Let me share with you how God is fulfilling His word in the Muslim world.

According to the Pew Research Center, the Muslim world population in 2010 was 1.6 billion. This number is projected to increase to 2.2 billion, or 26.4% of the world population, within 18 years. Can we reach them for Christ before it's forever too late? If so how?

AWR is broadcasting in at least 10 languages that are targeting the major Muslim regions of the planet. Here are just a few of the countries where AWR is spreading the message to Muslim lands: Pakistan, Somalia, Syria, Egypt, Iran, and many more.

Did you know that we are also reaching Muslims in the United States? According to the Council on American-Muslim Relations, there were 7 million professed Muslims in the United States in 2010. Now, AWR is able to reach them in their own languages with the gospel too!

Yes, it’s true! AWR is broadcasting in almost 90 languages over the Internet and many of our listeners are Muslim.

The very nature of the religious and political climate makes it difficult to discover what is happening within their borders. In some nations strict bans are imposed on Bibles, literature or sharing the message in ANY form. BUT God is good!

From time to time, He enables us to uncover tremendous examples that shout, “AWR is making a wonderful difference in the hearts and lives of these dear people.”
I cannot share the circumstance of where or how I received the following information but it is thrilling.

This report came to us from an Imam in a country torn apart by war and bloodshed, and whose government is antagonistic to the gospel. An Imam is often the worship leader of a mosque and just as often the leader of the Muslim community in that area. In some cases their influence can extend far beyond the local region.

The Imam told us that AWR's programs are changing his people and his country. Can you imagine how happy we were to hear this news? For a long time we had been broadcasting into this closed nation without knowing if we were making an impact! When we heard from the Imam, we knew God had been true to His word:

“So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it” (Isaiah 55:11).

Another wonderful story:

Kadi is a young lady from a Muslim family. She says:

“One day I heard a message on the radio telling me that Jesus died for me and for everyone, and that I will have eternal life if I accept him as my savior.”

She determined that she must know more about this man Jesus. She secretly wrote a letter to our AWR studio director, who began to communicate with her. After talking with him, she was convinced that the Bible is the Word of God and is Truth. Hiding her activities from her parents, she began attending the Seventh-day Adventist Church. The Holy Spirit continued working upon her heart and she was baptized.

Kadi’s parents discovered that she was not only going to a Christian church but had become one! Her father threw her out of the house! But she said, “I have met my Savior. I will never leave him, no matter what happens.”

Please keep both Kadi and her family in your prayers. She is a faithful Christian now because one day the Holy Spirit moved her hand across the radio dial to AWR and she heard the gospel. Although this young lady was a Muslim her entire life, she is now suffering persecution because of her belief, she is looking forward to that city, “whose Builder and Maker is God”.

Please help us reach the Muslim world for Christ. I can guarantee you that there are many more hearts ready to respond, just like the Imam, Kadi, and our listener who God came to in a dream.

You can help AWR reach the Muslim world for Christ today. I guarantee you that there are many more hearts ready to respond to the gospel call, just like the Imam and Kadi. Your gift will provide them the opportunity to discover the amazing love of Jesus.

Yours in Christ's service,

Dowell Chow
