First Timers Support

The lyrics of a song goes like this, “Flaming youth will set the world on fire” And so it was with the blood donation drive organized by the Adventist Community Services together with the Balestier Church on June 2006. A good number of able and energetic youth members responded as first timers. Altogether about 60 souls bravely walked in to donate liquid life. Eventually 41 bags of blood were collected to top up the precious stock of blood in Singapore. Although this was only about 50% of our target it was more than made up by the enthusiasm and smiles that brightened the event. It was heartening to see the experienced donors cheering and encouraging the first timers. All the first time donors agreed it was not as painful as they thought and determined to come back for the next donation.

Booking mobile blood vans can be an arduous task as schedules are so tight we have to book one year ahead to get a slot. We appeal to all able and healthy Adventists to support our next blood donation event on October 15, 2006 to be held at the Maranatha Church on Dunman Road.

Jesus answered, “Everyone who drinks this water will be thirsty again, but whoever drinks the water I give him will never thirst. Indeed, the water I give him will become in him a spring of water welling up to eternal life.”

John 4:13, 14
Women members, who attended a one-day seminar on September 9, 2006 at the Balestier Church, were fired up to recommit to Christ.

At the 2006 Character Building School conducted annually by the Seventh-day Adventist Kindergarten (SDAK) the theme chosen was “Fiesta – where kids are fired up about Science.” What an enjoyable time the kids had as they learned about the wonders of God’s great creation of our natural world and science. Opportunities to admire the handiwork of the Creator were provided during excursions, arts and crafts and singing. Valuable lessons and moral values were learned through stories, games and songs. Some of the interesting activities included visits to the New Water Visitor Centre and the Dinosaur Exhibition at the Singapore Science Centre. Of the 158 children who attended 143 were non members. This is one of the biggest outreach programs which the SDAK conducts yearly.

The theme song “Each One, Reach One” and the theme for the next five years “A Ministry for Every Woman - Touch a Heart, Tell the World” galvanised the 35 participants into a greater commitment to the gospel commission.

At the close of the seminar there was time for refreshment and fellowship. The women are looking forward to attending the first WM Certification, Level 1 planned for 2007.
