat together. As a graduate student and single mother, I am only able to pay $50 per week, but may be able to increase in future. Also, if the babysitter is a student, I encourage bringing homework along as there will be 3 - 3 1/2 hours between Tuesday and Wednesday between bedtime and the time I get home from class. I do not have any religious preferences, and am willing to buy food for meals that meet the dietary restrictions that the babysitter may have.

****This job may continue until the end of Spring 2016, excluding Summer 2015, if schedules continue to work out.****

If interested, please contact me at knappn@andrews.edu or nicoleknappfitness@gmail.com
