ABOUT THE SPEAKERS

Thomas and Scotty Mayer were raised as Adventists in Paradise, California. They attended film school in college with high hopes of fulfilling their dreams of working in the film and television business. Shortly after leaving college the dream became real and both moved to Hollywood. It didn't take long before the lures of the lifestyle led both these brothers completely away from anything to do with God. They lived their lives in the fast lane until God sent them the right people at the right time to call them away from their destructive paths. As a result of being asked to speak at a youth rally about their experience in Hollywood... “Battlefield Hollywood” was born, a presentation which takes an in depth look into the effects hollywood has on your mind and how the devil is using the entertainment business to deceive many. After starting the ministry Little Light Studios, their sole purpose became sharing the gospel through Christ centered media.
