Topic Bio:

We are living in a day in age where so many questions are being asked. Why are we here? Where are we going? How will it all end? The answer to those questions I believe is found in one of adventists’ most well known verses in Revelation 14:6,7 where John sees an angel having an everlasting gospel and it’s preached to all the world. We may know it to be the 1st Angels Message. We know it’s an important and urgent message to be delivered but how do we share it? How do we live? Can we make the message a practical one? Come join me as we will study the 1st angels message and learn not only what it means to Fear God, give Him glory and worship him but learn how to live it more practically in our life and share it as a study. You don’t want to miss out.
