As the Andrews University Registrar for 17.5 years, Dr. Emilio Garcia-Marenko has come to know the job very well, but has been much more than that. In addition to his responsibilities as Registrar, in 2003 he became the Associate VP for Academic Administration. In 2007 this position changed to the Associate Provost, and he also became the administrative figure to which students could voice their complaints. Dr. Garcia has also held the position of Interim Graduate Dean, and on two occasions was asked to cover for the VP for Enrollment Services during leadership transitions. And he has been a Professor of Family Ministry in the AU Seminary since 1997. Please join us to honor and celebrate Dr. Emilio Garcia-Marenko’s many years of service to Andrews University.

CAMPUS MINISTRIES SPONSORS MIKE BROWN TOWN-HALL FORUM TONIGHT @7pm in GERBER AUDITORIUM [Chan Shun Building] 11/25/14

Andrews University — Tonight at 7pm, in the Chan Shun Business Building, Campus Ministries will be sponsoring a town-hall forum for Andrews University students, faculty, and staff. This forum will seek to facilitate a safe space for students to express their hurt, confusion, frustration, and questions concerning the ramifications of the Ferguson grand jury’s decision not to indict Officer Darren Wilson in the killing of Michael Brown.

This town-hall meeting is being organized to help students process the meaning of the verdict and how the verdict personally affects them. Campus Ministries will also seek to provide Christo-centric comfort and guidance for students, faculty, and staff who have been emotionally touched by the Michael Brown case.

The town-hall meeting will take place in the Gerber Auditorium, Room 118, which is on the first floor of the Chan Shun Business Building.

For the first time, the GFTA-3 will be standardized using Q-interactive®, a digital system which uses two i-Pads that “talk” to each other via Bluetooth connectivity.

Pearson is seeking the following sample groups to be evaluated:

<table>

<tr>
<th>Age</th>
<th>Race/Ethnicity</th>

United Way Campaign Results
As President Andreasen stated in a message to campus in September, “The mission of Andrews University has always resonated with the mission of United Way—to improve lives by mobilizing the caring power of communities. It also takes us to the story in Matthew 25 where Jesus calls his followers to feed the hungry, clothe the naked, visit the sick.”

Andrews employees truly embraced this year's United Way campus campaign theme, Bursting the Andrews Bubble, ending the campaign with our best-ever results. More employee donors gave more dollars that will help fill more needs in our community.

“The campaign goals we set for this year were definitely ‘stretch’ goals, and while we didn’t quite hit those goals, we burst our own bubble and achieved new levels,” said Dalry Payne, United Way campus campaign leader. “We want to thank everyone who participated in this great campaign.”

President Andreasen and the team of campaign leaders had some fun putting together a thank you video for those who helped break records in the 2014 campaign.

United Way Campaign Totals
2014: 216 people gave $22,811.85!
2013: 142 people gave $16,549
2012: 135 people gave $14,538
2011: 90 people gave $9,145
2010: 87 people gave $8,401
2009: 82 people gave $10,179
2008: 48 people gave $4,800
2007: 91 people gave $11,202

In 2013, United Way funded 50 different programs and partnered with 34 different organizations in Cass & Berrien counties. Some of the ways your 2014 donations will help in our community are: provide mentorships for at-risk students, help low-income families prepare their children for school, provide at-home services to cancer patients, and provide much-needed services to vulnerable senior citizens, to name only a few examples.

A special word of thanks to those employees who served as campus leaders for the campaign, taking the goals and objectives of United Way in a grassroots way throughout campus. In addition to sending out information through group emails, leaders made presentations at various staff meetings, braved the elements to cheer at the campus entrances for the campaign kickoff, participated in the Alumni parade, provided giving incentives in the form of snack carts, and made their offices mini-campaign headquarters festooned with United Way posters and goal devices.

Campus campaign leadership was Alisa Williams, Kristine Knutson, Garth Woodruff, Bruce Wrenn, Carolina Gomez-Jones, Gerilyn Gigante, Beverly Sedlacek, David Sedlacek, Lisa Rollins, Paul Elder, David Iwasa, Rod...
"One of the most compelling experiences of the campaign for me was touring United Way funded agencies with other campus leaders," according to David Iwasa. "When you see with your own eyes the wonderful community services that United Way supports, it made me realize how they can do so much more with my small donation—it's the least I can do to help those in need. One of our campus leaders on the same tour gave a touching testimonial how one of the agencies had helped his family fill a need for medical assistance."

While our campus fund-raising campaign only lasts for a month, there are many ways that employees can support United Way all through the year. If in your current situation you have more time than money to donate, or you'd like to give both time and money, please give consideration to United Way volunteer opportunities. Full details are available at uwsm.org. Some of their best-known volunteer opportunities are:

- Volunteer Income Tax Assistance
- Girls on the Run
- Reading Day of Action
- Day of Action for Seniors

Especially as the winter weather comes to our area, you are also encouraged to keep the United Way 2-1-1 phone line in mind. If you come across individuals who are in need, you may call 2-1-1 to find out what services are available to meet those needs.

The first University ensemble performance of the holiday season will take place on Saturday, November 22, with the University Wind Symphony at 8 p.m. in the Howard Center. The concert, under the direction of Alan Mitchell, will feature "Christmas Festival" by Anderson, "I Wonder As I Wander" arranged by Clark, "A Christmas Fantasy" arranged by Custer and "Russian Christmas Music" by Reed, in addition to other selections. Special features include "The First Noel" arranged by Simmons and directed by graduate student director Sebastian Serrano, as well as "Away in A Manger" arranged by Wallace and directed by graduate student director Francis Serpa. The University’s brass ensemble will also perform "An English Carol Fantasy" arranged by Marchand.

Andrews University’s Enactus members, as well as other students, staff and faculty, will be participating once again in the annual Berrien Springs holiday event "Kindle Your Christmas Spirit." It takes place on Thursday, December 4, from 6–9 p.m. on Ferry Street in downtown Berrien Springs. That road, plus several surrounding roads, will be closed to automobile traffic, and most businesses will remain open. Activities include a non-perishable food drive, observing artists creating ice sculptures, horse-drawn carriage rides, live caroling, crafts for kids, face painting, a live nativity scene, and snacks and/or hot drinks will be available in most businesses. This event is free and open to the public.

The annual Welcome Christmas Choral Concert, featuring University Singers & Chorale, takes place Friday, December 5, at 7:30 p.m. This performance will feature a garland of Christmas choral art songs, including "The One Gift" by Kenneth Rudolph, "Masters in This Hall," a French carol arranged by John Rutter and "Child of Peace" by Jeffery Van and featuring harpist Chistina Goosey. The groups are also bringing back two choral favorites, "Christmas Dinner" by Paul Stookey, featuring Susan Zork, alto, and David Schwoeble’s arrangement of "Silent Night." The concert will also include "Magnificat" by John Rutter, and conclude with the Christmas portion of Handel’s "Messiah," presented by the University Chorale under the baton of Brenton Offenbach, graduate choral conducting assistant. Admission is free for this concert.

The Howard Center Presents...A Christmas Celebration on Saturday, December 6, at 8 p.m. The Andrews University Symphony Orchestra and the University Singers, conducted by Claudio Gonzalez, present the "Nuthcracker Suite" by Tchaikovsky as well as other traditional vocal Christmas music. The second part of the program will include a performance with a jazz trio from Chicago under the leadership of pianist Belford Hernandez. The production will culminate in the famous Hallelujah Chorus from Handel's "Messiah" with gospel elements. Other works include arrangements by Belford Hernandez and David Williamson.

Tickets for the Christmas Celebration concert are $15 reserved seating; $5 for students. To reserve tickets, visit howard.andrews.edu or call 269-471-3560.

On Sunday, December 14, at 2 p.m., join us for the December Second Sunday Concert. Every December this concert features a special Christmas carol sing-along. He Can Use Anyone

by Jenna Neil

Rachel Williams-Smith, chair of the Andrews University Department of Communication, was recently invited to share her life story on the Hope Channel and 3ABN. On October 21, Williams-Smith was on a live program on the Hope Channel called "Let's Pray."

"Let's Pray" is a one-hour Tuesday night program where viewers call in and share their prayer requests with a waiting prayer team. The first half of the program features a story or testimony, and during the second half the prayer team goes through the prayer requests that callers have shared.

Williams-Smith was asked to share her story on "Let's Pray" while at the Society of Adventist Communicators Conference in Jacksonville, Florida earlier that month.

"I was sitting at the table for Sabbath lunch and it turned out I was sitting with about three people from the Hope Channel," says Williams-Smith. As she was sharing her vision for the Department of Communication and some of her background, she said they "latched onto" her story. When she mentioned that she would be sharing her story on 3ABN and the Dare to Dream channel, they asked if she would be willing to come on Tuesday to share with the Hope Channel viewers as well. Although Williams-Smith thought they were joking at first, she agreed to make the trip to Washington, D.C.

The discussion on the show segment centered on Williams-Smith's statement that she was born in the 20th century but raised in the 19th. "It was a 19th century lifestyle in terms of how we lived day to day, with no conveniences including electricity, running water and so forth. It was a 19th century mindset especially when it came to women and what they can and can't do and dress, when it came to wearing bonnets and long dresses. And we were more focused on what the 19th century Adventist and Adventism taught than we are today."

Show hosts also asked about how the change from where she was to where she is now came about. Williams-Smith talked about when she went to a small, self-supporting high school.

"I learned something called principles, which are underlying truths that don't change, and that gave me a foundation for beginning to be able to change myself," says Williams-Smith. She used the example of modesty and how rules of modesty will change but the underlying foundation remains the same. When she attended Oakwood University, Williams-Smith gained an academic and professional foundation from which to begin moving forward.

The hosts also asked her about forgiveness, particularly in regards to Williams-Smith's father. They asked how she forgave her father for such a strange upbringing. She explained it wasn't difficult because he was actually the one who asked for her forgiveness.

"I had made a choice," she stated. "Once again, learning about principles, and understanding that love and forgiveness are principles presents you with a choice to love and accept or not. It's a choice you make."

Grace Place: Caring for the Community
The Grace Place may be fairly new to the community, but members have already made their presence known with their programs on health, marriage and finances and their regular outreach to South Bend neighborhoods.

The church held its first service in February 2013 in the home they found at the Community Congregational Church, 19671 Cleveland Road in South Bend. The two churches collaborate on joint services and programs at various times during the year. The Grace Place is affiliated with the First Seventh-day Adventist Church in South Bend.

Hyveth Williams, an Andrews University professor, founded the church with the express goal of reaching out to the community. Church members have adopted as their own the neighborhood bordered by Portage Road, Cushing Street and Lincoln Way, going out every two weeks to give away free food and other items, to invite people to come to church and to tell them about the special seminars and programs the church offers.

Mobile Farm Market Puts End to Food Deserts
A mobile farm market is making a difference in Michigan one vegetable at a time. Andrews University said due to its success this summer they are going to expand next year.

According to the USDA, there are four large food deserts in Berrien County. They include a part of Benton Harbor, Niles, Buchanan, and Berrien Springs. Every Monday the market would stop at the Ferry Street Resource Center so residents could buy nutritious food.

One woman said she loved the recipes the dietitian would provide.

Pauline Washington said, "They picked it that morning and they brought it, they were selling it, plus showing us how to cook it... the grocery store is not close to where I live! nothing is close to where I live!"

Darrell McIntyre came off the bench and led the Saints with 15 points.

Men's Basketball - Sun, Nov. 16, 2014

Jordan Oyer – Sports Information Director

Notre Dame, Ind. – The Holy Cross men's basketball team hosted Andrews University Saturday night in their 2014-15 home opener. The Saints fell to the Cardinals, 59-57. The loss drop the Saints to a 2-3 record for the season.

After giving up a five point lead to the visitors, the Saints made a 15-3 run capped by a steal and layup by Darrell McIntyre. The Saints took a 32-30 lead in at halftime. Cardinals guard Brandon von Dorpowski kept the visitors in the game with three first half 3-point buckets. The Saints had seven steals and twelve points off of turnovers in the opening period, but shot only 37.9% from the field.

The Saints extended the lead to nine points at the 13:52 mark in the second half off of a put back. The Cardinals wouldn't go away as they chipped into the Saints lead, finally taking their first lead of the second half (51-50) with 4:01 left in the game.

It was a tight game down the stretch with the Saints taking back a two point lead with 39 seconds left from a Zoe Bauer three pointer. The Cardinals answered with a three of their own from Dorpowski (his fifth three of the game). The Saints had a chance to take the lead with a Columbus jumper from the elbow, but the ball rimmed out and Cardinals guard Gabriel Becton grabbed the rebound while being fouled. Becton made 1-of-2 free throws giving the Saints one last chance to take the game with three seconds left. Saints junior guard O'Brien Hobbs had a good look from three on the left wing, but was denied the game winning shot when the ball rimmed out as time expired.

Three Saints scored in double digits: McIntyre (15), Hobbs (12), and Columbus (11). Columbus added 10 rebounds.
for his first double-double of the season. The Cardinals hit a staggering 50% (10-20) from three point range, while the Saints were 26.1% (6-23) from three and 35.8% (19-53) from the field.

The Saints will open up CCAC play this Wednesday, November 19th when they host the Panthers of Purdue-North Central at McKenna Arena. Tipoff is scheduled for 7:00 p.m. EST.

Thursday, November 6 will be her viewing at Allred's Funeral Home in Berrien Springs from 6:00 to 8:00 p.m. To view her obituary, click here.

Her funeral will be on Friday November 7 at the Village Church, at 1:00 p.m. Thank you for your love and support.

Boundless Love: Heartwarming Story from an International Student

Boundless Love: From Classroom to the Operating Room
by Yafu Qu

At 10 a.m. on September 17, 2014, I suddenly began to experience a severe stomachache. It continued to worsen until at 2 p.m. I felt so much pain that I could not get up from my seat. I was sweating all over. Three of my classmates, Jessica, Yumei Cai, and Pastor Jose, saw this unusual behavior and called the campus safety office. When the emergency car came, my classmates helped me into the car and we went to University Medical where I had a blood test and received immediate care. The doctor told me that it was appendicitis and that I needed to be transferred to the hospital for emergency surgery.

I was in so much pain that I could not sit up. The doctor gave me a shot to relieve the pain, and immediately my thoughts became hazy. It was difficult for me to see and understand things. Pastor Jose drove us to the Lakeland Regional Medical Center in St Joseph. However, I was in the United States from China to pursue my MDiv degree at Andrews University and had arrived only a month ago. Now I faced a strange country, a strange hospital, and a strange medical system, but somehow God was giving me a deep inner peace!

One issue is that I did not know my medical insurance number! This is not something I had memorized (do you know yours by memory?), and I had no card with me. At that time, I just thought that I would go through the medical treatment and then go home to take my son to Pathfinders! So I did not call my wife to tell her about my treatment in hospital. The doctor asked for my wife to be informed, and then the treatment could proceed.

The medicine the doctor gave me to dull the pain had made my thoughts slow and hazy so I had to depend on my three classmates. Also, I did not know English very well, and they were very brave to stay with me and help me. They called many people for help, sending out many urgent requests for help. Thankfully, they were able to make contact with my wife and brought her to the hospital.

After two examinations from the doctor, it was already evening, and my classmates had two tests the next day. So they did their homework and reviewed their lessons in the hospital hallways, staying with me until 9 p.m. They did not think about themselves, the time, their test scores or

ACROSS FROM ANDREWS UNIVERSITY
Philipp Riess, 86, of Berrien Springs, passed away at his home Monday, November 17, 2014, having been a cancer survivor for more than 25 years. Philipp was born July 31, 1928, in Čačinci, Yugoslavia. During WWII his family was forced to leave their home, and as refugees they fled to Germany. There, Philipp was able to attend vocational school, completing a journeyman's license in masonry. In 1950 Philipp immigrated to the U.S. with his parents and sister, and he became a U.S. citizen soon after. In 1953 Philipp married Anna Shäfer, his first wife, with whom he had four children. Survivors include his wife, Nancy, whom he married in 1982; his four children: Harold (Tammie), Lora, and Christine Riess, all of Berrien Springs, and Paul (Anita) Riess of Traverse City; grandsons, Jeffery Riess of Detroit and Michael Riess of Berrien Springs; sister, Sophie Wutzke of Stevensville; stepsons, Brad and Bryan (Laronda) Birmelin, all of Mansfield, Ohio; and step-grandchildren, Bryonna and Brandon. Philipp was preceded in death by his first wife, Anna; his parents, Peter and Sophia; his brothers, Friedrich and Jakob; and stepson, Craig Birmelin. Philipp was a lifelong resident of Berrien County, and as a building contractor, constructed numerous custom-built homes, and community and commercial projects. Philipp loved spending time with his family. He was a seasoned traveler, had an avid interest in history, and was a master story teller. He was actively involved in his church, and he served Berrien Springs over 30 years in numerous elected positions as well as giving hundreds of hours in volunteer service to church, school, and his community. A funeral service celebrating Philipp's life will be held at 11 a.m. on Sunday, November 23, in the Village Seventh-day Adventist Church, 635 St. Joseph Avenue, Berrien Springs, with visitation at 10 a.m. preceding the service. In lieu of flowers, donations may be made to the Village Seventh-day Adventist Church “Sanctuary Renewal Fund,” which was dear to Philipp's heart. Online condolences may be left at www.allredfuneralhome.com. The family would like to thank Dr. Bilal Ansari, Ruth Conley NP, Dr. Binh Tran, and the wonderful staff at Michiana Hematology Oncology in Mishawaka, Indiana. Also appreciated is the care Philipp received from Hospice at Home.
