2014-15 Parking Permits Available Now

The Office of Campus Safety now has parking permits for the 2014-2015 school available. All Andrews University parking permits display an expiration date on the face of the decal. If your current decal is set to expire on August 31, 2014, please visit the Office of Campus Safety with the required documentation (proof of current state registration, proof of current insurance, and valid driver’s license) to obtain a new decal. You may also begin the registration process online at www.andrews.edu/safety.

Agenda in the Summer

During the summer months the Agenda reminder email is sent only once per week, on Thursdays. Please take note that the Agenda is available 24/7 at andrews.edu/agenda.

As always, anything submitted to the Agenda is reviewed and, if appropriate, approved within one business day. Submissions intended for the reminder email must be submitted by noon on Thursday.

If you have questions, please email agenda@andrews.edu.

Reminder: Faculty Mentors Needed

Dear Faculty,

From August 17-23 the Student Life office will be coordinating New Student Orientation week. Our goal is to help students adjust to their new environment by placing them into Mentoring Groups. These groups are under the leadership of current students who serve as New Student Mentors.

We are seeking twenty faculty members who would serve as a Faculty Coaches for these groups.

Here is what that 4 1/2 hour commitment would entail.

1. Meet on Wednesday, August 20, from 7:30-9 p.m., with the Mentoring Group. The New Student Mentors will facilitate activities that help you get acquainted with the new students in your group. There will also be time set aside for new students to ask you questions about how to succeed in the classroom.

2. Meet three times throughout the first semester (Sept. 23, Oct. 28 and Nov. 18.) during the Tuesday co-curricular period, 11:30 am - 12:20 p.m. These will be “check-in points” with our new students. Again, the New Student Mentors will run the program. Your role will simply be to come alongside and show a helpful interest in students’ experience and progress during their first semester.

Thank you for considering this important role during the first semester. Our new students appreciate the support and interaction these Mentoring Groups provide, and we believe they make a real difference in student retention.

If you are interested in volunteering as a Faculty Coach, please contact the Student Activities Office by email at cnelson@andrews.edu by Friday, August 8th.

Thank you so much for your time and God bless!

New Student Ice Cream Social
New Student/Parent Ice Cream Connection Event. On Sunday evening, August 17, from 6:00 – 8:00 p.m. we will be hosting a Campus Services and Academic Departments Ice Cream Feed Fair in front of the Campus Center. Our goal is to have you available to meet parents before they leave on Monday noon. We invite you to sponsor a booth at this festive event where there will be ample opportunity to talk with new students and parents about their needs and how your departments can help.

The office of Student Life will supply the ice cream and bowls, and we ask each department to supply a unique topping (approximately 50 servings) to smother the ice cream with! We are looking for different toppings anywhere from hot fudge to mangos! When your department decides which topping you want to contribute, please click on the link below. This will take you to a google document. Once there, please list your department and topping. You may either use the list provided or come up with one on your own. If you choose one from the list please delete the topping you have chosen from the list. It will automatically save once you type in your response. For questions please call extension: 3615.

https://docs.google.com/spreadsheets/d/1532GWsEEJehvUjsPULYFhtksyyleHyRbd2OcO512xOLi/edit?usp=sharing

Both of these are great opportunities to introduce yourselves and your departments to new students. We hope to hear from you soon!

Departmental Information for Student Packets
This coming August, Andrews University will be welcoming over 500 first-time students to our campus.
Therefore, we are excited to extend a promotional opportunity for you to introduce your services during our
Orientation Week.
This can be done through several methods.  You may:
·        Submit a promotional flyer to be included in our New Student Packet
·        Submit coupons or special offers to be included in our New Student Packet
·        Donate a promotional item or gift certificate to be given away during Orientation Week
If you would like to include a promotional piece for our newcomers, please send 500 copies and any
give-away items to the address below by Friday noon, August 8th, and we would be happy to include them.
Please direct your pieces to:

Students: Take Summer Course Surveys
It is once again time for students to rate their courses through course surveys.  Course surveys provide the
opportunity to give important (and anonymous) feedback to instructors on the effectiveness of the course.
Most courses will be surveyed electronically through our automated system, Class Climate.  Email invitations
for each course survey will be sent Sunday morning, July 29.  If the survey is not taken, reminders will be
sent automatically every three days until August 8.  A Certificate of Completion will be generated after each
survey is submitted.  This may be saved or emailed, and used as proof of completion if the instructor offers
any type of incentive.

Thank you in advance for your participation.  If you have any questions, please contact the Office of
Institutional Effectiveness at ext. 3308 (assessment@andrews.edu)

AICER Presents Dr. Isadore Newman
Andrews International Center for Educational Research (AICER) presents:

Dr. Isadore Newman, Visiting Scholar, College of Education, Florida International University Adjunct Professor, and Professor Emeritus, The Akron University, on Wednesday July 30, at 11:30 am.

Topic: Considering the Purpose of Research When Identifying Quantitative and Qualitative Commonalities

A review of the methodological literature describing mixed-methods, quantitative and qualitative research paradigms suggest that though many have rejected the so-called paradigm wars there remains much focus on what is different about each research tradition. This presentation offers a conceptual discussion of a series of qualitative and quantitative research endeavors that share common underpinnings and purpose. Dr. Newman will demonstrate several commonalities between approaches with the hope of encouraging readers to allow research questions to guide methodological choices and avoid overemphasizing division between research paradigms.

Face-to-face participants meet in Bell Hall, Room 013.

Online participants to login as “Guest” at https://andrews.adobeconnect.com/_a877709416/research/ or http://www.andrews.edu/sed/aicer/researchwebinars/ whether or not they are registered at Andrews University.

School of Ed Certified for Admin Prep
by Melodie Roschman

After a grueling three-year journey, Andrews University is the first Seventh-day Adventist university in North America to achieve state certification for the School Administrator Preparation Program.

"What this means for our program," says Janet Ledesma, coordinator of the educational leadership program, "is that if a person graduates in the program, not only will they have denominational certification, they will also have state certification and reciprocity in other states. Our program is completely online, so if you're a principal in Indiana, or if you're a principal in New York City, or if you're a principal in any state that is recognized in the state of Michigan, you will now have that same licensure."

The process of achieving certification began in 2011. The certification team, consisting of Ledesma, Duane Covrig (director of the graduate leadership program), Sylvia Gonzalez (professor of leadership and educational administration) and several graduate students, submitted an application and paid a fee to the state. Then state standards changed and they had to begin the process again. There are ten Educational Leadership Constituent Council (ELCC) program standards required for certification.

"Within each course we had to sit down and develop these rubrics that would match not only the standards, but also how we were developing this level of mastery within the course content," Ledesma explains. "Imagine doing this for a 48-credit master’s, an EDS, or a PhD!"

"There was just one obstacle then another obstacle," she says. "One day I got home and I said, 'Lord, it's in your hands. We've done our best, now you do the rest.'"

Her prayer was answered, and in July, after a formal review by the Michigan State Department of Education, the program received certification.

Ledesma hopes that this added certification will attract teachers from outside the Adventist church to the program.

"This is yet another opportunity that God has sent us to reach teachers in our immediate area, right here in Berrien Springs, in Benton Harbor," she says. "Ultimisti this new certification both aids the School of Education’s commitment to academic excellence, and reinforces our motto: Educar es Redimir--To Educate is to Redeem."

August Graduation Weekend

Andrews University announces its summer graduation, taking place August 1–3.

Graduation weekend events begin Friday evening, August 1, with Consecration in Pioneer Memorial Church, and continue through the weekend, finishing with Commencement on Sunday, August 3. For details on the various weekend events and each program's time and location, see below or visit andrews.edu/graduation.

Karl G.O. Bailey, associate professor of psychology at Andrews, will offer the Consecration address titled, "Heart, Soul, Mind and Strength." on Friday, August 1, at 8 p.m. in Pioneer Memorial Church.

Bailey holds a PhD in cognitive psychology from Michigan State University. He is heavily involved in research, especially in collaboration with students, and for the last four years has been investigating the internalization of Sabbath-keeping among Seventh-day Adventists and the relationship between Sabbath-keeping and wellbeing. Bailey has been at Andrews University for ten years.

On Saturday, August 2, Andrea Luxton, provost of Andrews University, will present the Baccalaureate address at 11:45 a.m. Her presentation is titled "The Life of Integrity."
Luxton holds a PhD in English from Catholic University of America and a postgraduate diploma in institutional management and change in higher education from the University of Twente, Netherlands. During her career she has served in various roles as an educator and administrator, including as president of both Newbold College in England and Canadian University College in Lacombe, Alberta, Canada. She has served as provost of Andrews University since 2010.

Additional departmental services are planned for Friday and Saturday. They are as follows:

**Friday, August 1**
School of Business Administration Ethics Oath Ceremony
11 a.m., Chan Shun Hall, Garber Auditorium

**Saturday, August 2**
Seminary Dedication Service
4 p.m., Seminary Chapel

Medical Laboratory Sciences Certificate Ceremony
5 p.m., Pioneer Memorial Church Youth Chapel

Department of Social Work Recognition Service
5:30 p.m., University Towers Auditorium

Graduation Vespers, honoring graduating students, family and guests, will take place at 8:30 p.m. in Pioneer Memorial Church, immediately followed by the President’s Reception for family and graduating students in the Great Lakes Room of the Campus Center.

For a full schedule of weekend events, visit andrews.edu/graduation.

On Sunday, August 3, Loren Hamel, president & CEO of Lakeland HealthCare and member of the Andrews University Board of Trustees, will be the speaker for the 9 a.m. Commencement service at Pioneer Memorial Church. His address is titled “Inspired.”

Hamel holds an MD from Loma Linda University School of Medicine in Loma Linda, California, and a Master of Health Services Administration from the University of Michigan School of Public Health. He has worked in the Michigan healthcare system for 31 years, serving as a family physician and medical administrator. He is an active board member of Andrews University and the Southwest Michigan Economic Growth Alliance, and has also served Andrews as a clinical professor and director of the University’s health services.

Stephen E. Upton, chairman of the Upton Foundation and former senior vice president for corporate communications, education government affairs at the Whirlpool Foundation, will be awarded an honorary Doctor of Laws during the Commencement service. Upton is a lifelong resident of southwestern Michigan who has devoted much of his life and energy to local community support for families and education through his philanthropic service, as chairman of the Upton Foundation and president of the Whirlpool Foundation. During his tenure at Whirlpool, Upton was deeply committed to customer service, launching the first-ever toll-free customer service helpline in the 1960s. He has also led support of Lakeland Regional HealthCare, served as a founding board member of the Lake Michigan College Foundation, and serving as a member of numerous community boards.

"Money" Ranks Andrews A Best College

Money magazine announced its ranking of the best colleges in the country based on graduation rates, degree costs and return on investment, and one Michigan university made the top 25.

The list ranked 665 of the nation's more than 1,500 public and private colleges and universities, eliminating schools that had below-average graduation rates, insufficient data or bond ratings that indicated financial problems, according to the magazine's editors.

Once the schools were selected, each one was ranked on affordability, quality of education and post-graduation outcomes to determine which schools provided the highest-quality education for the best value.

Student Gardens Featured in NAD News

On June 9, 2014, the Mobile Farm Market, provided by the Andrews University Student Gardens, opened for business for the first time, selling fresh produce in Benton Harbor for six hours.

The farmer's market on wheels is a program sponsored by the Andrews University Student Gardens and partially funded by a Michigan State grant as part of the Be Healthy Berrien initiative. In partnership with the Berrien County Health Department and Planning Commission, the YMCA, Lakeland Healthcare, the cities of Buchanan, Niles and Stevensville, and United Way, the Gardens will be helping host a mobile farm market at strategic locations within the county in an effort to bring affordable healthy food to the community.

Faculty Couple Publishes Book

Biblical counseling is a resource for Christians who need help locating the sin in their lives and cutting it out. Authors David and Beverly Sedlacek offer the truths they have learned through years of clinical practice in their comprehensive guide to “Cleansing the Sanctuary of the Heart.”

This book is a distillation of the biblical principles the Sedlaceks have used to heal others who have sought counseling for additions, mental and emotional disorders, relationship problems and abuse.

Alumnus "Exudes Confidence"

Youssef Yomtoob has yet to meet a school district on which he can't have a positive effect.

The new School City of East Chicago superintendent, affectionately nicknamed "Dr. Joe" by those who know him, told the crowd of parents, teachers and administrators that everyone "is in it together" and that there will be no "they and us" once he takes over the reins July 1. The School Board voted unanimously to offer Yomtoob a five-year contract at a special meeting Friday night, the terms of which will be discussed during a public hearing at the June 30 meeting.

Yomtoob, whose career spanned 50 years before he retired from Hawthorn School District in Vernon Hills, Illinois, said his philosophy stems from research at a district he was in during the 1970s that revealed all students, despite their racial or economic backgrounds, have the potential to succeed. He carried those principles everywhere he went and said he left each place a little better than he found it.

Physics Alum Highlighted in Nature

Dewey Murdick (BS Physics 1999) made the news last month in the article "Text-mining offers clues to success" appearing in the May 2014 issue of Nature, an International Weekly Journal of Science of high repute. The article highlighted one of the many projects Murdick manages for the U.S. Intelligence Advanced Research Projects Activity (IARPA) Foresight and Understanding with Scientific Exposition (FUSE) program.

“So far, it has performed more than 2 million analyses of past data to pick out key advances,” says Murdick in reference to his innovative software that reviews multilingual data from scientific, technical, and patent literature. "From these, it has identified several hundred indicators, such as new collaborations or expressions of excitement in text, that highlight emerging areas now.”

FUSE seeks to build capabilities and methodologies that assist a diverse set of analysts (e.g., national security, research evaluation, and business intelligence) in prioritizing new claims, methods, and technologies from around the world.

To learn more about this new software and its significant predictive power which puts it on track to forecast the launch of new products and other applications, refer to the full-text article.
Aerobic twists for hike or bike

JOSEPH DITS South Bend Tribune jdits@sbtinfo.com | Posted: Sunday, August 3, 2014 6:16 am

BERRIEN SPRINGS -- The mountain bike trail at Andrews University has been a badly kept secret for more than 20 years.

It was once known as the unmarked trail behind the Korean church. Bikers talked about it. But write about it in the paper? Nah. Andrews, where this fairly advanced trail winds through deep woods and ravines, didn't want to publicize it.

After all, it was only a group of volunteer bikers who had carved and ridden it. Liability was a concern.

Then, in 2009, a biker called Andrews security from the trail. He'd broken a collarbone and needed help. Dale Hodges, who had just become security director a year earlier, thought it was time for the university to embrace the trail. Eventually, the university did give its blessing. Over the past year or so Hodges has been working with one of the trail's earliest riders and caretakers (since 1990), Bruce Jones, and several other biking volunteers to create maps, post signs and provide official parking.

Hodges showed me key parts of the roughly 10-mile trail this week, and I took my own mountain bike for a ride. Sure enough, a handful of cyclists' cars filled the new gravel parking lot.

Among them, I found Debbie Gray from Eau Claire, not with a bike but hiking the trail, which she's been doing for about 25 years whenever she's in town to shop.

"It's quiet, and I don't have to worry about dogs chasing me," she said.

When I asked about the thick tide of mosquitoes in the woods, she said they didn't pester her because she kept striding. She must be fast. They easily found me and Hodges when we paused just a bit.

"They've cleared things out a little better," she said of the trail since Andrews adopted it.

Runners and walkers are regulars on the trail. You're welcome to do that, too, although the campus also offers an official hiking-only trail along Lemon Creek.

First-timers should beware: It's easy to get lost or find yourself inadvertently linking over to one of the half-dozen trails that make up this system. Aside from the kiosks at the two trailheads/parking areas, only two of the 13 way-finding signs on the trail have been erected, Hodges said. The rest should be up by fall,
hopefully in time for a grand opening on alumni weekend Sept. 25-28, he said. I'll alert you about the signs in a future column. It has been a slow work in progress.

If you ride, keep an eye ahead for the advanced parts that you might want to walk instead, like the exhilarating "Corkscrew" that winds along a highly banked slalom and "The Bowl" that rocks and rolls as it plunges through a low point in the woods.

"There are many unique features throughout the trail system," said Jones, referring to the climbs as "aerobic."

Kankakee gem

Want to paddle through little marshy inlets to feel what the Grand Kankakee Marsh was like before it was drained and to see hundreds of a native hibiscus flower known as the swamp rose mallow? Check my Outdoor Adventures Web page for a photo and directions. I'll write much more on this precious spot in next week's column.

LANSING -- Money magazine announced its ranking of the best colleges in the country based on graduation rates, degree costs and return on investment, and one Michigan university made the top 25.

The list ranked 665 of the nation’s more than 1,500 public and private colleges and universities, eliminating schools that had below-average graduation rates, insufficient data or bond ratings that indicated financial problems, according to the magazine’s editors.

Once the schools were selected, each one was ranked on affordability, quality of education and post-graduation outcomes to determine which schools provided the highest-quality education for the best value.

A total of 16 Michigan colleges and universities made the cut, with eight of them being public institutions. The University of Michigan at Ann Arbor was ranked 22nd in the nation, while Michigan Tech and Michigan State University were the next two highest-ranked schools at 82nd and 122nd, respectively.

Calvin College in Grand Rapids and Hope College in Holland were the two highest-scoring private institutions on the list.

Other schools making the cut included Western Michigan University, Albion College, the University of Michigan at Dearborn, Andrews University, Ferris State University, Grand Valley State University, Central Michigan University, Kalamazoo College, Alma College, the University of Detroit-Mercy and the College for Creative Studies in Detroit.

Babson College in Boston, Mass., was the overall leader on the list, and Berea College in Kentucky was ranked the most affordable, with a net price for a degree of $49,280.

Anne Paris, 1934-2014
October 7, 1934 - August 5, 2014

Anne Parris, 79, of Berrien Springs, passed away Tuesday afternoon, August 5, 2014, at her home.

A Memorial Service will be at 3 p.m. Sunday, August 10, at All Nations Seventh-day Adventist Church in Berrien Springs, where she was a member. Friends are invited to visit with the family at the church from 1 - 3 p.m. prior to the service. Inurnment will be next to her husband in Ft. Custer National Cemetery. Memorial donations may be made to Berrien County Cancer Service. Allred Funeral Home, Berrien Springs, is serving the family, and online messages may be left at www.allredfuneralhome.com.

Anne was born October 7, 1934, in Saskatchewan, Canada, the daughter of Oscar and Anna (Hendrickson) Akre. She married Eddie Parris in Boulder, Colorado, on July 15, 1956. She earned a Bachelor’s degree in music from Andrews University, and in addition to caring for her family, she had worked at the Andrews University Bookstore. Survivors include two daughters: Laurena Parris of Orlando, Florida, and Sharilyn Pisarsky of Traverse City, Michigan; four sons: David of Belleville, Wisconsin; Keith (Carol) of Colorado Springs, Colorado; Donald of Ypsilanti, Michigan; and Jerry of Berrien Springs; six grandchildren and four great-grandchildren; and a brother, Mervyn Akre of Victoria, British Columbia. Anne was preceded in death by her husband, Eddie; and two sisters: Ruby (Victor) Caruso and Alice Ferraro.

Prayer for LaRonda Forsey’s Hospitalized Son

Update: You can keep up to date with everything going on with Drew’s progress on the Pray 4 Drew 4C Facebook page.

Drew, son of La Ronda Forsey, associate dean for the School of Distance Education and K-12 principal for Griggs International Academy, was in a bicycle accident on Tuesday evening, July 22. La Ronda and a friend drove through the night to get to the hospital to be with him. Drew sustained serious head trauma and broken scapula. His lungs were bruised from the impact so he is on a ventilator but at times breathing on his own.

It is believed that Drew’s bicycle tire malfunctioned throwing him over the handlebars landing on his head. His helmet was smashed and pushed off to the side of his head, so he received some abrasions. Cyclists happened upon Drew lying in the ditch and called 911. One was trained as a first responder and was able to assess Drew’s condition and inform the ambulance team when they arrived.

Currently Drew is in Erlanger hospital in Chattanooga Tennessee. While it has not yet been determined what the length of recovery will be, the family welcomes prayer for a complete recovery and has found tremendous encouragement from the texts and messages that have been sent. Communication through a Facebook page called Pray 4 Drew 4C is appreciated and a source of strength during sleepless early morning hours. The family is holding on to all of the evidences of His presence that God has shown.

Death of Former Staff Member Carl R. Barnaby

Carl Richard Barnaby, former staff member and father of Collections Manager Rhonda J. Barnaby-Peak, died on May 13, 2014. He was 77.
Carl was born on August 15, 1936, in Stoneham, Massachusetts. He studied printing at the Everett Vocational high School, and worked for Review and Herald Publishing from 1955-57. After attending the University of Maryland and Atlantic Union College, Carl began working at the New England Sanitarium Hospital in a variety of capacities, including as a painter, business office assistant, security officer, and supervisor of Credit and Collections. In 1959 Carol was drafted into the United States Army, but as a Conscientious Objector he worked as an Operating Room Technician until he was honorably discharged in 1965.

Carl married Elizabeth B. Fessenden on August 9th, 1959. The couple had three daughters: Sheryl Ann in 1960, Rhonda Jean in 1962, and Sharon Elaine in 1966. Over the thirty years after leaving the military, Carl served in many different capacities, including as a funeral home manager, the principal bus driver at Andrews University from 1979 to 1981, manager of the Liberty General store in Waterville, Maine, constable and assistant to the fire chief, and full time lieutenant and assistant Jail Administrator in 1991.

In 1998, Carl retired, but remained active in the community. He volunteered as the full-time Searsmont SDA church pastor, as the Belmont constable, with the Belmont Fire department, and with the Belfast Chamber of Commerce Visitor Center. He also loved camping and traveling to camp meetings, and his white and green truck and trailer was instantly recognizable.

More than anything, however, Carl loved to bring people to Christ. Carl would share the name of Jesus with anyone he met. From professionals to laborers, adults to children, shopping establishments to campgrounds to gas stations, Carl simply ministered.

Birth of Lucas Samuel

Daniel González, Faculty at the Department of Medical Laboratory Science, and his wife Anita, Training and Development Coordinator in the Office of Human Resources, announce the birth of their youngest son, Lucas Samuel. Lucas was born on July 8, 2014 at 7:21pm, weighing 9 lbs. 3 oz., and measuring 20 1/2 inches. Lucas was welcomed with lots of hugs and kisses from his nine siblings who had been praying for a baby brother for a few years.

Death of Minerva Stramen

The campus was saddened to learn of the passing of Minerva (Constantine) Stramen, long-time faculty member and principal of Ruth Murdoch Elementary School. She died Thursday, July 10, after a brief illness. Details of services will be posted when they become available. Please remember her sons, Tim and Tom Stramen, and the entire Constantine and Stramen family, in our prayers.

Visitation will occur from 11:30 a.m. - 1:00 p.m. at Pioneer Memorial Church on Friday, July 18, preceding the funeral service at 1:00 p.m. Intermment will follow the service at Rose Hill Cemetery.
Berrien Springs Camera Club Starts New Season

The Berrien Springs Camera Club will open its new season on Wednesday, Sept. 3, at 7 p.m. in the Berrien Springs Community Library at Cass and Union. The club's season runs from September through June each year, with programs alternating between an informative presentation about some aspect of photography, and a competition open to members.

The September meeting will be about improving our photography and clarifying policies governing the club’s competitions. Members Tom McDonough and Suzanne Anderson will review these and update members on a few changes. Members are also invited to submit up to three digital images, taken this summer, for projection and critique as time allows. The critiquing will be a group activity by the other members, nonjudgmental but thinking out loud how each picture might be improved.

Anyone who plans to join the club that evening may submit their three images, in jpg format not larger than 1024 x 768, as attachments to BerrienSpringsCC@gmail.com, with the following naming convention: 1_[title]_[your first initial and last name], 2_[title]_[your first initial and last name], 3_[title]_[your first initial and last name]. For example: 1_YellowDaisies_MJohnston.

Programs for November, January, and March will be announced in later articles, but probably will include a presentation on how to matte photographs and some that showcase the work of good digital photographers.

In competition months members can submit up to 10 digitally projected images and up to 10 prints (mounted, at least 5” x 7”) for judging. Awards are given for the top projected images and prints. Acceptable topics always include Nature (nothing domesticated or showing evidence of mankind), Portraits, and Open (anything), plus two special topics each month. The special topics for each competition month this year are:

Oct. 1: Marinas; Rocks
Dec. 3: Neighborhoods (NH); Trees
Feb. 4: Abandoned Buildings (AB); Chocolate (Coco)
Apr. 1: National Parks (NP); Macro

The abbreviations in parentheses will be used in the naming convention for submissions.

The May 6 meeting is for final judging of the year’s acceptances, when 3 judges will select the top 10 projected images and prints of the year, and the June 3 end-of-season meeting will include a potluck meal at 6:30 and a show from the year’s acceptances.

Club officers this year are:
President—Jill Kline Dodge
Vice President—Shelly Martinez
Treasurer—Kathleen Mendel
Coordinator for Judges—Bradley Austin
Publicity—Madeline Johnston
Digital Projection—Suzanne Anderson and Tom McDonough
Southwestern Michigan Council of Camera Clubs (SWMCCC) Affiliation—Jim Lynch

The public is welcome to attend and enjoy the competitions. To submit pictures, one must be a member. Other activities are being planned for members, such as outings, exhibits, and publication. Annual membership fees are $5 for students, $15 for other individuals, or $20 per family. Refreshments are served at each meeting.

Calvin Taylor, pianist and recording artist, former Voice of Prophecy musician, and currently appearing each week on 3ABN, will appear in a live concert of sacred music on Saturday, August 9 at the Glenwood Seventh-day Adventist Church, 51089 Glenwood Road, Dowagiac, at 7:30 p.m.

Dr. Taylor has toured throughout the world, performing in North and South America, Europe, Ukraine, and the Far East. Holding degrees in music from Oberlin Conservatory, The University of Michigan, and the University of Kentucky, Calvin has authored several music books, including Spirituals for Piano, The Patriotic Piano, Spiritual Suite for Organ, Spirituals for Worship, Sacred Classics, and Five Spirituals for Organ. With over ten solo recordings to his credit, Calvin Taylor records for Master Disc Records. Movements from his Sunrise Symphony have been performed by several orchestras including Nashville, Shreveport, South Arkansas, Salt Lake City, and Detroit Symphony Orchestras.

Awarded a full scholarship to Oberlin College Conservatory of Music, Calvin Taylor’s ability to improvise led him to become the first student in the school’s over one hundred seventy-five year history to improvise a graduate concert encore.

With an unusually-large hand span of over 1 1/2 octaves, Dr. Taylor presents sounds and colors at the keyboard which would normally require four hands. Playing piano by ear at five years of age, he began formal lessons on his seventh birthday. He also studied other instruments, and was serving as a church organist at the age of fourteen. While in high school, Calvin was a member of both the Los Angeles Junior Philharmonic and the Southwest Youth Symphony.

There is no charge for admission. A freewill offering will be received.
The public is enthusiastically invited.

Islam and Christianity in Bible Prophecy
"Islam and Christianity in Prophecy"
Daniel 11:2 - 12:3  By Pastor Tim Roosenberg
Stevensville Seventh-day Adventist Church
Sabbath August 2, 10:45 am - "Keys for understanding Daniel 11 and the fulfilled history of Daniel 11:2-39"
1:30 pm - "Islam & Christianity, the Coming Conflict - Daniel 11:40 - 43"
2:30 pm - "The Aftermath of the Coming Conflict and God's people delivered -Daniel 11:44-12:3"
Question and Answer time at the end.
The headlines are unmistakable. Our world is on the precipice of extraordinary cataclysmic change. The conflict between two great world religions—Islam and Christianity—is fast approaching a devastating climax that will shake the whole world.

Indeed, the face of Western Europe has already been transformed through rapid Islamic expansion, and the fear of terror and holy war pervade the American psyche as multiple conflicts rage in the Middle East.

But what happens next—and when? In an age of constant unpredictability, how can we really know what the future holds?

After a decade of careful study and scholarly legwork, speaker Tim Roosenberg unveils a staggering new study of Bible prophecy that demonstrates that God's Word is not silent regarding Islam in these last days.

"Islam and Christianity in Bible Prophecy" carefully explores and unlocks the mysterious book of Daniel, specifically chapter 11, unveiling a thrilling picture of prophecy that includes the past, present, and future roles of Catholicism, Protestantism, Islam, and the United States in the final conflict ahead. Along the way, Pastor Roosenberg provides the answers you need to survive the coming holy war, answers that will give you...

KITTEN needs a good home

My adorable four month old (+ two or so weeks) female kitten needs a new home. She has had some digestive health issues and must be separate from other cats. As my roommate already had a cat, and my apartment is too small to keep her confined appropriately, I need to find her a new place to live. We have not been able, so far, to determine the exact cause of her issues but they have improved some with medication. Other than slight bowel disturbances, she is a normal kitten - energetic, playful and affectionate. As we cannot 100% rule out a contagious condition, we must rehome her for the sake of the original cat. If you are interested please contact me asap for further information.

3ABN Dare to Dream Looking for Gospel Musicians
D2D's music program, "Magnify Him", is taping its programs at the end of August. We're looking for ministry-minded artists that are serious about sharing the gospel! If you know someone that's interested in coming to 3ABN and sharing their music, have them email me a sample of their music (a link or video) to: yvonne.lewis@3abn.org. Once reviewed and approved, if we decide to move forward, someone from D2D will contact the artist. Spread the word about D2D! Our website: d2dnetwork.tv. Thanks! Blessings!

Volunteer with Adventist Health International
Have you ever thought of serving internationally? Now is the time to get involved by volunteering with Adventist Health International (AHI).

AHI is a nonprofit multinational organization that is located in Loma Linda, California. AHI works diligently to provide coordination, consultation, management and technical assistance to Seventh-day Adventist Church operated hospitals and healthcare services throughout the developing countries of the world. A lot of this work is done through the efforts of healthcare professionals who are willing to serve at sites in need of help.

In addition to medical professionals, AHI is currently looking for experienced healthcare administrators, finance managers and other administrative team members.

For more information, please contact the AHI volunteer coordinator:

Babysitter Needed!!
I am an Andrews graduate student looking for a babysitter while I'm at class (Tuesday 6-9:30/9:45, Wednesday 3-9:30/9:45, Thursday 3-6/30/6:45). Because of the times, I will need someone who will be able to come to our apartment on campus. This job will cover different times including play time, relax time, and getting ready for and putting to bed. There will be dinners and snacks that I would like to be "family" like, where the babysitter and my son sit at table and eat together. As a graduate student and single mother, I am only able to pay $50 per week, but may be able to increase in future. Also, if the babysitter is a student, I encourage bringing homework along as there will be 3 - 3 1/2 hours between Tuesday and Wednesday between bedtime and the time I get home from class. I do not have any religious preferences, and am willing to buy food for meals that meet the dietary restrictions that the babysitter may have.

****This job may continue until the end of Spring 2016, excluding Summer 2015, if schedules continue to workout.****

If interested, please contact me at knappn@andrews.edu or nicoleknappfitness@gmail.com

Healing Rays Massage Therapy
Massage Therapist

Are the stresses of work and study getting to you?
Would you like to boost your athletic performance?
Do you have a muscle ache that just won’t go away?

Ray McAllister, an Andrews alumnus who despite total blindness is now a licensed massage therapist, invites you to visit Healing’s Rays Massage. Proficient in deep tissue, sports, and relaxation massage, Ray can relieve aches, help you tone muscles, and give you the energy boost to finish studies. He also offers hydrotherapy, hot stone massage, reflexology and now hot bamboo and Himalayan salt massage. His wife, Sally, is a certified aromatherapist and will be present for female clients. She sells home-made aromatherapy blends. Introductory cost is only $25 for your first hour, $15 per half hour, for students all the time. Contact Ray for regular, competitive rates. Ask about free, limited-time massage doula services to reduce the pain, stress, and length of labor in childbirth. 30 no-cost massages of any type are available for those with Adventist Risk Management insurance, including sponsored seminary students.

Christian Counseling (crisis)

When crisis comes, we all need emotional and spiritual support to get through the trials we are facing. At Wade Counseling Care I specialize in any type of crisis or problems (mental or emotional) that may be causing dysfunction. Marital crisis, depression, addiction, etc.—whatever condition or circumstance you have, I am here to see you through it and help you find more solid ground through therapeutic intervention and through the healing power of Christ.
